

CHRISTIAN AND MUSLIM PERSPECTIVES

NAMING GOD

LUCINDA MOSHER, Editor

Naming God

Sung-Wook Hong

Naming God:

Naming God Janet Soskice, 2023-07-20 Generations of Christians Janet Soskice demonstrates once knew God and Christ by hundreds of remarkable names These included the appellations Messiah Emmanuel Alpha Omega Eternal All Powerful Lamb Lion Goat One Word Serpent and Bridegroom In her much anticipated new book Soskice argues that contemporary understandings of divinity could be transformed by a return to a venerable analogical tradition of divine naming These ancient titles drawn from scripture were chanted and sung crafted and invoked in polyphony and plainsong as they were woven into the worship of the faithful However during the sixteenth century Descartes moved from naming to defining God via a series of metaphysical attributes This made God a thing among things a being amongst beings For the author reclaiming divine naming is not only overdue It can also re energize the relationship between philosophy and religious tradition This path breaking book shows just how rich and revolutionary such reclamation might be Naming God Lucinda Mosher, 2023 This volume like other Building Bridges Seminar books presents pairs of lectures by Christians and Muslims which introduce texts for dialogical study plus the actual text excerpts themselves This series is unique in that each volume goes far beyond mere reporting on a dialogical seminar rather each provides guidance and materials for constructing a similar dialogical experience on a particular topic Naming God brings fresh perspective to a topic of great interest in Christian Muslim understanding In a sense Naming God continues the conversation begun in the Seminar s earlier publication Monotheism and Its Complexities 2018 and employs the same distinctive approach to dialogical close reading a scripture and other source material The book is vital reading for students undergraduate and graduate and congregational leaders Naming God Rabbi Lawrence A. Hoffman, PhD, 2015-06-22 An in depth exploration of the complexities and perhaps audacity of naming the unnameable Almost forty contributors from all Jewish denominations and from around the world wrestle with Avinu Malkeinu and the linguistic and spiritual conundrum it presents asking How do we name God altogether without recourse to imagery that defies belief **Naming God in Korea** Sung-Wook Hong, 2008 Essence and Energies: Being and Naming God in St Gregory Palamas Tikhon Pino, 2022-10-03 St Gregory Palamas ca 1296 1357 is among the most well known and celebrated theologians of late Byzantium This book provides a comprehensive account of the essence energies distinction across his twenty five treatises and letters written over a twenty year period An Athonite monk abbot and later Metropolitan of Thessalonica Gregory is remembered especially for his distinction between God s essence and energies and his celebrated doctrine still generates a great deal of debate What does Palamas actually mean by the term energies Are they activities that God performs and if so how can they be eternal and uncreated Indeed how could God be simple if he possesses energies distinct from his essence Going beyond the Triads and the One Hundred and Fifty Chapters this book explores Palamas s answers to these long standing questions by analyzing all of the treatises produced by Palamas between the years 1338 and 1357 It seeks to understand what Palamas means when he speaks of God s energies how he

seeks to prove that they are distinct from the divine essence and how he explains that this distinction in no way violates the unity and simplicity of the one God in Trinity Essence and Energies is a useful resource for upper level undergraduates postgraduates and scholars interested in Byzantine theology in the fourteenth century Naming God Robert P. Scharlemann,1985

Naming God Lucinda Mosher,2023-11-01 A fresh look at how Christians and Muslims speak of God Naming God entails labeling the ineffable And yet the Bible itself oscillates between denying that God can be named and describing how God shows Godself anyway In Naming God the result of the 2021 Building Bridges Seminar an international dialogue of Christian and Muslim scholars the contributors examine the many ways Christians and Muslims refer to and describe God and the significance of naming God differently This book provides guidance and materials that will benefit faith leaders as well as students and scholars of theology dialogue theory and conflict resolution Nonspecialists will benefit from an entry point into the theme of naming God while specialists will be challenged to develop and deepen their thought on this important topic *The Quest for Plausible Christian Discourse in a World of Pluralities* Younhee Kim,2008 This book critically examines David Tracy s well known methodology of fundamental theology namely his revisionist model as developed in his *Blessed Rage for Order* 1975 together with his methodological shifts through the 1980s 1990s and early 2000s It explores how successful he has been in constructing a methodology for the public theological discourse that he deems so necessary More particularly this book asks how serviceable this methodology is for articulating Christian discourse in an intelligible and public way in the contemporary context of religious plurality *Naming God* Celia Wolf-Devine,2019-10

