Len Fulton,1994 **Publishers Directory** ,1994 **The Computer Nerd** Jeremy Bursey,2021-03-18 Last year Anston had his wife committed to the asylum Last night she escaped This turn of events could put a damper on his love life Anston Michaels has spent the last year living a life without drama He builds computer programs in his spare time spends once a month ocean fishing with his two friends and goes on the occasional date to keep things from getting too lonely He s pretty sure he couldn t be happier So when he returns home from his fishing trip for a night of unwind he s surprised to find Rebecca his latest would be girlfriend sitting on the porch intruding on his evening collecting on a date he s forgotten about What s worse while he prepares to leave with her he discovers that someone even more intrusive has been calling while he was away someone he can t ignore Even though acknowledging the caller s request for a meeting means losing the date and likely the beautiful Rebecca with it he has to accept it It s a matter concerning his ex wife She has just escaped the mental hospital he d committed her to a year ago and now the caller believes she may be looking for payback What follows is a journey into the mind of a woman who seeks mutilation or marriage reconciliation or revenge or something far more sinister than anything Anston could imagine and he must rescue her from her madness and stop her from ruining both of their lives before it s too late But is it actually madness that drives her And is it really she who needs the rescuing And does Anston truly know his ex wife as well as he thinks he does The Computer Nerd is the suspenseful but quirky tale of a former married couple who constantly walks out of step with each other even when their love still lingers beneath the surface even when their livelihoods are at stake Their journey is sometimes frightening and sometimes ridiculous but no relationship is perfect and they must rediscover their range for understanding and acceptance as they work together to deal with a personal crisis that combines kidnap conspiracy and worst of all forced love into a tidy little demented weekend getaway package that neither is sure they ll survive thanks to the sociopathic third party who s tagged along for the ride Complete safety in virtual isolation Or likely destruction in a real romance In the program of life we must consider all the variables **The Marylebone Drop: A Novella** Mick Herron,2018-10-30 The Marylebone Drop can now be found in the collection called Standing by the Wall The Collected Slough House Novellas A drop in spook parlance is the passing on of secret information It s also what happens just before you hit the ground Old spooks carry the memory of tradecraft in their bones and when Solomon Dortmund sees an envelope being passed from one pair of hands to another in a Marylebone caf he knows he s

Black Souls Gioacchino Criaco, 2020-02-04 The modern Italian classic about Calabrian organized crime now an award winning motion picture makes its English language debut. In the remote Aspromonte Mountains in southern Calabria, Italy, three best friends embark on a life of crime in order to raise themselves up out of the poverty of their childhoods. Brainy Luciano, the behind the scenes schemer, was orphaned as a little boy when the local mob boss had his postman father executed. Lazy, jovial Luigi has learned that there's no point in following the rules. And completing the triumvirate is the nameless narrator from whose black soul comes the inspiration and energy for each new criminal project from kidnapping to armed robbery to heroin dealing to contract killing. Set in the birthplace of the Ndrangheta, Calabria's ruthless and ubiquitous mafia, *Black Souls* draws on centuries of brigand lore, peasant rebellion history, mountain mythology, and colonial suffering to offer a gripping morality tale about how violence begets violence. [The Angels Will Not Care](#) John Straley, 2018-06-19 Trapped on an Alaskan cruise line, PI Cecil Younger must expose a killer, and fast, or he may just find himself sleeping with the fishes. Cecil Younger never thought it would come to this: running surveillance on a chicken coop that's being raided by a fowl thief. But things have not exactly been breaking right lately for the Alaskan PI. The logical thing to do? Take a vacation, of course. Well, it's not exactly a vacation. Cecil has been paid to investigate a doctor aboard a cruise ship up the Alaskan coast following some complaints from his patients—that is, the patients who are still alive to complain. Worst of all, someone is leaving evidence pointing an accusing finger at Cecil. By the time the *S.S. Westward* makes landfall, Cecil will be wishing he was back guarding chickens.

The Rat Catchers'
Olympics Colin Cotterill, 2017 The 1980 Olympic Games in Moscow is already rife with controversy, but when a Lao athlete is accused of murder, it escalates into a full-blown international incident. In the twelfth entry to the series, Dr. Siri Paiboun and his quirky team of misfits are on the case in a city and country foreign to them yet familiar in its corruption of justice. 1980: The People's Democratic Republic of Laos is proud to be competing in its first ever Olympics. Of course, half the world is boycotting the Moscow Summer Olympic Games to protest the Soviet Union's recent invasion of Afghanistan, but that has made room for athletes from countries that are usually too small or underfunded to be competitive, like Laos. Ex-national coroner of Laos, Dr. Siri Paiboun may be retired, but he and his wife, Madame Daeng, would do just about anything to have a chance to visit Moscow, so Siri finagles them a trip by getting them hired as medical advisers to the Olympians. Most of the

athletes are young and innocent village people who have never worn running shoes much less imagined anything as marvelous as the Moscow Olympic Village As the competition heats up however Siri begins to suspect that one of the athletes is not who he says he is Fearing a conspiracy Siri and his friends investigate liaising in secret with Inspector Phosy back home in Laos to see if the man might be an assassin Siri s progress is derailed when a Lao Olympian is accused of murder Now in the midst of a murky international incident Dr Siri must navigate not one but two paranoid government machines to make sure justice is done
