## Names On Svalbard:

**The Place Names of Svalbard** Norsk Polarinstitutt, 2003      *Supplement 1 to the Place-names of Svalbard* Anders Kristian Orvin, 1957      **Norway, Svalbard and Jan Mayen, Official Standard Names Approved by the United States Board on Geographic Names** United States. Office of Geography, 1963      *Names on Svalbard* Eli Johanne Ellingsve, 2005

The names on Svalbard are a reminder of how many different nationalities that have visited and lived on the archipelago during the centuries These names are artefacts that succinctly represent Svalbards unique position in terms of economic and political history      **Special Publication** United States Board on Geographic Names, 1946      *The Rendering of Geographical Names* M. Aurousseau, 2025-10-31 First published in 1957 The Rendering of Geographical Names is a clearly presented survey of the little known borderland between linguistics and geography Works on toponymy that is on the study of place names in particular countries are numerous but works on geographical names that is on the names of places and of geographical features used in foreign languages are rare But if foreign news is to be reported in English newspapers or discussed in English books if foreign books are to be catalogued in English libraries or if foreign countries are to be shown on British maps and in British atlases the need for rational ways of rendering the names of parts of the world and of places abroad is immediate And many such names are written abroad in unfamiliar alphabets and other scripts This is an important historical reference book for students or geography      Special Publication United States Board on Geographical Names, 1947      *Arctic Bibliography* Arctic Institute of North America, 1953      *United States Board on Geographic Names: Gazetteer* United States Board on Geographic Names, 1955      *Frozen Assets* Frigga Kruse, 2014-12-01 The focus of this book is the role of Great Britain in the industrial development of Spitsbergen The primary aim of this study is to explain the British operations on Spitsbergen from a historical international comparative perspective Hence the central research question is What were the driving forces behind the development of the British mining industry on Spitsbergen between 1904 and 1953

**The Geographical Journal** , 1927 Includes the Proceedings of the Royal geographical society formerly pub separately      **Skrifter om Svalbard og Nordishavet** , 1927      Scottish Geographical Magazine , 1920      Dictionary Catalog of the Department Library United States. Department of the Interior. Library, 1969      *Sixth United Nations Conference on the Standardization of Geographical Names: Technical papers* , 1993      *Monthly Catalog of United States Government Publications* , 1992-04      The Concise Dictionary of World Place Names John Everett-Heath, 2017-12-07 Every populated place however small has a name and every name is chosen for a reason This fascinating dictionary gives the history meanings and origin of an enormous range of country region island city and town names from across the world as well as the name in the local language It also includes key historical facts associated with many place names Place names are continually changing New names are adopted for many different reasons such as invasion revolution and decolonization This dictionary includes selected former names and where appropriate some historical detail to explain the transition The names of places

often offer a real insight into the places themselves revealing religious and cultural traditions the migration of peoples the ebb and flow of armies the presence of explorers local languages industrial developments and topography Superstition and legend can also play a part All this fascinating detail is included in the Concise Dictionary of World Place Names In addition to the entries themselves the dictionary includes two appendices a glossary of foreign word elements which appear in place names and their meanings and a list of personalities and leaders from all over the world who have influenced the naming of places Containing over 10 000 names from Aachen to Zyrard w this is a unique and fascinating guide for geographers travellers and all with an interest in current world affairs      Monthly Catalogue, United States Public Documents ,1992-04

Arctic Environmental Modernities Lill-Ann Körber, Scott MacKenzie, Anna Westerståhl Stenport, 2017-02-12 This book offers a diverse and groundbreaking account of the intersections between modernities and environments in the circumpolar global North foregrounding the Arctic as a critical space of modernity where the past present and future of the planet s environmental and political systems are projected and imagined Investigating the Arctic region as a privileged site of modernity this book articulates the globally significant but often overlooked junctures between environmentalism and sustainability indigenous epistemologies and scientific rhetoric and decolonization strategies and governmentality With international expertise made easily accessible readers can observe and understand the rise and conflicted status of Arctic modernities from the nineteenth century polar explorer era to the present day of anthropogenic climate change      **Skrifter** Norsk polarinstitutt, 1928
