will ever remain the lone occupant of the hilltop But He is eager for our companionship He longs for the personal touch He wants us to have all He has got He has blazed a way      Quiet Talks on Following the Christ (Classic Reprint) S. D. Gordon,2015-11-02 Man is God s darling the king and crown of creation The whole creation was made for him to develop and rule over and enjoy He is in a class by himself When he made his bad break there was just one thing left to do God must get a new leader for His man to lead him back into all the original plan for himself Of the whole earth man stood next to God Himself God could not find that leader lower down So He went higher Jesus is God giving the race a new Leader who would withstand the lure of temptation and realize the ambition of God s heart for His darling The man was made in the image of God for self mastery and through self mastery for dominion over all of God s creation That was the plan for the man That too is the plan for the new Man There is only one place to go to find God s plan for the coming One That is in the Hebrew half of the Bible One can hardly believe unless he has been through the thing how hard it is to get out of the Old Testament its vision of the coming One without any coloring from the New getting into his eyes It must be kept keenly in mind that there is a difference between God s plan and that which He knows ahead will occur Sovereignty does not mean that everything God plans comes to pass Nor that everything that comes to pass is God s plan Clearly it has not been so It does mean that through very much that is utterly contrary to His plan He works out in the long run His great purpose He works His own purpose out of a tough tangled network of contrary purposes but in doing it never infringes upon man s liberty of action He yields and bends and with a patience beyond our comprehension waits that in the end He may win through our consent And so not only is His purpose saved but man is saved and character is made in the process The plan is a detail of the purpose There is one unfailing purpose through continual breakings of the plan God s purpose remains unchanging through all changes Yet here not only is His purpose unbroken but His plan is to work out in the end unbroken too though suffering a very serious break midway But if Jesus was to lead man back He must first get alongside close up on the same level This was the toughest part of the whole thing The hardest part in saving a man is getting the man s consent to

be saved There is no task tougher than trying to help a man who thinks he doesn't need help even though his need may be extreme You may throw a blanket over a horse's head and get it out of a burning stable or barn or a lasso over a bull's head to get it where you want but man cannot be handled that way He must be led The tether that draws must be fastened inside his will He must be lifted from inside That is a bit of the God image in him And so God's most difficult task was getting inside the man that had shut Him out Contents A Bit Ahead The Purpose of Jesus The Purpose in Jesus Coming The Plan for Jesus Coming The Tragic Break in the Plan Some Surprising Results of the Tragic Break The Person of Jesus The Human Jesus The Divine Jesus The Winsome Jesus The Great Experiences of Jesus Life The Jordan The Decisive Start The Wilderness Temptation The Transfiguration An Emergency Measure Gethsemane The Strange Lone Struggle Calvary Victory The Resurrection Gravity Upward The Ascension Back Home Again Until Study Notes      **Quiet Talks on Service** Samuel Dickey Gordon, 1906      **Quiet Talks about Jesus** Samuel Dickey Gordon, 1906      **Quiet Talks about the Crowned Christ** Samuel Dickey Gordon, 1914      *Quarterly Review of the Methodist Episcopal Church, South*, 1921      *Catalog of Copyright Entries* Library of Congress.
