Quotable Conservative The Wit And Insight Of Freedoms Most Passionate Advocates:

The Economics of Freedom David F. Rankin, Beth Anne Rankin, 2023-09-25 The United States of America reigns as the most powerful economic nation on the planet That s because our incredible level of freedom has liberated our creative talents empowering us to pursue work innovation and enterprise Modern governments however have departed from this freedom embracing principle and far too many citizens are ready to exchange precious freedom for promised benefits that may or may not appear In this book the authors explore the economics of freedom answering questions such as What policies will reduce our ability to maintain our world leadership position How are individual freedoms increasingly limited What can we do to protect the power pleasure and benefits of freedom The authors also delve into the birth of the nation noting that it s clear that America s founders viewed government as an institution designed to promote life and liberty not to interfere with it This is in striking contrast to the view that citizens exist to support and provide government with the resources to do what it wants to do Discover why capitalism is the soul of America and why we must grasp the impact economic policy has on freedom *Bowker's Best Reference Books: Author index. Title index* ,2005 Contains approximately 20 000 mostly English language sources for academic libraries of all sizes *The Quotable Conservative* ,1996 The Quotable Conservative is a collection of provocative serious and not so serious quotations from today s more prominent conservative politicians businessmen actors authors and pundits Covering every issue from welfare taxes and politics to sports art and religion The Quotable Conservative is a rich resource filled with philosophical inspiration and verbal ammunition **American Book Publishing Record** ,1995 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Subject Guide to Books in Print* ,1997 **Los Angeles Magazine** ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian
