## Quiet Quick Theatre:

*Technical Design Solutions for Theatre Volume 3* Ben Sammler, Don Harvey, 2013-01-17 Technical Design Solutions for Theatre is a collection of single focus articles detailing technical production solutions that have appeared in The Technical Brief Collection a publication of the Yale School of Drama's Technical Design and Production Department The primary objective of the publication was to share creative solutions to technical problems so that fellow theatre technicians can avoid having to reinvent the wheel with each new challenge The range of topics includes scenery props painting projections sound and costumes Each article describes an approach device or technique that has been tested onstage or in a shop Great reference of tips and solutions to persistent technical challenges in theatre production Solutions provided by contributors from over twenty different producing organizations Ten years of The Technical Brief Collection articles bound in each of three volumes A comprehensive index to all three volumes included in Volume III Silent Film Sound Rick Altman, 2004 Based on extensive original research and filled with gorgeous illustrations Silent Film Sound reconsiders all aspects of sound practices during the silent film period in America Beginning with sound accompaniment and continuing through to the more familiar sound practices of the 1920s renowned film historian Rick Altman discusses the variety of sound strategies cinema exhibitors used to differentiate their products During the nickelodeon period prior to 1910 this variety reached its zenith with carnival like music automatic pianos small orchestras lecturers synchronized sound systems and voices behind the screen In the 1910s musical accompaniment began to support a film's narrative and emotional content with large theaters and blockbuster productions driving the development of new instruments new music publication projects and a new style of film music A monumental achievement Silent Film Sound challenges common assumptions about this period and reveals the complex and swiftly changing nature of silent American cinema **Publication**, 1991 **The Methuen Drama Book of Contemporary Japanese Plays** Yuko Kuwabara, Takuya Yokoyama, Shiro Maeda, Satoko Ichihara, Tomohiro Maekawa, 2022-03-24 Published alongside The Japan Foundation this collection features five creative and bold plays by some of Japan's most prolific writers of contemporary theatre Translated into English for the first time these texts explore a wide range of themes from dystopian ideas of the future to touching domestic tragedies Brought together in one volume introduced by the authors and The Japan Foundation this collection offers English language readers an unprecedented look at some of Japan's finest works of contemporary drama by writers from across the country The plays include The Bacchae Holstein Milk Cows by Satoko Ichihara Translated by Aya Ogawa This play takes themes of the ancient Greek tragedy Bacchae by Euripides to examine various aspects of contemporary society from love and sex man and woman intermixture of different species discrimination and abuse to artificial insemination criticism of anthropocentrism and more It was the winner of the 64th Kishida Drama Award One Night by Yuko Kuwabara Translated by Mari Boyd The setting is a small taxi company run out of the home of its owner in a country town One night the mother Koharu Inamura decides to leave the home

in order to protect her children from her husband's domestic violence promising them that she will come back in 15 years The play depicts the family's reunion after having to live with the burden of that one night's hitoyoi incident and how they restarted their lives after it Isn't Anyone Alive by Shiro Maeda Translated by Miwa Monden This laid back absurdist work examines death through a goofy lens In the play strange urban legends abound in a university hospital where young people die one after another all with mobile phones in their hands The Sun by Tomohiro Maekawa Translated by Nozomi Abe Depicts young people torn apart in a near future setting where humanity has split into two forms Nox humans who can only go out at night and Curios the original type of humans that can live under the sun Carcass by Takuya Yokoyama Translated by Mari Boyd This play takes its name from the Japanese word for dressed carcasses of beef and pork that have been halved along the backbone for meat It deals with the dignity of being alive as seen through the lives of workers in the meat industry based on interviews and research It won the Japan Playwrights Association's 15th New Playwright Award in 2009 **Frayn**

**Plays: 1** Michael Frayn, 2017-01-12 One of theatre's subtlest most sophisticated minds The Times Alphabetical Order A comic essay about two types of woman a very intelligent comedy because of its classic simplicity and unusual in the way that the two types of women do not become stereotypes Daily Telegraph Donkeys Years a satire on the establishment and British Institutions Gorgeous farce all the funnier for emerging from credible aspirations and natural anxieties the play is richer and cannier than we expect farces to be New Statesman Clouds is a satire on government sponsored trips and a portrait of sexual jealousy it is poignantly and unerringly funny Guardian Make and Break is a satirical commentary on British corporate interests abroad Full of pain ruthless observation and a sense of humour which is sardonic lunatic and warm Sunday Times Noises Off the West End hit play about a company of actors stepping from a sex farce into their own nightmarish lives backstage A very intelligent joke about the fragility of all forms of drama a pulverisingly funny play Guardian All of these plays are attempts to show something of the world not to change it or to promote any particular idea of it That's not to say there are no ideas in them In fact what they are all about in one way or another is the way in which we impose our ideas upon the world around us it might be objected that one single theme is a somewhat sparse provision to sustain five separate and dissimilar plays I can only say that it is a theme which has occupied philosophers for over two thousand years and one which is likely to occupy them for at least two thousand more Michael Frayn **Technical Design Solutions for Theatre**

