Narrative Picture Scrolls Hideo Okudaira,1973 *Composition* Arthur Wesley Dow,2023-12-22 First published in 1899 Arthur Wesley Dow's *Composition* has probably influenced more Americans than any other text to think of visual form and composition in relation to artistic modernity While Dow is known as the mentor of Georgia O'Keeffe and Max Weber his legacy as a proponent of modern art has suffered undeserved neglect by recent artists and art historians In *Composition* Dow develops a system for teaching students to create freely constructed images on the basis of harmonic relations between lines colors and dark and light patterns Greatly influenced by Japanese art he expounds a theory of flat formal equilibrium as an essential component of telling pictorial creation Generations of teachers and their public school pupils learned from Dow's orientalism and adopted basic postimpressionist principles without even knowing the term The reappearance of Dow's practical well illustrated guide enhanced by Joseph Masheck's discussion of its historical ramifications is an important event for all concerned with the visual arts and the intellectual antecedents of American modernism First published in 1899 Arthur Wesley Dow's *Composition* has probably influenced more Americans than any other text to think of visual form and composition in relation to artistic modernity While Dow is known as the mentor of Georgia O'Keeffe and **Art and Palace Politics in Early Modern Japan, 1580s-1680s** Elizabeth Lillehoj,2011-09-09 Magnificent art and architecture created for the emperor with the financial support of powerful warlords at the beginning of Japan's early modern era 1580s 1680s testify to the continued cultural and ideological significance of the imperial family Works created in this context are discussed in this groundbreaking study with over 100 illustrations in color **Explaining Pictures** Ikumi Kaminishi,2006-01-01 Beginning with the claim that the popularization of Buddhism in the medieval period was a phenomenon of visual culture *Explaining Pictures* reexamines the history and historiography of medieval Japanese Buddhism With theoretical sophistication and a full appreciation of the power of imagery to convey and control religious meaning it investigates a range of aspects of *etoki* including the particularly active role of itinerant nuns whose performances were especially edifying to female audiences as well as the visual hagiography of the reputed founder of Japanese Buddhism the pictorial projections of Buddhist paradise and hell and the explanation through visual imagery of sacred mountains *Explaining Pictures* is the first book length study in English devoted to the phenomenon of Buddhist art as religious propaganda and pictorial storytelling as a form of popular culture in medieval Japan A truly interdisciplinary study it suggests fruitful avenues of discussion between art historians and historians of Japanese Buddhism Scholars and students with an interest in Japanese Buddhism art and social and cultural history will find its examination of significant issues fresh and stimulating It will also find an appreciative audience among those concerned with the relationship between art and religion the mechanics of proselytization and Asian visual culture **Critical Terms for the Study of Buddhism** Donald S. Lopez Jr.,2009-11-15 Over the past century Buddhism has come to be seen as a world religion exceeding Christianity in longevity and according to many philosophical wisdom

Buddhism has also increasingly been described as strongly ethical devoted to nonviolence and dedicated to bringing an end to human suffering And because it places such a strong emphasis on rational analysis Buddhism is considered more compatible with science than the other great religions As such Buddhism has been embraced in the West both as an alternative religion and as an alternative to religion This volume provides a unique introduction to Buddhism by examining categories essential for a nuanced understanding of its traditions Each of the fifteen essays here shows students how a fundamental term from art to word illuminates the practice of Buddhism both in traditional Buddhist societies and in the realms of modernity Apart from Buddha the list of terms in this collection deliberately includes none that are intrinsic to the religion Instead the contributors explore terms that are important for many fields and that invite interdisciplinary reflection Through incisive discussions of topics ranging from practice power and pedagogy to ritual history sex and death the authors offer new directions for the understanding of Buddhism taking constructive and sometimes polemical positions in an effort both to demonstrate the shortcomings of assumptions about the religion and the potential power of revisionary approaches Following the tradition of *Critical Terms for Religious Studies* this volume is not only an invaluable resource for the classroom but one that belongs on the short list of essential books for anyone seriously interested in Buddhism and Asian religions

