R C I A The Rites Revisited:

RCIA Sandra DeGidio, 1984-01-01 Language English **Worship in Transition** John Fenwick, Bryan Spinks, 1995-10-01
This much needed study defines and explains the very many changes in liturgy and worship that have swept Christian churches in the twentieth century Students of liturgy and church history have hitherto had to search many different sources and tradition in order to gain an understanding of the revolution in worship that has occurred in the church throughout the world In this work the authors highlight the interdependence of such developments in all the major churches Orthodox Roman Catholic Anglican Protestant and Pentecostal and in places as far apart as Africa Europe India and North America The result is a fascinating and wide ranging study of a subject that touches the lives of all Christians *The Role of the Assembly in Christian Initiation* Catherine Vincie, 1993 The Forum Essays series is a cooperative effort of The North American Forum on the Catechumenate and Liturgy Training Publications The purpose of the series is to provide a forum for exploring issues emerging from the implementation of the order of Christian initiation They are a great resource for anyone involved in initiation ministry and especially for pastors and RCIA directors Committed Worship Donald L. Gelpi, 1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion **The RCIA** Thomas H. Morris, 1989 The most up to date resource book on the RCIA available that offers general guidelines and practical directions on specific areas of pastoral concern **Creating an Effective Mystagogy** Dennis Chriszt, C.P.P.S., 2021-04-07 Creating an Effective Mystagogy looks at the important but often overlooked period of Mystagogy in the Christian initiation process Chriszt looks at some current parish practices of mystagogical catechesis and at the Church's vision of mystagogy and brings them into conversation with each other From there he derives suggestions for current practice *New Catholic World*, 1985 Conversion in the New Testament Richard Peace, 1999 A landmark work in the study of conversion With the tools of scholarship and as a seasoned practitioner Richard Peace explores the New Testament understanding of the turning points of conversion from the night of our captivities to the light of Christ into the church and out to the neighbor in need Our contemporary efforts in evangelism have much to learn from this full orb'd view of conversion Gabriel Fackre on back cover Doors to the Sacred Joseph Martos, 2001 A work of major importance written for an ecumenical audience Doors to

the Sacred is a sweeping and detailed account of the historical and cultural evolution of sacramental rituals and practices Since its initial publication the book has garnered widespread critical acclaim and has become a mainstay not only for students but for all thinking Christians who want to understand the past fully while making their present participation in the sacraments more genuine and intelligent Martos has greatly expanded all of the bibliographic material and has incorporated the latest developments in theological study and inquiry His focus is on the seven ecclesial sacraments of the Catholic Church Baptism Confirmation Eucharist Reconciliation Anointing Marriage and Orders Though based on thorough research and impressive scholarship Doors to the Sacred is written in a lively style that will be welcomed by a general audience Paperback

Revisiting the Idea of Vocation John C Haughey,2004-02 Until recently theologians have been in a deep slumber about the subject of vocations This volume represents one of the first awakenings in the theological community to this subject The ten contributors all theologians at Loyola University Chicago present original essays that explore vocations or callings

Today's Parish ,1985 **The Rites of Christian Initiation** Maxwell E. Johnson,2016-03-24 Originally published in 1999 The Rites of Christian Initiation was hailed for its clarity and comprehensiveness Kallan McDonnell OSB called it the best overall treatment of Christian initiation available and Paul Bradshaw predicted it would be the standard textbook on the subject for very many years to come The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West It is sure to replace itself as the new standard reference on the rites of Christian initiation Maxwell E Johnson's expanded and revised text provides a more complete view of the history and interpretation of the rites in the Eastern Church including two chapters that explore the pre Nicene Eastern and Western traditions in detail Revisiting the theology of baptism this edition also provides more nuanced positions on the Eastern and Western traditions Finally recent liturgical developments in American Protestant churches particularly Lutheran as well as the ongoing development of the RCIA and confirmation practices of Catholics made it necessary to revisit the place and meaning of these rites in the church today Maxwell E Johnson PhD is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America He has published in Worship and is the editor of and contributor to Living Water Sealing Spirit Readings on Christian Initiation Liturgical Press 1995 and the revised and expanded edition of E C Whitaker Documents of the Baptismal Liturgy Liturgical Press and S P C K 2003 to which this study serves as a companion volume *Signs of Freedom* Martinez, German,2003 A comprehensive innovative and coherent vision of the sacraments that takes into account current biblical theological liturgical and ministerial developments and challenges the reader to a new awareness of their spiritual power to transform communities and lives *Living Water, Sealing Spirit* Maxwell E. Johnson,1995 A companion volume essays to the Rites of Christian Initiation above **Celebrating Our Faith** Robert E. Webber,Robert Webber,1986 *Committed Worship: The sacraments of ongoing conversion* Donald L. Gelpi,1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show

how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion **Augustine and the Catechumenate** William Harmless,2014 A simple look at the universality of love A Bibliography of Recent Studies Paul F.
