Gordon, Outta Sight Funk and R B Riffs for Piano Keyboards by Andrew D Gordon is designed to help piano keyboard players improve their playing technique with a wide range of different Funk R B riffs and grooves While living in London during my early 20 s I had the opportunity of developing my Funk R B skills by playing or jamming with musicians of mainly African Jamaican descent 3 to 4 times a week We would jam for hours on end including doing gigs to the early hours of the morning From this experience it is my feeling that it is important to play and learn from other musicians however if one is unable to do so then incorporating this product into your practicing routine is the next best thing By using this book your Funk R B keyboard playing will definitely improve What is Funk Music Funk is an Afro American musical style originated by James Brown and later Sly and the Family Stone emphasizing the rhythm and putting melody and harmony in the background Funk often consists of a complex groove where every instrument is playing a different rhythmic part fitting together like a jigsaw puzzle Entire songs are written without any or minimal chord changes where one or two riffs form the basis of the song as represented by the examples in this book One of the most distinctive features of funk music is the role of the bass line as a foundation with melodic bass lines at the centerpiece of a funk tune The left hand parts in this book capture both the rhythmic and melodic essence of funk bass while the right hand parts capture the percussive syncopated rhythms of funk music similar to what a guitarist may play Funk music uses the same type of extended chords as in jazz including minor chords with added sevenths ninths and elevenths or dominant seventh ninth eleventh and thirteenth chords Each of the 55 examples has been recorded three times 1 The left and right hand parts are played through twice with drums percussion guitars and keyboards at the regular tempo 2 Rhythm tracks at the regular tempo of guitar bass drums percussion to practice the keyboard parts along with 3 Slowed down track of the left right keyboard parts with the drums so that you can precisely hear what the keyboard parts are playing For musicians students who would like extended 2 minute Play A Long tracks for each of the 55 examples ADG Productions offer downloadable mp3 files or MIDI files The Great Drummers R&B Funk & Soul Jim Payne,2010-09-08 This 248 page book is an exciting documentation of the innovative period of the 60s and 70s when the rhythm of popular music was changed forever Featured here are biographies interviews discographies and rare archival photos of more than 20 great drummers of R B funk and soul including the drummers of James Brown Earth Wind and Fire Otis Redding and Sly and the Family Stone the true originators of the modern hip hop beats tell their stories and the history of the funk comes to life Appropriate for music fans of all kinds and all drummers beginners thru advanced African Americans and the Bible Vincent L. Wimbush,2001-01-01 A unique

study of how the Bible constructs African Americans and how African Americans construct the bible From literature and the arts to popular culture and everyday life the Bible courses through black society and culture Despite the enormous recent surge of interest in African American religion scant attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies and also music film dance drama and literature The book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people construct a text It is about a particular socio cultural formation but also about the dynamics that occur in the interrelation between any group of people and sacred texts in general African Americans and the Bible offers a critical lens through which the process of socio cultural formation can be viewed

100 Ultimate Blues Riffs Volume 2 Andrew D. Gordon, It has been over 20 years since I released the first volume of 100 Ultimate Blues Riffs for Piano Keyboards in 1996 my most popular selling book One of the constants has been the continued popularity of my Blues music instructional books for not only piano
