Narrative Approaches To Working With Male Survivors Of Child Sexual Abuse:

Helping Male Survivors of Sexual Violation to Recover Sarah Van Gogh, 2018-04-19 Placing the experiences of men at the heart of this book Sarah Van Gogh outlines an integrative approach to effective therapeutic treatment of male sexual abuse In a culture where to be male is often to be expected to embody strength power and being in control male victims of sexual abuse can be particularly challenging to help This book outlines seven composite detailed case studies representing men from a wide range of backgrounds and demographics It lays out how the author's pioneering model of an integrative approach which includes psychodynamic humanistic relational cognitive behavioural body based and arts based approaches can offer an effective model for working with this client group This key text provides a valuable resource for all those working with male survivors of sexual abuse

Counselling Adult Survivors of Child Sexual Abuse Christiane Sanderson, 2006-06-15 This updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse CSA In a reasoned and thoughtful approach this book honestly addresses the complex issues in this important area of work providing practical strategies valuable and new insights for counsellors

Disability and Child Sexual Abuse Martina Higgins, John Swain, 2009-11-15 Disability and Child Sexual Abuse examines the ways in which society marginalises institutionalises and places disabled children in situations of unacceptable risk and how as evidenced in the survivors narratives patterns of service delivery can contribute to the problem *Trauma, Drug Misuse and Transforming Identities* Kim Etherington, 2008 Looking at the life stories of ex drug misusers in their own words this book offers insights into the nature of addiction and how it can be tackled Etherington highlights the therapeutic value of listening to drug misusers life stories and the importance of understanding how social environments and wider cultural influences shape people's lives *Good Practice in Promoting Recovery and Healing for Abused Adults* Jacki Pritchard, 2013-02-28 Good Practice in Recovery and Healing from Abuse Adult Survivors is an extensive guide that gives insight on how to be creative in helping adult victims of abuse through the recovery and healing processes The book features chapters written by practitioners and researchers involved in the different sectors of working with abuse Good Practice in Working with Victims of Violence Hazel Kemshall, Jacki Pritchard, 2000 Drawing on the experiences of practitioners from a range of backgrounds this study of real or threatened physical violence and its consequences is based upon personal accounts of people who have been subjected to violence Male Victims of Elder Abuse Jacki Pritchard, 2001-06-15 Older men may like older women be victims of abuse yet there has been little in either research or service provision to reflect this Drawing on in depth interviews with twelve older men who have experienced abuse Jacki Pritchard presents much needed practical guidance for care professionals managers and policy makers working with this group **Writing Cures** Gillie Bolton, Stephanie Howlett, Colin Lago, Jeannie K. Wright, 2004-08-02 there is currently little if any literature around that covers online counselling which has its own section in this book notable list of contributors including Anthony Ryle and

Stephen Goss this is currently a hot topic and a growing field **The Secret Keepers** Susan Dale,2014-09-01 Keeping the stories relating to childhood sexual abuse and violence secret within families seems core to the traumatic effect such abuse has on the lives of not just the person who has been abused but also on their children and even their children s children This book demonstrates the uses of narrative practices both as a means to explore through a collaborative research process the effect of this traumatic legacy within families and also the use of narrative as a dynamic therapeutic process which finds creative ways for people to break through the silence and live beyond being defined by abuse and violence The contributors to this volume range in age background and experience but are linked through the common theme of inter and transgenerational trauma **Counsellors in Health Settings** Kim Etherington,2001 Focusing on the experiences of counsellors themselves this book is a comprehensive resource for counsellors working in health contexts and for the health professionals who work with them and may take on counselling roles which will inform and improve their work *Trauma, the Body and Transformation* Kim Etherington,2003 Annotation This is a valuable resource for those who are dealing with the impact of childhood trauma in their own lives their families and friends whose lives are also touched workers in the field of trauma especially medical practitioners who can sometimes feel helpless when faced with patients whose symptoms they cannot understand or heal and counsellors psychotherapists and psychologists This book is also of value to researchers interested in narrative research methods BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Relational Ethics in Practice* Lynne Gabriel,Roger Casemore,2009-03-24 Relational Ethics in Practice presents a new collection of narratives on ethics in day to day therapeutic practice Highly experienced professionals from a range of roles in the therapeutic professions explore ways of developing ethical and effective relationships The contributors provide the reader with engaging and informative narratives that indicate how ethics can inform and influence practice in a variety of clinical contexts across the helping professions These personal and professional narratives will encourage people to think more proactively about ethics and the impact that they have on both therapeutic practice and life in general Throughout this book Lynne Gabriel Roger Casemore and their contributors emphasise that the consideration of the ethical dimension is of paramount importance to successful processes and outcomes in every therapeutic relationship Chapters cover a number of topics including how theoretical approaches can inform ethical decision making and practice practical difficulties and ethical challenges innovative and unconventional approaches informed consent across various contexts pointers for good practice the notion of the wounded healer Relational Ethics in Practice Narratives from Counselling and Psychotherapy will appeal to a wide range of readers involved in the helping professions including counsellors psychotherapists researchers supervisors and trainees Child Sexual Abuse in Black and Minoritised Communities Aisha K. Gill,Hannah Begum,2023-01-01 Child sexual abuse CSA is believed to affect one in eight children worldwide UNICEF 2020 This authoritative book challenges widely held problematic beliefs about CSA and discusses societal responses and attitudes

