

NO FAULT

No Fault Marriage

Cynthia Starnes

No Fault Marriage:

Dissolution Riane Tennenhaus Eisler, 1998 Dissolution is a new word for divorce In Dissolution Riane Eisler discusses the fundamental societal and litigious changes of divorce from an action that was until recently an unacceptable social phenomenon to what is now commonplace The book compares the old divorce laws based on marital fault with new no fault divorce laws an analysis of the laws and institutions of marriage and divorce and alternatives social and litigious to marriage and divorce Quotes about Dissolution Dissolution is must reading for every woman whether she already believes in equal rights for all beings or belongs to the Phyllis Schlafly school of thought Riane Eisler s work is the most definitive yet on the female species and her rights Rona Barrett Good Morning America ABC TV Only those of us who have gone through divorce without your book can fully appreciate its value Its factual information gives strength Its innate empathy comforts Its totality is an integral part of the body of great feminist writings Frances Lear President Lear Purvis Walker Co *No-fault Divorce* Allen M. Parkman, 2019-03-04 Since 1970 all the states adopted no fault divorce statutes which have had the unexpected effect of producing dire financial conditions for many divorced women and their children In this important study economist and lawyer Allen Parkman shows how no fault divorce has systematically operated against the interests of these women and children With rare economic and legal insight Parkman argues that by changing the grounds for divorce without changing the laws that define and allocate property at divorce the legal system created substantial injustices The key mistake he suggests was in accepting a definition of property that did not include the income earning capacity human capital of the individuals involved Using human capital theory Parkman criticizes current divorce law and presents a framework for reform that would reduce the injustices introduced by no fault divorce He concludes that a thorough reform however may require the changing of the grounds for divorce to mutual consent This book is essential reading for scholars professionals and indeed for anyone interested in the health and future of the family and the well being of women in contemporary U S society

Covenant Marriage Fred Lowery, 2010-05-11 A new movement is spreading across America bringing hope to existing marriages and new guidelines for marriages yet to be and Dr Fred Lowery in this courageous and insightful book shares with you the principles of the Covenant Marriage Movement Every marriage faces storms and struggles that can lead to failure Unexpected changes personality conflicts money problems and misguided expectations can send even the best of marriages into a tailspin But this insightful new book provides real answers through chapters such as The Difference between a Contract and a Covenant Learning How to Manage Conflict and What to Do When Marriage Is Not What You Expected Covenant marriages will stand the test of time change and personal problems and will shine with brilliance in a world that is besieged by divorce This book will not only impact your life but will impact marriages for generations to come The principles power and pattern for a covenant marriages will help you and your spouse stay together in your marriage for life **Family and Succession Law in the USA** Lynn Dennis Wardle, William C. Duncan, Laurence C. Nolan, 2022-07-20 Derived from the

renowned multi volume International Encyclopaedia of Laws this concise exposition and analysis of the essential elements of law with regard to family relations marital property and succession to estates in the USA covers the legal rules and customs pertaining to the intertwined civic status of persons the family and property After an informative general introduction the book proceeds to an in depth discussion of the sources and instruments of family and succession law the authorities that adjudicate and administer the laws and issues surrounding the person as a legal entity and the legal disposition of property among family members Such matters as nationality domicile and residence marriage divorce and cohabitation adoption and guardianship succession and inter vivos arrangements and the acquisition and administration of estates are all treated to a degree of depth that will prove useful in nearly any situation likely to arise in legal practice The book is primarily designed to assist lawyers who find themselves having to apply rules of international private law or otherwise handling cases connected with the USA It will also be of great value to students and practitioners as a quick guide and easy to use practical resource in the field and especially to academicians and researchers engaged in comparative studies by providing the necessary basic material of family and succession law

