Smart Mama's Green Guide Jennifer

Taggart,2009-06-24 Parents often feel overwhelmed and defenseless against a never ending recall list of toys and baby products Deciphering unpronounceable chemicals they encounter every day can be daunting if not impossible With environmental exposures being closely linked to 70 percent of birth defects new parents faced with the overwhelming responsibility for their babies health frequently turn to organic products But they quickly find they don t have the time to practice a completely green or natural lifestyle The Smart Mama s Green Guide delivers the information busy parents want and the tools to make informed individual choices without the demand to go all out green Packed with practical tips on eliminating or reducing the hidden dangers of toxic chemicals that lurk everywhere this book will empower readers to control what comes into their homes and make informed decisions instead of relying on government regulation of harmful chemicals

Combating Tobacco Use in Military and Veteran Populations Institute of Medicine,Board on Population Health and Public Health Practice,Committee on Smoking Cessation in Military and Veteran Populations,2009-10-21 The health and economic costs of tobacco use in military and veteran populations are high In 2007 the Department of Veterans Affairs VA and the Department of Defense DoD requested that the Institute of Medicine IOM make recommendations on how to reduce tobacco initiation and encourage cessation in both military and veteran populations In its 2009 report *Combating Tobacco in Military and Veteran Populations* the authoring committee concludes that to prevent tobacco initiation and encourage cessation both DoD and VA should implement comprehensive tobacco control programs *Smoking Cessation Resource Directory* ,1989

Preconceptional Health Promotion Robert C. Cefalo,Merry-K. Moos,1988 This second edition covers preconceptional counseling and health care The first edition was published in 1988 The book provides the health care worker with a thorough guide to be used for counseling women of reproductive age The objectives set forth by the authors have been met The audience is defined as all health careworkers and providers that deal with the woman of reproductive age The author is internationally known and well revered by colleagues in maternal fetal medicine The tables and figures are appropriate This edition has been updated and the references are current The overall appearance of the book is above average The index is extremely helpful This book is useful as a reference when providing patients with preconceptional counseling The book provides counseling data for couples as well as the reproductive age female This edition effectively replaces the first edition Medical bookstores should have this available **Small Press Record of Books in Print** ,1990 *Behavior Modification*

Garry Martin,Joseph Pear,1988 This text offers students personal hands on experience with the principles of behaviour modification and their application to everyday concerns from helping children learn life s necessary skills to solving some of their own personal behaviour problems *Tobacco Use Among United States Racial/ethnic Minority Groups* United States. Department of Health and Human Services,1998 This Surgeon General s report on tobacco use summarizes current information on risk factors and patterns related to tobacco use among members of four major racial and ethnic minority groups in the United States African Americans American Indians and Alaska Natives Asian Americans and Pacific Islanders

and Hispanics In addition this report presents information on national and regional efforts to curtail consumption of tobacco products among members of these four groups Previous Surgeon General s reports on smoking and health have briefly summarized findings related to one or more of the racial ethnic groups covered in this report but this is the first Surgeon General s report to concentrate specifically on the four major racial ethnic groups in the United States Several factors prompted the development of this report First the information in this report has never before been compiled in one source Consequently policymakers community leaders researchers and public health workers have had difficulty determining the extent of the problem identifying gaps in in_ formation regarding tobacco use among members of the four groups or being aware of existing tobacco con_ trol programs that have demonstrated effectiveness Thus incorporating such information into the design and implementation of culturally appropriate services has been difficult Second the four racial ethnic groups currently constitute about one fourth of the population of this country and the Bureau of the Census projects that by 2050 the non Hispanic white population in the United States will total only 53 percent Day 1996 Prevent_ ing health problems related to tobacco use among the individuals in racial and ethnic groups will be integral to achieving U S public health objectives such as those proposed in Healthy People 2000 National Health Promotion and Disease Prevention Objectives U S Department of Health and Human Services USDHHS 1991 1995 National Center for Health Statistics NCHS 1994 This report contributes essential knowledge that must be incorporated into efforts to accomplish the Healthy People 2000 objectives