Tang Transformation Texts Victor H. Mair, 2020-10-26 This is the most comprehensive study of pien wen transformation texts i e tales of metamorphosis in any language since the manuscripts were discovered at the beginning of the 20th century in a remote cave complex in northwest China They are the earliest written vernacular narratives in China and are thus extremely important in the history of Chinese language and literature Numerous scholarly controversies have surrounded the study of the texts in the last three quarters of a century this volume seeks to resolve some of them the extent origins and formal characteristics of the texts the meaning of pien wen the identity of the authors who composed these popular narratives and the scribes who copied them the relationship of the texts to oral performance and the reasons for the apparently sudden demise of the genre around the beginning of the Sung dynasty This is a multi disciplinary study that integrates findings from religious literary linguistic sociological and historical materials carried out with intellectual rigor It includes an extensive bibliography of relevant sources in many languages

The Three Treasures Edward Kamens, Ethan Bushelle, 2023-01-25 When the young Princess Sonshi became a Buddhist nun in the year 984 a scholar official of the royal court was commissioned to create a guide to the Buddhist religion that would be accessible for her He did so in the form of the illustrated works of fiction monogatari that appealed to women readers of her time and class The text has survived in later manuscripts the illustrations if they ever existed have not This revised translation recreates Sonshi s experience of receiving this multimedia presentation with illustrations selected to help contemporary readers visualize its content and essays that provide context on the religious and cultural experience of the author The Three Jewels is a unique document that opens a window onto the world of Buddhist religious experience especially for women in high classical Japan the time of Sei

Sh nagon s Pillow Book and Murasaki Shikibu s Tale of Genji *The Three Treasures* Edward Kamens,Ethan Bushelle,2023-01-25 An updated augmented and illustrated study and translation of this landmark collection of Buddhist tales Arts of Japan ,1973 **The Last Tosa** Sandy Kita,1999-01-01 Iwasa Katsumochi Matabei 1578 1650 is one of the most controversial figures in Japanese art history For more than half a century historians have argued over Matabei s role in Japanese art Was he as he asserted The Last Tosa the school of painters who specialized in Yamato e a kind of classical courtly painting or as others characterized him The Founder of Ukiyo e the style of painting associated with the urban commoner class In this highly original and convincing study Matabei emerges as both an artist in whose work can be seen elements of both Yamato e and Ukiyo e Extending its analysis beyond the individual artist The Last Tosa examines the trends and artistic developments of a transitional period and makes heretofore unexamined connections between the world of the aristocrat and the merchant as well as the two artistic schools that reflected their tastes Japanese Mandalas Elizabeth ten Grotenhuis,1998-11-01 The first broad study of Japanese mandalas to appear in a Western language this volume interprets mandalas as sanctified realms where identification between the human and the sacred occurs The author investigates eighth to seventeenth century paintings from three traditions Esoteric Buddhism Pure Land Buddhism and the kami worshipping Shinto tradition It is generally recognized that many of these mandalas are connected with texts and images from India and the Himalayas A pioneering theme of this study is that in addition to the South Asian connections certain paradigmatic Japanese mandalas reflect pre Buddhist Chinese concepts including geographical concepts In convincing and lucid prose ten Grotenhuis chronicles an intermingling of visual doctrinal ritual and literary elements in these mandalas that has come to be seen as characteristic of the Japanese religious tradition as a whole This beautifully illustrated work begins in the first millennium B C E in China with an introduction to the Book of Documents and ends in present day Japan at the sacred site of Kumano Ten Grotenhuis focuses on the Diamond and Womb World mandalas of Esoteric Buddhist tradition on the Taima mandala and other related mandalas from the Pure Land Buddhist tradition and on mandalas associated with the kami worshipping sites of Kasuga and Kumano She identifies specific sacred places in Japan with sacred places in India and with Buddhist cosmic diagrams Through these identifications the realm of the buddhas is identified with the realms of the kami and of human beings and Japanese geographical areas are identified with Buddhist sacred geography Explaining why certain fundamental Japanese mandalas look the way they do and how certain visual forms came to embody the sacred ten Grotenhuis presents works that show a complex mixture of Indian Buddhist elements pre Buddhist Chinese elements Chinese Buddhist elements and indigenous Japanese elements **Mine Okubo** Greg Robinson,Elena Tajima Creef,2018-07-01 To me life and art are one and the same for the key lies in one s knowledge of people and life In art one is trying to express it in the simplest imaginative way as in the art of past civilizations for beauty and truth are the only two things which live timeless and ageless Min Okubo This is the first book length critical examination of the life and work of Min Okubo 1912 2001 a