The Marriage Buyout Cynthia Starnes, 2014-05-16 From divorce court to popular culture alimony is a dirty word Unpopular and rarely ordered the awards are frequently inconsistent and unpredictable The institution itself is often viewed as an historical relic that harkens back to a gendered past in which women lacked the economic independence to free themselves from economic support by their spouses In short critics of alimony claim it has no place in contemporary visions of marriage as a partnership of equals But as Cynthia Lee Starnes argues in *The Marriage Buyout* alimony is often the only practical tool for ensuring that divorce does not treat today's primary caregivers as if they were suckers Her solution is to radically reconceptualize alimony as a marriage buyout Starnes's buyouts draw on a partnership model of marriage that reinforces communal norms of marriage providing a gender neutral alternative to alimony that assumes equality in spousal contribution responsibility and right Her quantification formulae support new default rules that make buyouts more certain and predictable than their current alimony counterparts Looking beyond alimony Starnes outlines a new vision of marriages with children describing a co parenting partnership between committed couples and the conceptual basis for income sharing between divorced parents of minor children Ultimately under a partnership model the focus of alimony is on gain rather than loss and equality rather than power a spouse with disparately low earnings isn't a sucker or a victim dependent on a fixed alimony payment but rather an equal stakeholder in marriage who is entitled at divorce to share any gains the marriage produced

Divorce Rights of Passage Gerald D. Alpern, 2000

Handbook of Divorce and Relationship Dissolution Mark A. Fine, John H. Harvey, 2013-12-19 This Handbook presents up to date scholarship on the causes and predictors processes and consequences of divorce and relationship dissolution Featuring contributions from multiple disciplines this Handbook reviews relationship termination including variations depending on legal status race ethnicity and sexual orientation The Handbook focuses on the often neglected

processes involved as the relationship unfolds such as infidelity hurt and remarriage It also covers the legal and policy aspects the demographics and the historical aspects of divorce Intended for researchers practitioners counselors clinicians and advanced students in psychology sociology family studies communication and nursing the book serves as a text in courses on divorce marriage and the family and close relationships Marriage in America, 2000 **Reconceiving the Family** Robin Fretwell Wilson, 2006-07-17 This 2006 book provides a critical examination of and reflection on the American Law Institute's ALI Principles of the Law of Family Dissolution Analysis and Recommendations Principles arguably the most sweeping proposal for family law reform attempted in the US over the last quarter century The volume is a collaborative work of individuals from diverse perspectives and disciplines who explore the fundamental questions about the nature of family parenthood and child support The contributors are all recognized authorities on aspects of family law and provide commentary on the principles examined by the ALI fault custody child support property division spousal support and domestic partnerships utilizing a wide range of analytical tools including economic theory constitutional law social science data and linguistic analysis This volume also includes the perspectives of US judges and legislators and leading family law scholars in the United Kingdom Europe Canada and Australia *Divorce* Alison Clarke-Stewart, Cornelia Brentano, 2008-10-01 *DIV* This comprehensive book provides a balanced overview of the current research on divorce The authors examine the scientific evidence to uncover what can be said with certainty about divorce and what remains to be learned about this socially and politically charged issue Accessible to parents and teachers as well as clinicians and researchers the volume examines the impact of marital breakup on children adults and society Alison Clarke Stewart and Cornelia Brentano synthesize the most up to date information on divorce from a variety of disciplinary perspectives with thoughtful analysis of psychological issues They convey the real life consequences of divorce with excerpts from autobiographies by young people and they also include guidelines for social policies that would help to diminish the detrimental effects of divorce *div* Family Law for Paralegals, Fourth Edition J. Shoshanna Ehrlich, 2007-01-01 Newly revised in its Fourth Edition the popular text Family Law for Paralegals offers a complete coverage of the basics of family law combined with historical context and insight in topics of current interest Engaging students with real life examples and practical exercises centered on hot issues will induce excitement in the classroom and subsequently evoke a passionate response to the material covered in lecture Instructors choose Family Law for Paralegals because this thoughtful and carefully written textbook offers paralegal students the nuts and bolts of the law while also providing a relevant historical framework and exposure to some of the most dynamic issues in family law today short historical overviews in each chapter give students a meaningful understanding of family law comprehensive in coverage the book covers basic coverage of the issues of marriage and divorce as well as cutting edge issues such as non marital families child abuse and neglect and same sex marriage helpful real life examples enhance the textual discussions while sample forms show students what they will

