written just for me Taking this journey with the author allowed me to deal with what was coming up for me personally and move past those feelings to a place that felt good for me With every page that I read I couldn't believe how I was not only totally enthralled in the author's personal life story but that I was actually also uncovering so much about who I am as a person at my very core It allowed me to discover the parts of myself that I didn't like or accept yet and also how to recognise this in my day to day life I have now learned to accurately identify my feelings in each moment of my day and with some conscious effort also remember to be much more kind and loving towards myself I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul What I have gained from reading it is without a doubt the best gift anyone could ever give
