Quiet Talks on Prayer (a Timeless Classic) S. D. Gordon,2016-08-24 A great sorrow has come into the heart of God Let it be told only in hushed voice one of His worlds is a prodigal Hush your voice yet more ours is that prodigal world Let your voice soften down still more we have consented to the prodigal part of the story But in softest tones yet He has won some of us back with His strong tender love And now let the voice ring out with great gladness we won ones may be the pathway back to God for the others That is His earnest desire That should be our dominant ambition For that purpose He has endowed us with peculiar power **Quiet Talks on Prayer** S. D. Gordon,2014-09-19 There are five outlets of power five

avenues through which God shows Himself and reveals His power First through the life what we are Just simply what we are If we be right the power of God will be constantly flowing out though we be not conscious of it It throws the keenest kind of emphasis on a man being right in his life There will be an eager desire to serve Yet we may do more in what we are than in what we do We may serve better in the lives we live than in the best service we ever give The memory of that should bring rest to your spirit when a bit tired and may be disheartened because tired Second through the lips what we say It may be said stammeringly and falteringly But if said your best with the desire to please the Master it will be God blest I have heard a man talk And he stuttered and blushed and got his grammar badly tangled but my heart burned as I listened And I have heard a man talk with smooth speech and it rolled off me as easily as it rolled out of him Do your best and leave the rest If we are in touch with God His fire burns whether the tongue stammer or has good control of its powers Third through our service what we do It may be done bunglingly and blunderingly Your best may not be the best but if it be your best it will bring a harvest Fourth through our money what we do not keep but loosen out for God Money comes the nearest to omnipotence of anything we handle And fifth through our prayer what we claim in Jesus name And by all odds the greatest of these is the outlet through prayer
