*Tracing Southern Storytelling in Black and White* Sarah Gilbreath Ford, 2014-10-15 Explores how both black and white southern writers such as Joel Chandler Harris Charles Chesnutt Zora Neale Hurston William Faulkner Eudora Welty Ralph Ellison Ellen Douglas and Ernest Gaines have employed oral storytelling in literature *Tracing Southern Storytelling in Black and White* is a study of the historical use of oral storytelling by southern writers in written works In each chapter Sarah Gilbreath Ford pairs a white and an African American writer to highlight points of confluence in black and white southern oral traditions She argues that the connections between white and African American southern writers run deeper than critics have yet explored and she uses textual comparisons to examine the racial mixing of oral culture On porches in kitchens and on the pages of their work black and white southerners exchanged not just stories but strategies for telling stories As a boy Joel Chandler Harris listened to the stories of African American slaves and he devised a framework to turn the oral stories into written ones Harris s use of the frame structure influenced how Charles Chesnutt recorded oral stories but it led Alice Walker to complain that her heritage had been stolen Mark Twain listened to African American storytellers as a child His use of oral dialects then impacts how Ralph Ellison and William Faulkner employ oral storytelling and how Toni Morrison later writes in response to Faulkner The interactions are not linear not a chain of influence but a network of interactions borrowings and revisions Ford s pairings lead to new readings that reveal how the writers employ similar strategies in their narratives due in part to shared historical context While Zora Neale Hurston and William Faulkner for example use oral storytelling in the 1930s to examine the fear of racial mixing Ellen Douglas and Ernest Gaines use it in the 1970s to build bridges between the races Exploring the cultural crossing that occurs in the use of oral storytelling Ford offers a different view of this common strategy in southern narrative and a new perspective on how culture is shared **Rabbits and Dollars**

Job To Solve Ghostly Cases Summary In a quiet neighborhood there is an old house that used to be full of grandeur but is now full of decay and rumors It is surrounded by green hills and softly echoing forests People in the town have been told not to go inside for a long time because of ghost stories and a strange history But Teddy a cute bear with a lot of interest and bravery is drawn to the mystery This is the start of Teddy s Mystery Mansion a story about bravery adventure and the search for the unknown With his soft fur and bright button eyes Teddy goes on an adventure that mixes fate and the supernatural He is drawn to the house not by chance but because he wants to solve the impossible mysteries that are hidden inside Each chapter opens like a flower from the mansion s history showing the world through Teddy s eyes and encouraging conversations that go beyond the spiritual realm In his journey deeper into the house Teddy meets people with different personalities These are spirits trapped in limbo each with a story to tell unspoken grievances and a desire for peace At first these ghostly beings are just scary tales but they join Teddy in his hunt and lead him through secret gardens whispering halls and hallways that look like mazes Their stories are deeply connected to the mystery of the estate Teddy finds keys both real and symbolic that let him into the mansion s scariest hallways He finally learns the truth about the haunting by facing challenges that test his bravery and resourcefulness As he travels his loyalty is put to the test and he learns that bravery isn t being unafraid but having the strength to face your fears He also learns that friendship is eternal and doesn t care about the real or the imaginary At the end of Teddy s trip he has an epiphany that heals the broken souls and frees them from their earthly chains by shining light into the dark house In a moving ending the house goes from being a place of crying and whispers to one of peace and memories Teddy s Mystery Mansion is more than just a story about scary puzzles and bravery from a stuffed animal It s a touching story about kindness understanding and the strong bonds that hold our world together When Teddy gets back home he has learned an important lesson going into the unknown can lead to amazing experiences and facing the dark with a light heart is what real bravery is Chapter 1 What You Hear in the Woods Not far away is the Whispering Woods a beautiful spot where the trees sway softly in the wind and the sun shines brightly This forest isn t like any other The Whispering Woods on the other hand are full of stories secrets and magical hints There are hidden things in the dark and old stories in the trees This magical jungle was home to Teddy a toy bear Unlike other bears Teddy had a brave heart and a never ending desire to go on adventures During a sunny afternoon game of hide and seek with his friends Teddy went deeper into the forest than he had ever been He didn t find the right place to hide instead he found something much more interesting The trees seemed to bend toward him as he went deeper into the forest They shook and mumbled as if they were trying to tell him a story Teddy was drawn to him because he liked to try new things He thought he could almost hear the trees calling him to find out what they were hiding Then as if by magic he saw it a strange house hidden among old trees Its windows looked like eyes and its tall towers stood watch over the sky Teddy found it and it looked like it had been there for hundreds of years The house had an eerie beauty with ivy growing up its stone walls and shadows dancing across its front

