Title shows resumes and cover letters of people seeking employment in the construction industry. Job hunting techniques are explained in step by step fashion in order to benefit those seeking construction work. Because the construction industry tends to be cyclical, a helpful section is included which describes how to transfer construction industry experience to other fields and industries. The book's main contents are the resumes and cover letters of construction industry professionals. Included are resumes of project manager, carpenter, foreman, safety manager, electrician, brick mason, engineering manager, real estate agent, plumber, job planner, sander, flooring installer, interior designer, independent contractor, and many others.
