Quran Translation Discourse Texture And Exegesis:

Qur'an Translation Hussein Abdul-Raof,2013-09-05 The Qur'an is read by millions of Muslims on a daily basis yet there is no book available to the reader Arab or non Arab which provides a linguistic and rhetorical insight into Qur'anic discourse This book explains Qur'an translational problems and provides a thorough account of the unique syntactic semantic phonetic prosodic pragmatic and rhetorical features of the Qur'an

Qur'an Translation Hussein Abdul-Raof,2001 The Qur'an is read by millions of Muslims on a daily basis yet there is no book available to the reader Arab or non Arab which provides a linguistic and rhetorical insight into Qur'anic discourse This book explains Qur'an translational problems and provides a thorough account of the unique syntactic semantic phonetic prosodic pragmatic and rhetorical features of the Qur'an

Literary Translation and Cultural Mediators in 'Peripheral' Cultures Diana Roig-Sanz,Reine Meylaerts,2018-07-20 This book sets the grounds for a new approach exploring cultural mediators as key figures in literary and cultural history It proposes an innovative conceptual and methodological understanding of the figure of the cultural mediator defined as a cultural actor active across linguistic cultural and geographical borders occupying strategic positions within large networks and being the carrier of cultural transfer Many studies on translation and cultural mediation privileged the major metropolis of Paris London and New York as centres of cultural production and translation However other cities and megacities that are not global centres of culture also feature vibrant translation scenes This book abandons the focus on innovative centres and imitative peripheries and follows processes of cultural exchange as they develop Thus it analyses the role of cultural mediators as customs officers or smugglers or both in different proportions in so called peripheral cultures and offers insights into an under analysed body of actors and institutions promoting intercultural transfer in often multilingual and less studied venues such as Trieste Tel Aviv Buenos Aires Lima Lahore or Cape Town

New Theory of the Holy Qur'an Translation. A Textbook for Advanced University Students of Linguistics and Translation Ali Alhaj,2015-02-09 Translation is as old as the art of writing or as old as history of education in general It is occasioned by the social needs of people Whenever for instance two linguistic groups interact as neighbors to each other translation from and to each other's languages becomes inevitable if they must

meaningfully communicate with each other in matters of commerce intermarriage education legal issues etc Religious books like those that the Holy Qur'an and the Bible have been facilitating essentially translated to numerous languages in different parts of the world Translation is also regarded as a significant key that connects the literary works of authors from diverse culture It also plays a pivotal role in minimizing the cultural divergences Translation has been widely practiced over the centuries in the world in general and in Arab world in particular The founding mythology and the sacred texts of the dominant religions are all based on translations In short translation has been essential for development and change in literature commerce technology politics so on and so forth

Contemporary Rationalist Islam in Turkey Gokhan Bacik, 2021-07-29 Nineteenth century Istanbul was an intellectual hub of rich discussions about Islam in which leading reformists had a significant role Turkey today appears to be an intellectual vacuum to anyone searching for ongoing critical engagement with Islam The main purpose of this book is to adjust this view of Turkey by showcasing the modern Turkish theologians who challenge mainstream Sunni interpretations of Islam Labelling these theologians as rationalist rather than reformist the author reveals that their theology is inherently anti establishment and thus a religiously oriented challenge to the hegemony of the state sanctioned Islam for the rationalists Turkey's problems have their origins in the Sunni interpretation of Islam Contemporary Rationalist Islam in Turkey analyses nine prominent scholars of Islam who provide a religious opposition to the Sunni revival in Turkey Hseyin Atay Yasar Nuri Zrk M Hayri Kirbasoglu İlhami Gler R İhsan Elia İik mer zsoy Mustafa Zrk İsrail Balci and Mehmet Azimli These scholars writings are almost exclusively published in Turkish so this book makes their ideas available in English for the first time It also examines the scope methodology and argumentation of the scholars theology categorizing their theological interpretations from historicist to universalist and from empiricist to rationalist In identifying a new rationalist school of Turkish theology and outlining its different manifestations the book breaks new ground It fills a significant gap in the literature on Islamic studies and reveals an understudied dimension of Turkey and Turkish Islam beyond the well known ideas of the AKP and the Gulenists