pioneering Nisei artist writer and social activist who repeatedly defied conventional role expectations for women and for Japanese Americans over her seventy year career Okubo's landmark *Citizen 13660* first published in 1946 is the first and arguably best known autobiographical narrative of the wartime Japanese American relocation and confinement experience Born in Riverside California Okubo was incarcerated by the U S government during World War II first at the Tanforan Assembly Center in California and later at the Topaz War Relocation Center in Utah There she taught art and directed the production of a literary and art magazine While in camp Okubo documented her confinement experience by making hundreds of paintings and pen and ink sketches These provided the material for *Citizen 13660* Word of her talent spread to *Fortune* magazine which hired her as an illustrator Under the magazine's auspices she was able to leave the camp and relocate to New York City where she pursued her art over the next half century This lovely and inviting book lavishly illustrated with both color and halftone images many of which have never before been reproduced introduces readers to Okubo's oeuvre through a selection of her paintings drawings illustrations and writings from different periods of her life In addition it contains tributes and essays on Okubo's career and legacy by specialists in the fields of art history education women's studies literature American political history and ethnic studies essays that illuminate the importance of her contributions to American arts and letters Min Okubo expands the sparse critical literature on Asian American women as well as that on the Asian American experience in the eastern United States It also serves as an excellent companion to *Citizen 13660* providing critical tools and background to place Okubo's work in its historical and literary contexts

Japanese Mythology and the Primeval World Peter Metevelis, 2009-05 The Japanese have faithfully preserved their ancient myths as a connected and well ordered system And as a system Japanese myths say much about the human condition in the cosmos and about the human place in the cosmic order Not until now has a book length English language study been released on Japanese mythology Drawing on his meticulous research Asianist Peter Metevelis presents this selection of analytic essays that form a mosaic of themes on the primordial world of Japanese myth adding a rewarding voice to cultural history and the history of ideas around the world Metevelis shows that contrary to popular belief Japanese myths have much in common with other myths around the globe and are mythically logically and symbolically equivalent This suggests that Japanese culture has always resonated with the rest of the world and provides a valuable touchstone for comparative mythologists The mythic themes Metevelis explores include Linkage of birth with death Loss of immortality Containment of souls Effect of time on mortals Creation of the cosmos And many more This incomparable volume also includes detailed notes bibliographies and appendices to help further your knowledge of Japanese myth Under Metevelis's expert guidance you can expand your understanding of the Japanese myth system its structure and its principal actors and immerse yourself in the ancient Japanese mysteries of the cosmos

Painting and Performance Victor H.

Mair,2019-03-31 In this extraordinary work of scholarship Victor Mair traces the global development over a thousand years of a genre of popular Buddhist folk literature from China known as pien wen pointing out its origins in India as a form of oral storytelling using painting as an aid and showing how that form has influenced performance and literary traditions in India Indonesia Japan Central Asia the near East Italy France and Germany Professor Mair s research has important implications for students and scholars of literature folklore painting religion history art and theater and the performing arts not to mention Chinese popular culture and Indian civilization The The History of Ophthalmology in Japan S.

Mishima,2018-11-30 **Modern Japan, Student Economy Edition** Mikiso Hane,2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments Japan Report ,1972 **Library of Congress Catalogs** Library of Congress,1976 **Certain Victory: Images of World War II**

in the Japanese Media David C. Earhart,2015-06-01 This unique window on history employs hundreds of images and written records from Japanese periodicals during World War II to trace the nation s transformation from a colorful cosmopolitan empire in 1937 to a bleak total war society facing imminent destruction in 1945 The author draws upon his extensive collection of Japanese wartime publications to reconstruct the government controlled media s narrative of the war s goals and progress thus providing a close up look at how the war was shown to Japanese on the home front Many of these visual and written sources are rare in Japan and were previously unavailable in the West Strikingly the narrative remains consistent and convincing from victory to retreat and even as defeat looms large Earhart s nuanced reading of Japan s wartime media depicts a nation waging war against the world and a government terrorizing its own people At once informed scholarly and readily accessible this lavishly illustrated volume offers an accurate representation of the official Japanese narrative of the war in contemporary terms The images are fresh and compelling revealing a forgotten world by turns familiar and alien beautiful and stark poignant and terrifying
