**Make me feel the way you used to  
When you loved me so.  
Take me back to all those times  
You'd never let me go.  
Those are the memories I live for now.  
'Cant get them out of my mind.  
The more I try to forget them  
The more they're there I find.**

**\*\*\* Because you are a part of me,  
the part that no one else could be.  
For they can't make me feel like this.  
And they would always make me miss  
Every little thing you've done to me.  
'Cause baby, you're the best part of me.**

**Let me hear your voice so low  
Whispering in my ear.  
Tell me that your love's still mine,  
Words I still can hear.  
I remember every word you said.  
I remember each sweet sound.  
They never seem to leave me.  
They've always stayed around.**

Johnson my beautiful grandmother spoke of Jehovah every day Many cultures pray to different names in reference to God This is the name I heard growing up with a grandmother who singly cared for as many as fourteen children in one household My wonderful mother Barbara W Marsh taught me its not how well known you are its what you do to become well known In order to get a friend you first need to be one Not all friends turn out to be as true friends as you are to them but you learn as you go Part one is about feelings of the mind heart and soul As we become older we in turn should become wiser It doesnt happen with everyone because we all sometimes follow when we should lead In following I have suffered more than some and less than others but only Jehovah knows how much either way Part two is a compilation of short narratives The intentions are to strengthen whoever is feeling down about something in their life mentally physically spiritually and emotionally In time promoting hope and shedding light on a negative lifestyle Some of these narratives have changed things in my life that very few people know of today I hope those that read this book will see that you dont need to go down the wrong path in order to do right I hope and pray that this book will help you see some things within yourself that could be changed for the better Each of us have some things that we have been through in life but the name of the game is survival and education Jehovah teaches us many things in everyday living mostly through blessings Temptation is always going to be there but its up to each one of us to survive them We can share our pain with others and hope that they can make a negative decision into a positive one This book is based on my feelings my emotions Always trust and have faith in Jehovah not man whom sometimes try to entice you into doing what you would consider as wrong Its not worth the heartache and trouble which you can never take back Relationships living dating and marriagetheyre not for everyone because not everybody is looking for the same things out of a commitment to one another Know what you want before you act and how to go about getting it It involves two souls with the same outlook on life to make things work its never one sided Always be definite about what you want out of life and make it a goal not a job to get it I hope this will educate and inspire others to speak their truths reach for their goals and never settle for less than the best One should live life to the fullest just as I have been inspired to do just that Thank you and God bless Robert Eugene Wilson

**The Better Part of Me** J.P. McCollum, 2019-05-19 After the funeral on a blustery October day the family attorney instructs three siblings to meet at their grandfather's lake house in eastern Maine. Assuming they were to gather for a reading of the will they reluctantly agreed, carrying with them resentments, pain from the past, and a deep bond. After finding a box smuggled out of Nazi Germany in their basement, however, the grandchildren realize there is a darker secret from their grandfather's grave that leaves them questioning his character and their own personal failures.

*The Best Part of Me 2* A'zayler, 2017-06-17 Have you ever prayed for something harder than you've ever prayed for anything, and then it happens and you don't know if you're really ready for it? Well, so has Goody. Praying for a good man, then actually getting one, were two totally different things. In her mind, her world would be complete if that happened so naturally when it did, she was happy, but then came fear. Fear of what the future would hold, or whether or not she was even good enough for her answered prayers. Lucky for her, Jerrico Blake is well equipped and intently focused on Goody, and every need she has. A man with many honorable traits, Jerrico is a Godsend, but he's not to be taken lightly. Though he can withstand the toughest times with the hardest people, that doesn't mean he wants to. Desiring love and happiness as much as the next person, Goody's rejection may have worn thin. Not sure whether she's worth the fight, Jerrico second-guesses his initial intentions. Will Goody's past destroy her future, or will she be woman enough to pick up her pieces and put her own future back together?

**The Best Part of Me 3** A'zayler, 2019-11-03 It's funny how love has a way of changing things. Just when you think you've got it all figured out, life throws you a curveball. Marcellus Blake knew that better than anyone. He'd been living his life on a private high until being inadvertently forced to expose himself. Not at all accustomed to explaining himself or considering any needs outside of his own, he's become immersed in one of the most difficult situations of his life. Not realizing it until it was too late, Marcellus finds his heart torn between two women with no way out. Everything that seemed right and natural has now become the biggest fight of his life. How does he walk away from everything he's known to embark on an unknown road with uncertain feelings? More than willing and inadvertently eager to trust his newest feelings, Marcellus pursues what feels right, only to be met with one barrier after the next. What's a man to do when he's broken the heart that was made for him? How does he retract the feelings that were never supposed to form? Where does he start picking up the regretful pieces that he's lost? Above all, when does the woman he wants begin to want him back? It's all fun and games until the person you love no longer loves you back.