The (Un)Translatability of Qur'anic Idiomatic Phrasal Verbs Ali Yunis Aldahesh, 2021-07-27 Qur'anic idiomaticity in its all aspects poses a great deal of challenge to Qur'an readers learners commentators and translators One of the most challenging aspects of Qur'anic idiomaticity is Qur'anic idiomatic phrasal verbs where significances of proper Arabic verbs are entirely fused with significances of prepositions following them to produce new significances that have nothing to do with the basic significances of those verbs and prepositions By examining a corpus of ten of the most influential English translations of the Qur'an this study scrutinizes how some translators of the Qur'an have dealt with the phenomenon of Qur'anic idiomatic phrasal verbs the difficulties that they have encountered when translating them into English and the strategies that they have employed in their attempts to overcome the inherent ambiguity of such expressions and provide their functional pragmatic equivalents for English readership The study proposes a working model for analysing and assessing the translation

of the Qur'anic idiomatic phrasal verbs and provides a number of theory based recommendations for translators in general and Qur'an translators in particular *Arabic Translation Across Discourses* Said Faiq, 2019-06-13 A rare contribution to global translation as a cross cultural open concept Arabic Translation Across Discourses provides explorations of Arabic translation as an instance of transcultural and translingual encounters transculturating This book examines the application and interrogation of discourses of translation in the translation of discourses religion literature media politics technology community audiovisual and automated systems of communication for translation The contributors provide insights into the concerns and debates of Arabic translation as a tradition with local yet global dimensions of translation and intercultural studies This volume will be of great interest to students and researchers of all translation studies but will also provide a rich source for those studying and researching history geopolitics intercultural studies globalization and allied disciplines

Translating Women Luise von Flotow, Farzaneh Farahzad, 2016-10-04 This book focuses on women and translation in cultures across other horizons well beyond the European or Anglo American centres Drawing on transnational feminist connections its editors have assembled work from four continents and included articles from Morocco Mexico Sri Lanka Turkey China Saudi Arabia Columbia and beyond Thirteen different chapters explore questions around women's roles in translation as authors or translators or theoreticians In doing so they open new territories for studies in the area of gender and translation and stimulate academic work on questions in this field around the world The articles examine the impact of Western feminism when translated to other cultures they describe translation projects devised to import and make meaningful feminist texts from other places they engage with the politics of publishing translations by women authors in other cultures and the role of women translators play in developing new ideas The diverse approaches to questions around women and translation developed in this collection speak to the volume of unexplored material that has yet to be addressed in this field [A CONCISE GUIDE TO THE QURAN: Answering Thirty Critical Questions](#) Dr. A. Investigating the authenticity of the Koran from a mathematical standpoint and a numerical point of view to scientifically and historically verify whether Mohammed wrote the Koran [Tantawi Jawhari and the Qur'an](#) Majid Daneshgar, 2017-08-07 Shaykh an w Jawhar was an Egyptian exegete known for having produced a scientific interpretation of the Qur'an A pioneering scholar in terms of familiarising the people of his time with many previously neglected matters regarding Islam and science his publications shocked the Cairo educational system and other Muslim places of learning in the early twentieth century This book examines the intersection between an w Jawhar and Egyptian history and culture and demonstrates that his approach to science in the Qur'an was intimately connected to his social concerns Divided into three parts part one contains three chapters which each introduce different aspects of an w Jawhar himself The second part explores the main aspects of his tafsir discussing his approach to science and the Qur'an and how he presented Europeans in his tafsir and then addressing the impact of his tafsir on wider Muslim and non Muslim society The third section draws attention to the themes

from all 114 s ras of the Qur n that are discussed within his commentary It then analyses the current status of his views and the post Jawharism perspective on science and the Qur n both today and in an imaginary future in 2154 Providing new English translations of an w Jawhar s work the book delivers a comprehensive assessment of this unique figure and emphasises the distinctive nature of his reading of the Qur n The book will be a valuable resource for anyone studying modern Egypt the Qur n Islam and Science and scientific interpretation and inimitability

Marked Word Order in the Qurān and its English Translations Dr Ahmed Saleh Elimam,2013-10-28 The literature on Balaghah the art of Arabic eloquence and commentaries on the Qur n stress that the style of the Qur n is beautiful eloquent and inimitable This literature identifies word order as one of the most distinctive aspects of Qur nic style One of the main reasons for this is that compared to English Arabic has fewer restrictions on word order thanks to its elaborate verb inflection system and case marking This flexibility allows for the foregrounding of some elements within the sentence resulting in a marked or non canonical word order and fulfilling certain discursive functions including specification restriction emphasis amplification glorification and denial Marked word order is used to highlight or downplay certain elements in speech or writing It constitutes one way of delivering meanings to the addressee as these meanings are ordered in the mind of the speaker in terms of their importance making the style a precise reflection of the speaker s mind and feelings This book is a descriptive study which attempts to examine how translations of the Qur n have handled yahs verses of the Qur n that feature lexical foregrounding focusing on ten published translations into English carried out by translators from different ideological and linguistic backgrounds It offers a systematic comparison of the ways in which the selected translators deal with the linguistic feature of word order variation and examines issues relating to the translator s style Specifically the book identifies and examines the following instances of marked word order discussed by commentators on the Qur n and the function served by each case of lexical foregrounding secondly the options and or patterns employed by translators to render the different functions of marked word order thirdly the recurrent options and or patterns for rendering different types of word order variation Finally the book explores the factors which may have influenced the choice of particular strategies by different translators including the translators motivations and the various historical contexts in which the translations were made
