**Your Family History** Stephen Szabados,2019-10-24 Find your roots Start your search now The author reviews a simple process that will help everyone be successful in their genealogy research The author draws from his genealogical research experiences to describe the resources that are available and how to use them to find your ancestors and their history Both Internet and archival research efforts are covered The first part of the book gives hints that will help make your beginning research successful The author then reviews the major resources and documents used in Genealogy research and the last section covers useful hints that go beyond the basics This is a must have book for the beginning genealogy researcher

The Micro-historian's Guide to Research, Evidence, & Conclusions Reginald W. Bacon,2019-09-18 The Micro Historian s Guide to Research Evidence Conclusions imparts useful guidance to motivated historians genealogists special interest researchers and local history enthusiasts As long buried sources become available via the internet more regular folks without a Ph D in history are joining the fun of information gathering and shining new light on under explored history yet often with no foundation of method The author answers the call with this volume paying forward the guidance received from long ago mentors as well as from present day historians and archivists Topics include research planning execution evaluation of evidence formulation of conclusions and the crafting of a summary narrative Each topic is enriched by practical examples from the author s experience The aim is to help the new practitioner build a foundation of research skills that leads to evidence based conclusions The author s perspective of experience as a disciplined researcher but also with roots as a no nonsense old school newspaper reporter occasionally prompts a mild tease of the buttoned down genealogy proof standard or conversely a deflating poke at flabby interpretation and moribund academic writing wherever it may fester The Micro Historian s Guide to Research Evidence Conclusions draws theory from dozens of history genealogy historiography and research giants through the ages The book also pays tribute to that long ago cigar chomping newspaper editor who
