How Do You Define Success Not many people rise to the top of two elite highly competitive professions in their lifetime but that is exactly what three time Super Bowl champion and five time NASCAR champion Joe Gibbs has done Now for the first time Coach Gibbs shares the principles that have guided him to success in every area of his life and explains how you can make those same principles work for you Join Joe and his team of experts as they walk you through the greatest playbook for modern day success ever written the Bible and address the twelve most important issues facing men today Finances How do I master my money Ron Blue Health How do I achieve peak physical and emotional health Dr Walt Larimore Relationships What does God say about marriage and sex Don Meredith Vocation How do I build a successful life and career Dr Os Guinness The Bible Can I believe it Josh McDowell God Who is He Dr Ken Boa Creation How did life begin Dr John Lennox Sin and Addiction How do I deal with sin Alistair Begg Salvation How do I get on the winning team Chuck Colson Purpose How do I get the most out of life Dr Tony Evans Heaven Where will I spend eternity Randy Alcorn Loss How do I deal with grief Joe Gibbs Discover the Playbook for true success in your life      *Dale Earnhardt* ,2001 A biography which focuses on the racing career of Dale Earnhardt      *Recruiter Journal* ,2004      *Match Race Mayhem* Doug Boyce,2017-06-15 Drag racing is a very regulated sport In the history of the NHRA IHRA and other sanctioning bodies many classes existed in an effort to make sure the cars racing against each other are as equal as possible It is a noble if not futile pursuit You have two cars facing off that have very similar statistics in terms of weight transmission type fuel type estimated horsepower and all other sorts of measurables The byproduct is that often the races that were fair were not the races that the fans wanted to see During the golden age of drag racing fans didn't care as much about class racing as much as they wanted to see scores settled rivalries battled and interesting match ups There were the manufacturer rivalries Ford versus Chevy Chevy versus Mopar Mopar versus Ford as well as numerous driver rivalries Match races were also a great way to feature wildly popular cars that no longer had a class in which to compete yet the fans still wanted to see them So popular and intense were these races that many track promoters didn't bother to promote class racing at all Instead they used the match races as headliners similar to the marquee at your local arena or a billboard in Las Vegas all resulting in putting more fans in the stands And the drivers loved it too Although the prize money for national events was fairly average for the day the extra appearance fees and prize money to lure the most popular match racers to events increased the driver's take exponentially Many of the most popular pro drivers quit class racing altogether just to go match racing Veteran drag race author Doug Boyce tells the tale of the history of match racing through the cars the drivers the events the classes the rivalries and everything else that was fun about match racing during the golden era It's all here complemented by wonderful vintage photography provided by fans and professionals in attendance If you are a fan of any class of drag racing from any era Match Race Mayhem is a fun addition to your racing library
