**Strange Future** Joshua Smith, 2009-06-17 Thomas Gordon's life in the city was going just fine. He had a decent job, a nice condo, and was generally content with life. One day, however, his boss was in a particularly foul mood, and a chain of inexplicable mishaps resulted in Thomas getting fired. Fed up with the world, he begins to search for an escape to a better life. While sitting at the Realtor's office, he stumbles upon a flyer on a bulletin board that asks a simple question: Fed Up? After calling the number on the pull tab, he meets a group of scientists with an interesting proposition: human cryogenic preservation. Thomas and his companions, Vera and Doug, emerge into the strange future of the twenty-third century, a world full of amazing technological advances and equally amazing people. Upon digging a little further below the surface, though, they quickly discover that this future isn't exactly the better world that everyone thought it would be. **KATANAGATARI, Part 3** NISIOISIN, 2020-08-25 Swordless swordsman Shichika and self-described schemer Togame are on a quest to obtain twelve peculiar masterpiece blades. Pitting the former against his sister, who has acquired one of the legendary weapons, and the latter against a rival at court. Princess Negative. This hardcover edition featuring a gatefold color insert, beautiful interior art, and copious bilingual footnotes is the third of a quartet collecting a best-selling series from the former homeland of samurais and ninjas. *The Sixth William* John Neely Davis, 2012 In an Alaskan bar, Creighton Roane watches a TV news story about multiple gruesome murders that have occurred in a mountainous region of Tennessee. He is stunned when he recognizes the murder scene as the Findhorn River and the rugged Arn plateau, his childhood home. Memories stirred by the newscast develop into recurring nightmares as Creighton becomes aware of his own needs to see the mountains of his childhood and of reconciliation with his father. But the Findhorn valley hides whiskey-making murderous clans and revenge killings that span generations. An ancient stone fort sitting on the Arn plateau houses its own mystery of the massacre of the moon-eyed people and of the mentally unstable killer who gives his victims an amulet for their trip to the hereafter. Wrapped around all this is the gut-churning rapids of the Findhorn and the effect it has on those challenging its treacherous waters.

**A Need to Belong** I. F. Rose, 2000-04 From birth, David Rozinsky fought to belong: first within his dysfunctional family, a mother who hated him and favored his twin brother, and a milquetoast father who obediently kept his distance; then, as he matured, for acceptance in the land of his birth, only to find that he must pay for its undeniable freedoms and creature comforts with barbs of intolerance and a threatened loss of identity. When he and his wife finally say enough and emigrate to Israel, the struggle for a place to belong takes on a different reality as they try to adjust to a foreign mentality, and David fights to pierce the bond between ex-army cronies who feel threatened by his talents and special skills. At the end comes the question: Which world will he choose? *Husband Hunters* Rick R. Reed, 2019-10-30 You never know where the love of your life might turn up. When Matt Connelly suggests to his best buddy, Cody Mook, that they head to downtown Seattle to audition for the gay reality TV show *Husband Hunters*, both agree the experience might be a lark and a chance to grab their fifteen

minutes of fame What they don't know is that the show modeled after HGTV's House Hunters will open doors of longing neither expected For Matt the secret love he has long harbored for Cody might be thrust into the spotlight Cody might realize his search for his perfect forever man extends no farther than the man who's always been at his side Husband Hunters promises laughter tears and just maybe a happy ever after Will Cody and Matt's story be one of best friends to lovers or an outright disaster
