**Steven Englund**

## **Napoleon Se Rend Aux Anglais:**

**Napoleon** Steven Englund, 2010-05-11 This sophisticated and masterful biography written by a respected French history scholar who has taught courses on Napoleon at the University of Paris brings new and remarkable analysis to the study of modern history's most famous general and statesman. Since boyhood, Steven Englund has been fascinated by the unique force, personality, and political significance of Napoleon Bonaparte, who in only a decade and a half changed the face of Europe forever. In *Napoleon: A Political Life*, Englund harnesses his early passion and intellectual expertise to create a rich and full interpretation of a brilliant but flawed leader. Napoleon believed that war was a means to an end, not the end itself. With this in mind, Steven Englund focuses on the political rather than the military or personal aspects of Napoleon's notorious and celebrated life. Doing so permits him to arrive at some original conclusions. For example, where most biographers see this subject as a Corsican patriot who at first detested France, Englund sees a young officer deeply committed to a political event, an idea and opportunity the French Revolution not to any specific nationality. Indeed, Englund dissects carefully the political use Napoleon made both as First Consul and as Emperor of the French of patriotism or nation talk. As Englund charts Napoleon's dramatic rise and fall from his Corsican boyhood, his French education, his astonishing military victories, and no less, astonishing acts of reform as First Consul (1799-1804) to his controversial record as Emperor, and finally to his exile and death, he is at particular pains to explore the unprecedented power Napoleon maintained over the popular imagination. Alone among recent biographers, Englund includes a chapter that analyzes the Napoleonic legend over the course of the past two centuries down to the present-day French Republic, which has its own profound ambivalences toward this man whom it is afraid to recognize yet cannot avoid. *Napoleon: A Political Life* presents new consideration of Napoleon's adolescent and adult writings as well as a convincing argument against the recent theory that the Emperor was poisoned at St. Helena. The book also offers an explanation of Napoleon's role as father of the modern in politics. What finally emerges from these pages is a vivid and sympathetic portrait that combines youthful enthusiasm and mature scholarly reflection. The result is already regarded by experts as the Napoleonic bicentennial's first major interpretation of this perennial subject. [Napoléon se rend aux Anglais](#) Gilbert Martineau, 1969 [Napoléon](#) Jean Tulard, 2006-11-15 premièrre vue on pourrait douter qu'il soit seulement possible de dire quelque chose de neuf sur Napoléon, on n'avance pas qu'il s'est publié son sujet plus de livres qu'il ne s'est écoulé de jours depuis sa mort. Quant Jean Tulard, lui qui régnait sur les études napoléoniennes depuis quarante ans, qui sait tout d'elles, qui a critiqué et dirigé plusieurs dizaines d'ouvrages fondamentaux, il s'est longtemps attaché à comprendre le mythe du sauveur. Fayard (1977) cernait l'œuvre politique et administrative, créait la société française, esquissait les traits de quelques-uns des participants de la population. Manquait son œuvre, le grand livre qui nous montrerait comment cet incontestable surdoué fut Napoléon, a conduit ou non son destin personnel. C'est maintenant chose faite. Le tour de force est la hauteur et de l'auteur et du sujet, s'cartant des voies classiques d'un récit pointilliste, l'historien a choisi d'évoquer le fabuleux destin de Napoléon.

on en s'arrête tant sur chacun des moments où l'Histoire a hésité. Parmi les épisodes de toute sorte qui ont tissé cette vie incroyable certains étaient bien connus mais peussaient d'un éclairage insuffisant d'autres étaient omis ou traités cavalièrement. Rarement en tout cas on les avait rassemblés et liés les uns aux autres avec une telle agilité. Jamais l'exclamation du principal intéressé : Sainte-Hélène quel roman que ma vie n'est-elle aussi vraie que dans les 50 chapitres de Jean Tulard. Combien de fois le talent, l'imagination, l'audace, le courage, la ruse, la baraka, la fidélité ne l'ont-ils pas servi. Combien d'autres fois la présomption, le cynisme, la mesquinerie, la malchance, la trahison ne l'ont-ils pas mené par sa perte avant de l'emporter. Les triomphes et les échecs mais aussi la légende prennent chez le jeune opportuniste politique chez le général chez le consul et chez l'empereur chez le proscrit de Sainte-Hélène un relief extraordinaire, la mesure du génie et de la volonté de puissance d'un personnage comme l'humanité n'en avait jamais connu.

*Histoire de Napoléon Ier* Pierre Lanfrey, 1880     *Histoire de Napoléon 1er* Pierre Lanfrey, 1870     **Histoire de Napoléon Ier**, 1876     **Napoléon Se Rend Aux Anglais** Gilbert Martineau, 1971

*Histoire de Napoléon I* P. Lanfrey, 1876     **Toute l'histoire par les dates et les documents** André Jouette, 1989-01-01T00:00:00+01:00

Cet ouvrage monumental de Fernand Braudel qui en avait parcouru les deux premiers tiers et devait en écrire la préface l'avait qualifié de remarquable et nécessaire vulgarisation. Le livre offre en parallèle sur trois colonnes de l'Antiquité 1988 une chronologie de l'Histoire de France de l'Histoire du monde et de l'Histoire des progrès techniques et scientifiques de toute sorte. Elle est ponctuée par 35 000 dates soigneusement vérifiées. Simultanément en concordance une quatrième colonne apporte une multitude d'informations toutes relatives à l'Histoire et aux dates se rapportant aussi bien aux souverains et chefs d'état français et étrangers aux constitutions aux leçons de la démographie aux batailles qu'à la mesure du temps l'émergence de la langue française la Légion d'honneur aux parentés inattendues aux paris stupides l'évolution du franc la longévité humaine la durée des règnes et des institutions aux comètes la filiation des rois capétiens ou l'âge de l'ordinateur. En résumé comme le définit l'auteur lui-même c'est le livre des dates des rois des guerres des anniversaires des inventions des découverts des calendriers des constitutions des traités des leçons des règlements des ministères des mots historiques des curiosités de l'Histoire des événements politiques militaires scientifiques et sociaux. Il a tenté en toute modestie et en solitaire par André Jouette ancien directeur de collection dont la rigueur scrupuleuse a déjà illustré par un ouvrage devenu un classique le Top. Toute l'histoire par les dates et les documents se veut une mine exceptionnelle d'informations un recours nécessaire et un ouvrage de référence pour le grand public qui a constamment besoin de précisions historiques pour les matières comme pour les livres. Bref il veut répondre aux éternelles questions plus que jamais posées par les gens de tout âge et de toute condition. Quand ? Où ? Qui ? Comment ?
