Quimper S D 3254 A Saskatchewan Potpourr:

Quimper S. D. #3254 Mary McConville Stensrud,1996 **Prairie People** Robert Collins, 2011-10-12 An intimate look at the people of the prairies in Manitoba Saskatchewan and Alberta who they are how they live what makes them a breed apart The prairies are Robert Collins's spiritual home He was born and raised on a Saskatchewan farm but spent most of his adult life living elsewhere Now he returns to his homeland to pay homage to the special character of the people who live in this unique region of Canada Prairie People is an absorbing combination of stories anecdotes and touches of history told in the voices of ordinary people and linked by the author's own narrative and memories It explores the characteristics that define these people to themselves and to the rest of Canada Prairie people are clearly not all alike city and town dwellers differ from farmers farmers from ranchers and cowboys from oilmen But many of the stereotypes are true They are defiantly pessimistic They believe they are tougher than everybody else They are uncommonly independent and self reliant In this sympathetic yet realistic portrait Collins looks at where the original settlers of the prairies came from He describes how nature shaped them and how hard work through good times and bad toughened them He finds evidence of their legendary friendliness and neighbourliness And he seeks to understand their deep attachment either to the left and right in politics and their unifying distrust of Central Canada Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 Books **in Print** ,1991 Forthcoming Books Rose Arny, 1997
