Secrets of the Apostles W.C. Hinzle,2011-09-07 This study describes the lives of the twelve disciples called by Jesus Christ for training repentance and transformation into effective and spirit filled apostles They were charged with establishing the Church of Jesus Christ in the hostile world of Jewish Greek Roman and many other groups of intense unbelievers They were laymen untrained in deep Jewish doctrine but practiced as businessmen and filled with zeal for the Jewish Messiah to return They wanted to be a part of his new kingdom and expected major roles in ruling Israel They became the first of many converts to see that the Jews had missed the heart of Gods message and the new message was that they would die to their own minds wills and emotional structures and replace it with the will of their Father through the Holy Spirit Jesus taught them for more than ten thousand hours of practical ministry teaching and supernatural endowment during their time together This is considerably more hours than it takes to achieve a doctorate in theology today In this time they were still incapable of standing up to the Jewish authorities until endued with power from on high at Pentecost These secrets which the apostles found in their ministries will help the disciple who is serious about transforming his or her life and knowledge of the

Gospel into effective ministry **Christ-Centered Preaching** Bryan Chapell,2005-03-01 This complete guide to expository preaching teaches the basics of preparation organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers Numerous appendixes address many practical issues Open Bible Thomas Nelson Publishing Staff,World Publishing Company,2004-08-09 A classic has been brought back The NASB Open Bible has traditionally been the best selling NASB study Bible and the best selling of the Open Bibles Book introductions by Walk Thru the Bible and the best study tool ever created the Biblical Cyclopedic Index make this a truly dynamic study tool The New American Standard Bible is known as being the best translation for the study of the words of Scripture The combination is unbeatable **The Publishers Weekly** ,1917 **The Way To The Truth** Larry Langlois,2022-02-22 Compiled for the common person for everyday use at all levels The Way of the Truth is based on the idea that everyone can study and teach the Bible in an orderly fashion for growth and development New and old Christians can be self feeders and Disciples of Christ as they are being fed God s Word God s Way and God s Will for their personal life Knowing how to Rightly Divide the Word will enable one to grow and develop in Hope Faith and Love One can search for the context of the scripture understand God s intention and give proper biblical interpretation of the scriptures Use these outlines to train the trainers teach the teachers and develop the developer using the Bible as the primary source Teaching others to search and research the scriptures with a purpose and goal to fulfil the Great Commitment the Great Commission and the Great Commandment When a recommendation for self improvement group instructions and a biblical understanding is preferred these outlines offers a spiritual logical progressive and yet simple format for creating and presenting a scriptural method and manner for studying God s Word both written and orally Often we may be relying too much on books and articles written by others Now you can use these outlines and develop others as you read study and review the Bible prayerfully Outlining chapters books and subject topics will give you a road map to follow and keep you on track Larry is presently improving updating and developing this and other outlines to continue teaching himself and others to be self feeders teachers and spiritual leaders Larry thanks God for all those He has used to help teach train and develop me in all manner of life and living **A Jewish Christmas Story** Frank Straight,2010-01-15 In the first two chapters of his Gospel Matthew writes about the birth of the Messiah Did he intend for the narrative just to be used for childrens pagents and to provide ideas for lawn decorations Surely he had more serious purposes in mind but sadly this beginning part of his Gospel has been often trivialized down through the centuries What important information was he conveying What issues facing his readers did he confront Could Jesus of Nazareth a place thought to produce no good thing really be the Messiah Hadnt his birth actually been a scandal Why would wise men bring him gifts How many wise men were

there anyway And that part about the star maybe it wasnt actually a star A Jewish Christmas Story is a study guide which brings new insights to a story with which many are familiar but one whose real meaning is seldom considered seriously
