Kanter, 1975 *The Jewish Law Annual* Bernard S. Jackson, 2023-08-28 Volume 15 of The Jewish Law Annual adds to the growing list of articles on Jewish law that have been published in volumes 1-14 of this series providing English speaking readers with scholarly material meeting the highest academic standards The volume contains six articles diverse in their scope and focus encompassing legal historical textual comparative and conceptual analysis as well as a survey of recent literature and a chronicle of cases of interest Among the topics covered are lying in rabbinical court proceedings unjust enrichment can a witness serve as judge in the same case Caro s Shulham Arukh volume Maimonides Mishne Torah in the Yemenite community the New Jersey eruv wards *Narrative and Document in the Rabbinic Canon: The Two Talmuds* Jacob Neusner, 2010-07-15 The author states in his preface For a thousand years from its earliest documents of the second century to the High Middle Ages Rabbinic Judaism preferred to compose and collect anecdotes not to construct of them sustained and connected biographies This is a study of the inclusion of biographical narratives about sages in some of the components of the unfolding canon of Rabbinic Judaism in the formative age the documents of the first six centuries C E exclusive of the two Talmuds A sage here is defined as a man who embodies the Rabbinic system A sage story then is an anecdote about the life and deeds of a Rabbinic sage A biographical narrative in general is the record of things done on a concrete and specific past tense occasion by named individuals The stories are not told as part of a sustained biographical account of those individuals lives birth to death I am able in this way to correlate the unfolding of the authorized biography in the counterpart Christian one The documentary hypothesis yields the correlation between the advent of the Christian authorized biography and the advent of the sage story in the later documents of the Rabbinic canon **The Origins of the Seder** Baruch M. Bokser, 2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984 **Anti-Judaism and the Gospel of John** Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagagal polemics one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the

Mine and Yours are Hers Ilan, 2018-12-10 This book discusses the interaction between history rabbinic literature and feminist studies Recent approaches to rabbinic literature have overturned the traditional view of these writings and new literary methods were suggested mostly denying them all historical value But rabbinic literature constitutes the main source for the lives of Jews in Palestine and Babylonia during the late Roman period and thus should not be totally rejected This study suggests a new post literary approach i e it discusses the residue of the texts after these have been analyzed and dissected by literary critics But mainly this is a book about women s history adopting many assumptions of feminist criticism about the androcentric nature of all ancient texts and approaches them with due suspicion The Rabbis treated women differently from the way they treated men This resulted in the former s marginalization and manipulation by the texts On the other hand however it created an ironic situation whereby principles useful for the recovery of historical information on women are useless when applied to men This study describes such principles and demonstrates them with the help of many examples

Mine and Yours Are Hers Tăl İlân, This book suggests several methods with which rabbinic sources can be approached in order to obtain information about women s history It is the first feminist book about rabbinic literature which treats the latter as a historical source It contains many examples and discusses for the first time many sources relevant for the issue of women in rabbinics

Nothaft, 2011-10-06 The beginnings of scientific chronology are usually associated with the work of the great Renaissance philologist Joseph Scaliger 1540 1609 but this perspective is challenged by the existence of a vivid pre modern computistical tradition in which technical chronological questions especially regarding the life of Jesus played an essential role Christian scholars such as Roger Bacon made innovative breakthroughs in the field of historical dating by applying astronomical calculations critical exegesis and the study of the Jewish calendar to chronological problems Drawing on a wide selection of sources that range from late antiquity to 1600 this book uses the history of the date of Christ s Passion to shed new light on the medieval contribution to science and scholarship **The Anecdote in Mark, the Classical World and the Rabbis**
