**A Comparative Study of R. K. Narayan and Arundhati Roy: Linguistic and Literary Aspects**

N. Prasanna Lakshmi, 2020-11-23 Broadly speaking Indian English IE is that variety of English used by a large number of educated Indians as a second language Kachru 1983 used the term Indian English for the variety of English used generally in the South Asian countries David Crystal 2003 observes that in India the numbers of English speakers outrank the combined number of speakers in USA and UK A considerable body of creative writing is also produced in English and is increasing steadily Writers like Mulk Raj Anand R K Narayan and Raja Rao and Arundhati Roy have become part of India s literary tradition and they may continue to hold their status in world literature too The use of Indian English in different domains in interaction with other regional languages has resulted in its development and recognition as a distinct variety in its own right It is an attempt to study the styles of two of the prominent writers of Indian English namely R K Narayan and Arundhati Roy by examining the different linguistic and literary aspects as reflected in their selected fictions R K Narayan s *Swami and Friends* SF and *The Guide* TG and Arundhati Roy s *The God of Small Things* GST An examination of selected fictions of the two writers of this study has shown that stylistic analysis can be a rich field of enquiry in Indian English Studies of the present kind can be used as a source material for applied linguistics They can be extended for a comparative study of stylistic traits of Indian writers and non Indian writers The study suggests the possibility of further research in comparative stylistic studies in Indian English fiction on the one hand and American British or Australian fiction on the other Our comparison of the two writers one of the colonial period and the other belonging to the post colonial period suggests that a more extensive stylistic study of Indian writing in English is called for to understand the changing phases of English in the socio cultural ethos of the Indian society The book is organized as follows Chapter I is an introduction to Indian English its importance and the objective of the research Chapter II deals with review of literature on Indian English as well as stylistic studies in Indian English fiction Chapter III is concerned with a brief

introduction to the texts chosen for study Chapter IV discusses the methodology adopted in the study Chapter V deals with the results of the study and makes a comparison between the two authors styles Chapter VI consists of a summary of the research and concludes with suggestions regarding further research needs

**THEMATIC CONCERNS IN THE NOVELS OF R. K. NARAYAN** Dr. Nawkhare Nitin Ramchandra, 2021-05-06 The book is basically a thematic study of R K Narayans novels and a reference to his short stories has been made only in passing The major themes that emerge from Narayans novels are love and marriage or man woman relationship family relationships under scoring the father son relationship socio cultural and political scene of the country during the last fifty years and the Hindu ethos highlighting renunciations as an ideal of the Hindu way of life For the first time the major themes of Narayans novels have been clearly worked out and the identity of Malgudi has been convincingly established by the author

**R. K. Narayan** William Walsh, 1982-11 R K Narayan author of more than a dozen novels and numerous short stories is a writer of international stature Only recently however has he received the critical attention that is his due This lucid and often eloquent study provides both new and devoted Narayan readers with an introduction to his life and work William Walsh who makes generous and apt use of quotations from Narayans work traces Narayans artistic development and brings into clear relief the qualities that characterize his fiction gentle irony humor and a tolerance of human foibles Both a criticism and an appreciation this work will prove valuable to those already acquainted with this delightful and important novelist and will lead others to his work for the first time

