Spinoza's Overcoat Subhash Jaireth, 2020-02-01 It starts to rain as I step out of my hotel So begins Subhash Jaireth's striking collection of essays on the writers and their writing that have enriched his own life The works of Franz Kafka Marina Tsvetaeva Mikhail Bulgakov Paul Celan Hiromi Ito Dutch philosopher Baruch Spinoza and others ignite in him the urge to travel both physically and in spirit almost like a pilgrim to the places where such writers were born or died or wrote In each essay a new emotional plane is reached revealing enticing connections As a novelist poet essayist and translator born into a multilingual environment Jaireth truly understands the power of words across languages and their integral connections to life of the body and the spirit Drawing on years of research translation and travel Spinoza's *Overcoat* and its illuminations of loss mortality and the reverie of writing will linger with readers Eloquent and original Jaireth's meditations on the lives of poets are full of astonishing details tender connections and the magnificent melancholy of devotion to words Encompassing matters of translation love mortality and homage this is a rare model of what might be called literary philosophy and an utter joy and surprise for anyone interested in the reading and writing life **GAIL JONES** author of *The Death of Noah Glass* Subhash Jaireth was born in India Between 1969 and 1978 he spent nine years in Russia studying geology and Russian literature In 1986 he migrated to Australia He has published writing in Hindi English and Russian and his novel *After Love Transit Lounge* 2012 was published in Spain in 2018 *Drafting and Assessing Poetry* Sue Dymoke, 2003-04-14 Based on theory but with a

Contributions Arranged in Chronological Order ,1889 *The Poetry of James Wright* Andrew Elkins,1991 In *The Poetry of James Wright* the author traces Wright's formal evolution and concentrates on his consistent themes: the artist's role in society, the artist's search for poetic and personal identities, the power of poetry as fortification against the onslaughts of time, and the definition of a good and humane action. Charting the poet's evolution from his first book *The Green Wall* to the last collections *This Journey*, Elkins discusses one major book in each chapter, explicating the more important poems in detail and explaining how each volume is part of a progression from youthful imitator to mature innovator. Wright's individual struggle taking place as it did in the last half of the 20th century in America dramatizes the central problems of the creative individual in a late industrial society who is trying to turn a life into art. Wright worked in the great tradition of the adamant individualists in our literary heritage and like all of his formidable ancestors he refused to trust the socialized self he found attached to his soul, refused to be diminished or circumscribed by any society's definition of himself. The effect of reading and studying his complete work is the recognition that Wright is a major 20th century American poet whose apparent simplicity and occasional sentimentality can obscure the complexity and maturity of his courageous confrontation with the problems of living and writhing in contemporary America.

Living Name Mark Halliday,2025-03-20 *Living Name* is a collection of essays on American poetry written by an expert practitioner of that art Poet and critic Mark Halliday turns his attention to the work of poets who interest him because they create convincing voices of people dealing with the everyday

Instead of trying to survey the vast variety of modern poetry Halliday considers an idiosyncratic selection of poets he finds compelling for their originality of style and exploration of human possibilities including Walt Whitman Kenneth Fearing Kenneth Koch Robert Pinsky Rachel Wetzsteon Tony Hoagland Claire Bateman and Dean Young Each essay includes thorough close readings of individual poems reflecting a commitment to the idea that a poem as a work of art needs to be appreciated as a unified whole Halliday's writing is judicious and meditative but not overly scholarly or academic A long piece at the beginning of the book Poetry and the Rescue of Particulars argues that poems often attempt to reclaim the details of our usual routines from the chaotic confusion and noise of daily existence The impulse to write a poem Halliday believes often stems from the notion that representing in poetry a sliver of human life keeps it in the world as a trace of the vanishing moment is retained and endowed with some form of lasting reality Throughout Living Name Halliday enacts the allegiances that have driven his criticism for many years to listen for genuine voices in poetry to study whole poems not merely passages and to look for intelligent efforts to illuminate truths of human experience PN Review ,1980
