Hearing the Still Voice of God and Being Sensitive to Him Jessica Alexis Rosas,2019-08-28 Hearing the Still Voice of God and Being Sensitive to Him is a book inspired by the Lord to help you recognize his voice Sometimes we complain that he never speaks or that we never hear him in desperate times but one thing we need to ask ourselves is are we listening Are we recognizing who is speaking to us Can we hear our Father s voice clearly This book will help you learn how to discern God s voice from the enemy s voice because as 2 Corinthians 11 1315 says even Satan comes as an angel of light to deceive us so it is important we know who is speaking to us and why In these end times it is very critical that we start listening to the instructions God is giving to us The Lord speaks in many beautiful ways which this book will dive into and you will learn how to quickly recognize and hear his still voice This book will help you discern the spirits around you that will help you become more aware of the enemy s tricks This book is also a spiritual guide to help you grow and understand the spiritual world around you Hearing the Still Voice of God and Being Sensitive to Him is for all ages who are seeking the presence of God at a deeper and more intimate level Be ready to learn be corrected grow and receive all that God is speaking to us in these last days Have a humble heart and hear the still voice of God **Quiet Talks about Jesus** Samuel Dickey Gordon,1906 **4**

Hey God, Where Are You? Barbara Hamilton, 2008-05-29 The earth was void and without form It is from the Void God created God saw all He had made and behold it was very good God then rested very pleased with all He had created Later we are told a mist went up from the earth A mist is something that conceals Why would God want to conceal or prevent His very good creation from being seen Once the mist is in place we find that God or someone or something decided to redo the creation that God was originally pleased with This time the story tells us The lord God formed man of the dust of the ground Looking at the word dust we find

it means confusion and something of no worth Since confusion means without order or sense the question is why would God want to recreate man without order and sense and from something of no worth This is not so much about religion as it is in understanding what the ancient writers were trying to tell us Understanding may make you question your religious beliefs along with your whole life s purpose and what you have been calling your reality You may find We are prisoners of our minds and we are confined within it
