like Lermontov's fatalist He was a man of medium height fairly solid and round shouldered with fair almost white eyebrows and eyelashes he had a round fresh rosy cheeked face a turn up nose a low forehead with the hair growing thick over the temples and full well shaped always immobile lips he never laughed never even smiled Only when he was tired and out of heart he showed his square teeth white as sugar The same artificial immobility was imprinted on all his features had it not been for that they would have had a good natured expression His small green eyes with yellow lashes were the only thing not quite ordinary in his face his right eye was very slightly higher than his left and the left eyelid drooped a little which made his eyes look different strange and drowsy Tyeglev's countenance which was not however without a certain attractiveness almost always wore an expression of discontent mingled with perplexity as though he were chasing within himself a gloomy thought which he was never able to catch At the same time he did not give one the impression of being stuck up he might rather have been taken for an aggrieved than a haughty man He spoke very little hesitatingly in a husky voice with unnecessary repetitions Unlike most fatalists he did not use particularly elaborate expressions in speaking and only had recourse to them in writing his handwriting was quite like a child's His superiors regarded him as an officer of no great merit not particularly capable and not over zealous The brigadier general a man of German extraction used to say of him He has punctuality but not precision With the soldiers too Tyeglev had the character of being neither one thing nor the other He lived modestly in accordance with his means He had been left an orphan at nine years old his father and mother were drowned when they were being ferried across the Oka in the spring floods He had been educated at a private school where he had the reputation of being one of the slowest and quietest of the boys and at his own earnest desire and through the good offices of a cousin who was a man of influence he obtained a commission in the horse guards artillery and though with some difficulty passed his examination first as an ensign and then as a second lieutenant **Daily Bread, and Other Stories**, 1870

Parishioners and Other Stories Joseph Dylan, 2012-07-28 Tales of the East and West **Flann O'Brien and the European Avant-Garde, 1934-45** Tobias William Harris, 2025-01-23 Crossing the boundaries of a single author study this book uncovers Flann O'Brien's attempt to forge a commercially successful Irish literary project from international avant-garde influences Situating O'Brien's early work within a global context the book uses new evidence of his collaborations to reimagine him as a networked writer O'Brien drew upon experimental techniques to generate new categories of writing rethink Irish culture and reach a wide audience This study illuminates a network of cultural production around O'Brien linking his work to English comic magazines Dadaist photomontage Expressionism Central European theatre and renowned writers like Jorge Luis Borges and Franz Kafka By re-examining Flann O'Brien within the context of the momentous global political and cultural crises that spurred avant-garde experimentation the book also rewrites the cultural history of Ireland in the 1930s and 1940s **John Wayne** Randy Roberts, 1997-01-01 John Wayne remains a constant in American popular culture Middle America grew up with him in the late 1920s and 1930s went to war with him in the 1940s matured with him in

the 1950s and kept the faith with him in the 1960s and 1970s In his person and in the persona he so carefully constructed middle America saw itself its past and its future John Wayne was his country's alter ego Thus begins John Wayne American a biography bursting with vitality and revealing the changing scene in Hollywood and America from the Great Depression through the Vietnam War During a long movie career John Wayne defined the role of the cowboy and soldier the gruff man of decency the hero who prevailed when the chips were down But who was he really Here is the first substantive serious view of a contradictory private and public figure
