In Three Volumes** Carnegie Library of Pittsburgh, 1908 *The Name of William Shakespeare* John Louis Haney, 2017-10-17 Excerpt from *The Name of William Shakespeare A Study in Orthography* None will deny that it is far more important to study and to seek to appreciate the greatness of Shakespeare's literary utterance than to wrangle though good naturedly over the e's and a's in his name At the same time it is widely held that the present lack of uniformity in that matter is discreditable to the English world of letters and that any sincere effort to correct this condition cannot be wholly in vain About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Name of William Shakespeare, Study in Orthography** John Louis Haney, 1906
