Wadsworth, Paula Morse, Lynne DeGiacomo, 2004 First settled in the late 1600s and incorporated in 1770 the small seacoast town of Cohasset became an important center for fishing and shipbuilding during the great age of sail As the maritime era declined in the late 19th century wealthy Bostonians found Cohasset's cool ocean breezes the natural beauty of its rockbound shoreline and its protected coves and harbor ideal for summer recreation Amateur and professional theater groups flourished in this summer colony Through vintage photographs Cohasset covers all this and more seaside hotels and summer cottages village life and old time merchants patriarchs and politicians Personalities abound such as Philander Bates a shoemaker who held almost every elected and appointed town office and financier Clarence W Barron who entertained Calvin Coolidge at his Oaks Farm in 1925 *The Genealogies of the Families of Cohasset, Massachusetts* George Lyman Davenport, 2015-08-05 Excerpt from The Genealogies of the Families of Cohasset Massachusetts Compiled Under the Direction of the Committee on Town History In 1896 when Rev E Victor Bigelow a member of the committee on Town History volunteered to write a history of the Town of Cohasset Mr and Mrs George L Davenport were engaged by the committee to write a Genealogy of Cohasset Families The narrative history was completed and published in 1898 but the genealogy requiring infinitely more research it was not possible to publish it with the earlier volume and it was not until October 1908 that the book was ready for the press In the ten years that have elapsed since the publication of the history there have been some changes in the town and the committee on Town History have taken advantage of the opportunity to bring the History up to date In the narrative history subjects were omitted which might properly have been included we have therefore added a number of chapters containing matter which it is believed is of

sufficient importance to be preserved We wish to acknowledge our obligation to those who at their own expense have furnished half tones for many of the illustrations and especially to Mr Russell B Tower who has made from old oil paintings several negatives from which half tones have been made About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