The house looked like it was part of the forest and it was hiding secrets that only the bravest people could find Teddy knew this wasn't a normal find because his button eyes were sparkling with excitement and the wind was teasing his soft hair It seemed like every room in this house had a story or two to tell They were magical and exciting stories Teddy who loves to try new things couldn't say no to the offer He was drawn to the house by the way his feet looked like bears He was excited to see what was inside those old walls As Teddy got closer to the front door he noticed that the air was getting colder and the sounds of the forest were becoming quieter Everything in the forest seemed to be holding its breath eager to see what Teddy would do The house stood still in front of him its door slightly open as if to welcome him inside Teddy stopped for a moment thinking what adventures and secrets were inside But soon his desire to explore won out He took a deep breath and pushed the door open He was ready for the most exciting adventure of his life This is where Teddy's journey through the Whispering Woods started This is where the magical and the everyday were mixed where stories were hidden everywhere and where shadows told old secrets Teddy was excited to find out what was hidden behind the walls of the house The sounds of the trees had led him to this wonderful place He was brave and curious about the secrets of the mansion Chapter 2 Welcome to the Front Porch Teddy the cute bear with a spirit for adventure had no idea what was in store for him when he got to the strange house in the Whispering Woods When he bravely walked up to the mansion's front door something wonderful happened The boards under his feet buzzed and squeaked as if they had just woken up after a long sleep to meet him Like the first notes of a new song Teddy saw the sound as a call to start an experience he had always wanted even though it might have scared other people away It got colder around Teddy and there was a light breeze blowing around the porch It was like the house could feel his brave heart and curious mind It was strange for Teddy to see a ghostly figure slowly appear in front of his eyes It wasn't a scary ghost though This ghost on the other hand looked smart and nice like a cat Its eyes sparkled like stars in the night sky and its tail was clear and waved gently This was Sir Whiskers the ghost cat who kept the mansion's secrets safe Sir Whiskers bowed very low to Teddy in a way that didn't make sense This show of respect and hospitality made Teddy feel both humbled and interested Sir Whiskers spoke with a kind and clear voice passing on knowledge and mysteries from the past He talked about hidden passageways and doors that were locked all over the house ready for someone brave enough to find them Teddy was already very interested but hearing what Sir Whiskers said made him even more so It was impossible to say no to the allure of a treasure hunt inside this grand house where each room had its own history and mystery Teddy paid close attention as Sir Whiskers gave him hints and clues Each one added to the bigger picture of the mystery at the house Teddy was shocked by how comfortable the ghost cat seemed to be Because of something about Sir Whiskers Teddy felt like he was meant to be standing on this porch about to start an adventure beyond his wildest dreams It was Sir Whiskers welcome that got people to move to come into a world where the past and the present lived together and stories were everywhere When Sir Whiskers left Teddy became very determined and promised to come back when he needed help He was no longer a toy he

was now a ghost friend an investigator and an explorer He also had stories to tell The porch creaking under Teddy s weight seemed to be the mansion s way of saying Go on I have many stories to tell you The cool air turned into a shiver of excitement This event on the front porch was more than just a bear and a ghost meeting It was the start of an amazing trip With that thought Teddy knew that his next quest would involve more than just finding secret keys and opening doors It was about learning about the people who have lived in the house and how it works on the inside Teddy took a deep breath then walked forward ready to figure out the problems that were there The cat that had open arms for him Sir Whiskers led him in a soft ethereal whisper Chapter 3 The Grand Foyer Teddy the brave and curious stuffed bear walked into the mysterious mansion s beautiful hallway and was quickly surrounded by a sense of mystery and grandeur that he had never felt before The passageway in front of him was huge and scary The ceilings looked like they went up to the sky and shadows moved over the walls as if they were alive Teddy looked like he had gone to a different world where ghosts from the past were everywhere The most interesting things about the long hallway were the pictures that were on the walls of it These paintings were not like other art Instead they were like windows into the mansion s soul each holding a piece of its past happiness and sadness As soon as Teddy saw the first picture something strange happened The picture of a well educated woman smiling softly started to mumble Teddy heard a sound that was both soft and important It sounded like leaves moving in the wind The woman in the picture talked about the mansion s long past of both comedy and tragedy as well as its hidden passageways and stairs When Teddy moved from one picture to the next each one came to life and told Teddy its own story or secret The pictures showed an old man whispering love notes that were buried in the walls of the mansion a little boy telling stories about secret playrooms and tunnels and a brave knight telling stories about wars that were fought and won Each picture not only gave Teddy clues to help him solve the estate s mysteries but it also told him something about the past of the mansion the loves and lives of the people who had lived there before