encounter in practice clear pedagogy including summaries key terms and review and discussion questions helps students better understand the material and develop their critical thinking and writing skills a range of assignments in each chapter provides students with the opportunity to practice different skills including research analysis memo writing and argumentation the Instructor's Manual includes teaching tips and a TestBank Exciting changes to this Fourth Edition include new cases that keep the book fresh in its Fourth Edition Internet references in each chapter updated topical coverage with important new developments particularly in the areas of gay lesbian rights and nontraditional families Family Law for Paralegals Fourth Edition uses clearly written text and well crafted pedagogy to make the material easily accessible to students while a comprehensive educational package supports the instructor's efforts give their students a thorough understanding of family law as it applies today An author website to support classroom instruction using this title is available at http://www.aspenlawschool.com/ehrllich_familylaw4

Law and the Web of Society Cynthia L. Cates, Wayne V. McIntosh, 2001-07-31 From birth certificates and marriage licenses to food safety regulations and speed limits law shapes nearly every moment of our lives Ubiquitous and ambivalent the law is charged with both maintaining social order and protecting individual freedom In this book Cynthia L Cates and Wayne V McIntosh explore this ambivalence and document the complex relationship between the web of law and everyday life They consider the forms and functions of the law charting the American legal structure and judicial process and explaining key legal roles They then detail how it influences the development of individual identity and human relationships at every stage of our life cycle from conception to the grave The authors also use the word web in its technological sense providing a section at the end of each chapter that directs students to relevant and useful Internet sites Written for upper level undergraduate and graduate students in law and society courses Law and the Web of Society contains original research that also makes it useful to scholars In daring to ask difficult questions such as When does life begin and Where does law begin this book will stimulate thought and debate even as it presents practical answers

Family Law in America Sanford N. Katz, 2015 This volume examines the state of family law in America Among its themes is the tension between individual autonomy and governmental regulation in all aspects of family law It examines both conventional and new definitions of formal and informal domestic relationships

Getting Divorced Without Ruining Your Life Sam Margulies, 2001-12-04 The compassionate guide to every aspect of the divorce process is now updated with vital information on changes in the law and norms for divorce cases as well as important new insights into step family issues and post divorce conflicts

The Encyclopedia of Libertarianism Ronald Hamowy, 2008-08-15 Provides an introduction to and compendium of libertarian scholarship via a series of brief articles on the historical sociological and economic aspects of libertarianism within the broader context

Family Life Now Kelly J. Welch, 2025-01-07 Written with a down to earth and student focused approach Family Life Now 4th edition delivers a comprehensive examination of interaction among family members and intimate partners With an emphasis on today's diverse and complex individual family

and the evolving impact of societal issues this text engages students through a balanced integrated approach of the human development and family science disciplines Author Kelly Welch uses a first person narrative style of writing to engage readers encourage them draw upon their own background and experiences to understand theories and concepts and to paint a realistic view of families and intimate relationships This text lays the foundation to understanding relationships better applying research and theory and promotes the ways in which those considering a helping profession career such as social worker therapist psychologist teacher early childhood childcare provider or healthcare provider can employ strengths oriented best practices to create and deliver effective quality couple and family life education

The Law and Economics of Marriage and Divorce Bob Rowthorn, 2002-03-04 What sort of contract is marriage What does it offer the parties What are the difficulties of enforcement and the result of failed effective enforcement This book takes an economic approach to marriage and divorce considering the key role of incentives in family law it highlights the possible adverse consequences emanating from faulty legal design while demonstrating that good family law should provide incentives for consistent and honest behavior Economists specialists in the economic analysis of law and academic lawyers discuss recent advances in specialist work on marriage cohabitation and divorce Chapters are grouped around four topics the contractual perspectives on marriage commitment the regulatory framework surrounding divorce bargaining and commitment issues relating to marriage and near marriage arrangements and finally empirical work which focuses on the impact of more liberal divorce laws This important new study will be of considerable interest to lawyers policy makers and economists concerned with family law Congressional Record United States. Congress, 1973 **Informational Bulletin** Wisconsin. Legislature. Legislative Reference Bureau, 1975
