**Sparks of Divine Glory: A Practical Study of the Attributes of God** C. Matthew McMahon, 2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty [New International Encyclopedia of Bible Characters](#) Zondervan, 2015-09-22 The New International Encyclopedia of Bible Characters is a complete index of every person named in the Bible from Aaron to Zurishadai Discover the roles that men and women from the obscure to the famous to the infamous have played in the unfolding story of Scripture Entries range from one line biblical references for minor characters to full length articles that address the theological significance of over forty major figures With entries based on the New International Version today s most read most trusted Bible translation this easy to use volume will help pastors teachers students and church workers quickly and easily identify and understand the importance of every person in the Bible The New International Encyclopedia of Bible Characters features contributions from top biblical scholars of the United States the United Kingdom and Australia In addition to the alphabetic name entries twenty supporting articles shed light on topics of particular interest and relevance such as Kings of Judah and Israel Women in the Bible Children in the Bible The Apostles Pharisees The Elderly in the Bible Angels in the Bible Jewish Genealogies ZONDERVAN S UNDERSTAND THE BIBLE REFERENCE SERIES This four volume series supplies users of today s most popular modern Bible translation and New International Version with scholarly economical and uncompromisingly evangelical study tools It includes New International

Bible Commentary New International Encyclopedia of Bible Words New International Encyclopedia of Bible Difficulties New International Encyclopedia of Bible Characters *Pennsylvania School Journal* ,1911 **Call Out His Names** Elizabeth O. Osuntogun,2025-07-15 We live life in cycles ebbing and flowing with the inevitable twists and turns There may be a mountain top experience at some times but soon comes a valley a downturn experience Seasons of life change and times change but we serve a God who doesn't change When we have an intimate relationship with the heavenly Father we should call on Him any season of life We call on God by His names In *Call Out His Names* author Elizabeth O Osuntogun explores the topic of seeking to know God His names His character and His attributes through His word She asks What specifically are the names of God What is in each name How can we use the names to call on God Osuntogun shares the message that God's names are dynamic and they are full of power God reveals great truths about Himself that can be found only in His names Making Sense of the Divine Name in the Book of Exodus Austin Surls,2017-05-08 The obvious riddles and difficulties in Exod 3 13 15 and Exod 6 2 8 have attracted an overwhelming amount of attention and comment These texts make important theological statements about the divine name YHWH and the contours of the divine character From the enigmatic statements in Exod 3 13 15 most scholars reconstruct the original form of the name as Yahweh which is thought to describe YHWH's creative power or self existence Similarly Exod 6 3 has become a classic proof text for the Documentary Hypothesis and an indication of different aspects of God's character as shown in history Despite their seeming importance for defining the divine name these texts are ancillary to and preparatory for the true revelation of the divine name in the book of Exodus This book attempts to move beyond atomistic readings of individual texts and etymological studies of the divine name toward a holistic reading of the book of Exodus Surls centers his argument around in depth analyses of Exod 3 13 15 6 2 8 and Exod 33 12 23 and 34 5 8 Consequently the definitive proclamation of YHWH's character is not given at the burning bush but in response to Moses later intercession Exod 33 12 23 YHWH proclaimed his name in a formulaic manner that Israel could appropriate Exod 34 6 7 and the Hebrew Bible quotes or alludes to this text in many genres This demonstrates the centrality of Exod 34 6 7 to Old Testament Theology The character of God cannot be discerned from an etymological analysis of the word yhwh but from a close study of YHWH's deliberate ascriptions made progressively in the book of Exodus *The Majesty of The Lord's Prayer* Ralph K. Anderson III,2020-12-23 Across the centuries probably no passage of scripture has been repeated more by Christians than the Lord's Prayer Despite its prevalence the depth of its meaning is often overlooked The book uniquely reviews this fundamental prayer using logical reasoning to elicit deeper thought concerning the purpose of this prayer When we methodically analyze the Lord's Prayer in this way we see that each petition in the prayer builds upon the next to establish not only a theological framework for our prayer lives but a foundation for how we may become more complete Christians Therefore this book analyzes not just the meaning of the words in the Lord's Prayer but also the general implications of each petition and the personal responsibility each petition entails on Christians **Names of God** Ken