to survivors It brings together multidisciplinary expertise from key researchers and practitioners around the world to better understand CSA in Black and racially minoritised communities and to provide recommendations for improving legal policy and practical responses It provides an international overview covering theory practice and policy and action oriented research to determine how countries can individually and collectively work to prevent CSA with specific vulnerable groups and in general It also examines how intersectional marginalisation affects experiences of and responses to CSA This essential body of work is thoroughly researched and includes first hand testimony which will deepen the understanding of students academics policy makers and professionals including social workers service staff and activists working at the frontline Chapter 7 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

Process Work in Person-Centred Therapy Richard Worsley, 2009-09-16 This unique and important book breaks new ground in the theory and practice of person centred psychotherapy by focusing on the issue of process Process belongs to both client and counsellor Worsley conceptualises process in relation to the core principles of the person centred approach but also to the humanistic and phenomenological roots of person centred therapy Combining academic rigour with the wisdom of an experienced clinical practitioner he opens up a more inclusive and integrative way of being with clients that nonetheless chimes with classical person centred principles The book features Activities and vivid case studies to illustrate and expand on the theoretical points being developed allowing the reader to see easily how these might apply to practice Engagement with theoretical approaches such as transactional analysis and Gestalt as well as discussion of philosophy spirituality and psychopathology New discussion of the processes involved in mental illness drawing on the work of Prouty and Warner to understand the client's world of experiencing New material on the plural self and configurations of the self

The Palgrave Handbook of Masculinity and Sport Rory Magrath, Jamie Cleland, Eric Anderson, 2019-09-04 Over the past two decades there has been a rapid transformation of masculinities in the West largely facilitated by a decline in cultural homophobia The significant changes in the expression of masculinity particularly among younger generations of men have been particularly evident in men's team sports which have become an increasingly diverse and inclusive culture Drawing upon work from a wide range of established and emerging international scholars this handbook provides a comprehensive and interdisciplinary analysis of the contemporary relationship between masculinity and sport It covers a range of areas including history media gender sexuality race violence and fandom considering how they impact a range of different sports across the world Students and scholars across many disciplines will find the unparalleled overview provided by these specially commissioned chapters an invaluable resource

Rehabilitation Counselling in Physical and Mental Health Kim Etherington, 2002 Individuals experiencing rehabilitation are subject to profound life adjustments and the contributors to this book explore how the relationship between counsellor

and client can be a source of support during that time drawing out the historical background and theoretical implications of their work and making recommendations for good practice *The Seduction of Children* Christiane Sanderson,2004 This informative book offers practical strategies for the protection of children that anyone involved in the life of a child will find indispensable Providing the reader with an understanding of typical normative sexual development in children the author enables parents and teachers to recognize the warning signs of sexual abuse **Sexual Abuse in Sport** Helen

Owton,2016-11-22 This book is about sexual abuse in sport and specifically about one girl s experience of long term chronic abuse in sport A non conventional approach is employed to explore the experiences of a female athlete named Bella who was groomed sexually abused by her male coach and then subjected to years of athlete domestic violence Through a collaborative auto ethnography process these experiences are reported through vignettes and selected poems seeking to involve the reader in the grooming process of a young female athlete so that they might react from the different social positions they currently occupy Bella s story acts as a pedagogical resource in ways that stimulate ethical discussions and enhance knowledge of sexual abuse in sport by assisting those involved to better understand their own field and the dynamics of abuse within it in order to develop effective abuse prevention strategies **Introduction to Art Therapy Research** Lynn Kapitan,2025-04-11 Thoroughly updated with references to newly published research and engaging first person reflections from art therapist researchers working throughout the world the third edition of *Introduction to Art Therapy Research* places art therapy research within a socially complex world of compelling questions and emerging trends while guiding readers through basic research design First published in 2010 this seminal textbook fulfills the need for a pragmatic educational text that broadly surveys the purpose and role of art therapy research guides students and practitioners in becoming knowledgeable of their field s research literature and ethical principles and instructs them into the kinds of projects questions and methods they might undertake Written by a prominent figure in the world of art therapy this pragmatic text is organized into three parts Part I provides an overview of the basic steps in conceptualizing an art therapy research study with an emphasis on perspectives that are intrinsic to art therapy Chapters in Part II cover an inclusive methodological framework from quantitative and outcomes research to qualitative practitioner based field research critical participatory orientations phenomenological and narrative approaches and the growing influence of art based research in art therapy Part III offers up to date ethical guidelines and valuable tools for understanding and evaluating research reports as well as practical guidance for publication in scholarly journals based on the author s long experience as the editor of the field s leading scholarly publication Also included are added coverage on cross cultural research as well as high quality examples from published peer reviewed art therapy research studies that illustrate material throughout the text This landmark text will continue to educate and inform new and emerging art therapists