Naming God explores the way gender structures our understanding of that reality which transcends our experience It is intended to promote reflection and to avoid an adversarial us versus them approach by presenting a variety of perspectives looking at the reasons offered by each and trying to bring them into dialogue *All the Names of the Lord* Valentina Izmirlieva,2008-09-15 Christians face a conundrum when it comes to naming God for if God is unnamable as theologians maintain he can also be called by every name His proper name is thus an open ended all encompassing list a mystery the Church embraces in its rhetoric but which many Christians have found difficult to accept To explore this conflict Valentina Izmirlieva examines two lists of God s names one from *The Divine Names* the classic treatise by Pseudo Dionysius and the other from *The 72 Names of the Lord* an amulet whose history binds together Kabbalah and Christianity Jews and Slavs Palestine Provence and the Balkans This unexpected juxtaposition of a theological treatise and a magical amulet allows Izmirlieva to reveal lists rhetorical potential to create order and to function as both tools of knowledge and of power Despite the two different visions of order represented by each list Izmirlieva finds that their uses in Christian practice point to a complementary relationship between the existential need for God s protection and the metaphysical desire to submit to his infinite majesty a compelling claim sure to provoke discussion among scholars in many fields *The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney* William Dwight

Whitney, Benjamin Eli Smith, 1903 **Jews, Christians, and the Theology of the Hebrew Scriptures** Alice Ogden
Bellis, Joel S. Kaminsky, 2000 The Catechism Explained Francis Spirago, 1899 This Catechism is divided into three parts
The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His
character of Teacher in the second in His character of King and in the third in His character of High Priest And since this
Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby
emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the
pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact
nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to
heaven Preface **Literature & Dogma** Matthew Arnold, 1873 Probably the most influential of Arnold s theologically
polemical works **Naming God** David Alan White, 1996 *Miscellanea* Catholic Record Society (Great Britain), 1905
 Diseases of Women Emilius Clark Dudley, 1898 **In the Name of Liberty** William Bourke Cockran, 1925 *Psalm*
CXXV to CL Charles Haddon Spurgeon, 1886 **Dr. William Smith's Dictionary of the Bible** William Smith, 1888

The book delves into Naming God. Naming God is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Naming God, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Naming God
- Chapter 2: Essential Elements of Naming God
- Chapter 3: Naming God in Everyday Life
- Chapter 4: Naming God in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Naming God. The first chapter will explore what Naming God is, why Naming God is vital, and how to effectively learn about Naming God.

3. In chapter 2, this book will delve into the foundational concepts of Naming God. This chapter will elucidate the essential principles that must be understood to grasp Naming God in its entirety.

4. In chapter 3, the author will examine the practical applications of Naming God in daily life. The third chapter will showcase real-world examples of how Naming God can be effectively utilized in everyday scenarios.

5. In chapter 4, the author will scrutinize the relevance of Naming God in specific contexts. The fourth chapter will explore how Naming God is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about Naming God. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Naming God.

Naming God Introduction

Naming God Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Naming God Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Naming God : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Naming God : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free

downloadable books. Free-eBooks Naming God Offers a diverse range of free eBooks across various genres. Naming God Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Naming God Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Naming God, especially related to Naming God, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Naming God, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Naming God books or magazines might include. Look for these in online stores or libraries. Remember that while Naming God, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Naming God eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Naming God full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Naming God eBooks, including some popular titles.

FAQs About Naming God Books

1. Where can I buy Naming God books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Naming God book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Naming God books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers

- and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