**Cultural Imperialism and the Indo-English Novel** Fawzia Afzal-Khan, 2010-11-01 This is a provocative piece of scholarship and it engages an intriguing aspect of postcolonial writing Choice Fawzia Afzal Khan s excellent book could stand as a reply to those hostile critics who today attack multiculturalism for reductively politicizing literature In her trenchant discussion Afzal Khan shows just how complex the politics of liberation can be for colonial and postcolonial novelists Gerald Graff University of Chicago Afzal Khan s study is a major new contribution to the related fields of Indian writing in English and post colonial literatures Focused primarily on four Indian novelists its arguments and conclusions are of vital importance to our understanding of the many new literatures from the former British colonies Through her judicious use of the theoretical constructs of Frantz Fanon Fredric Jameson Edward Said and others Afzal Khan has produced a fresh and compelling interpretation of the Indian English novel Amritjit Singh Rhode Island College Cultural Imperialism and the Indo English Novel focuses on the novels of R K Narayan Anita Desai Kamala Markandaya and Salman Rushdie and explores the tension in these novels between ideology and the generic fictive strategies that shape ideology or are shaped by it Fawzia Afzal Khan raises the important question of how much the usage of certain ideological strategies actually helps the ex colonized writer deal effectively with post colonial and post independence trauma and whether or not the choice of a particular genre or mode employed by a writer presupposes the extent to which that writer will be successful in challenging the ideological strategies of containment perpetuated by most Western orientalist texts and writers She argues that the formal or generic choices of

the four writers studied here reveal that they are using genre as an ideological strategy of liberation to help free their peoples and cultures from the hegemonic strategies of containment imposed upon them. She concludes that the works studied here constitute an ideological rebuttal of Western writers denigrating containment of non Western cultures. She also notes that self criticism as implied in Rushdie's works is not to be confused with self hatred, a theme found in Naipaul's work.

**Indian Literature in English** Satish Barbuddhe, 2007. Most of the papers presented at various national and international seminars. *R. K. Narayan* SARBANI PUTATUNDA, 2012-02-11. Today Indian Writing in English or Indo Anglian Writing has certainly come of age with the novel having a pride of place and names such as Salman Rushdie, V S Naipaul, Vikram Seth, Amitav Ghosh, Kiran Desai and Aravind Adiga prominently figuring in the list. But the credit for placing Indo Anglian writing on a high pedestal should go to earlier writers like Rabindranath Tagore, Mulk Raj Anand, R K Narayan and Raja Rao. Among these R K Narayan is the most celebrated novelist. This edited volume deals with several important Malgudi novels of R K Narayan such as *Swami and Friends*, *The Bachelor of Arts*, *The English Teacher* and *The Guide* and short stories and throws light on various aspects of his creative art. It traces the evolution of all the genres of Indian Writing in English as well as R K Narayan the novelist. The book dwells upon R K Narayan's art of characterization with reference to central male characters, use of humour and the cultural milieu of Malgudi. It also discusses in detail R K Narayan's standpoint regarding the actual social status of Indian women. Finally the book focuses on R K Narayan's use of myths and symbols and shows how these enable him to convey artistically the implication of the experience that forms the base of the novels. The book is meant for the undergraduate and postgraduate students of English Literature. Besides all those readers who wish to delve deeper into the works of R K Narayan will find the book quite useful. *RK Narayan's India: A Perspective* Dr. Kanika K Arya, 2022-12-16. R K Narayan is a writer whose stories have enamoured my soul whether it was the rendition of stories on the audio visual medium or the books that filled my hands and mind with treasures of common and mystical. These stories are created in the simple yet magical world of Malgudi which has a wealth of peculiar characters straight out of a town or village in India. These common folk and their idiosyncrasies amuse and connect us with them in an incomprehensible way. We can analyse ourselves and our imperfections through reading their stories. These stories are a mirror to human frailties thus inspiring us to live rather than always trying to become a better version of ourselves. Ambition, glamour, development, technology, competition to grow big and do big is what has never touched Narayan's stories. His characters live unperturbed in simple villages simply enjoying every morsel and every conversation that comes their way. Indian myths and folklore form the bedrock of his stories. Simply told yet holding didactic messages through symbolic connect to mythology and Vedic and Puranic texts. A Narayan story is a sneak peek into the unpretentious common folk and their life and ambitions. Wish the writer was presenting another story to us where how social media and digitization affects the amusing world of Malgudi would have been a treat to read. This book is an endeavour from my side to write about the contribution of Narayan to Indian

English Literature and attempting a commentary upon some of his remarkable works R.K.