Ben Sammler, Don Harvey, 2012-12-12 The Technical Brief is a collection of single focus articles on technical production solutions published three times a year by the prestigious Yale School of Drama The primary objective of the publication is to share creative solutions to technical problems so that fellow theatre technicians can avoid having to reinvent the wheel with each new challenge The range of topics includes scenery props painting electrics sound and costumes The articles each describe an approach device or technique that has been tested on stage or in a shop by students and professionals Some articles included are Building Authentic Elizabethan Ruffs Simple and Inexpensive Stained Glass A Quick Load Floor Pulley

romantic actor with a fan club rivalling that of Ivor Novello John Stuart was frequently mobbed by his adoring fans He starred in films by Alfred Hitchcock and G W Pabst played opposite British stars such as Madeleine Carroll Fay Compton Gracie Fields and German actor Conrad Veidt and was also the first actor to ever speak on screen in Britain Yet despite a film career lasting six decades and 172 films his name and achievement are little known today With access to Stuart s private archive his surviving films press cuttings film reviews interviews profiles features and gossip columns his son Jonathan Croall presents a detailed account of an actor who made a significant contribution to the British film industry of the 20th century

*Stars of the Silent Film Era* Charles River Editors, 2025-05-01 Only a select few actors become international stars in their time but none had as unique a career as Charlie Chaplin Chaplin was the first true film star and he managed to do so even when films were still silent He has been honored with too many awards to count and the fact that his name remains instantly recognizable nearly a century after his first film is a testament to his influence Even today Chaplin s films are arguably more recognizable than those of perhaps any other actor or director everyone is familiar with the famous Tramp costume and persona and even the casual film enthusiast has likely seen films such as *City Lights* 1931 and *Modern Times* 1936 Chaplin is known for the singular blend of pathos and humor evinced by his films and it is not uncommon for audiences to laugh and cry at alternate points of a Chaplin film a trait that continues to endear audiences even to this day For this reason in his review of Stephen Weissman s biography of Chaplin Martin Sieff noted It is doubtful any individual has ever given more entertainment pleasure and relief to so many human beings when they needed it most In the 1920s the burgeoning movie industry was starting to come into its own and alongside actor and director Charlie Chaplin Buster Keaton was at the peak of Hollywood It s no surprise that Keaton was so effective in silent films because he had been practicing comedy in his family s vaudeville acts as *The Little Boy Who Can t Be Damaged* becoming a popular performer by the age of 5 Indeed his physical form of comedy which initially involved having his father throwing him around the stage translated well onto the screen and some of his slapstick and other comic gags remain legendary even today in part because Keaton practiced his own stunts In fact Keaton wrote his own material and was a crucial comic influence on acts like *The Marx Brothers* and *The Three Stooges* Everything about Rudolph Valentino from his body to the characters he played was exotic His career may have been abbreviated by his premature death at the age of 31 but Valentino popularized the somewhat racist stereotype of the Latin lover in Hollywood and even his name was markedly more out of the ordinary than those of other actors In an era dominated by hyper masculine actors like Douglas Fairbanks or comedians such as Charlie Chaplin and Buster Keaton Valentino had a more ethnic and mysterious appeal and he was lusted after by women to a degree that remains unsurpassed in the industry The extent to which he captivated America can be seen in the response to his death after passing away from a perforated ulcer in 1926 Ashton Trice and Samuel Holland note that his funeral was one of the pop culture events of the century and devastated women are alleged to have committed suicide out of heartbreak Of all the great movie stars there may be none

more enigmatic than Greta Garbo who remains internationally famous despite the fact her life and career raise more questions than answers How did a Swedish actress with very little film acting experience in her native land arrive in the United States and achieve instant stardom Most actresses had to wait years before they were offered starring roles in major films yet Garbo was ushered to the front of the line and perched atop the MGM pantheon at a time in which it was the studio par excellence How was she able to transition from silent films to talkies so fluidly giving many of her most decorated performances during the 1930s While stars like Charlie Chaplin never recovered from cinema s transition to synchronized sound Garbo flourished which is made all the more amazing by the fact she had a foreign accent that could easily have alienated American audiences and threatened her career
