Race Ethnicity Sexual Orientation Violent Crime The Realities And The Myths:

Race, Ethnicity, Sexual Orientation, Violent Crime, 1999

Race, Ethnicity, Sexual Orientation, Violent Crime

Nathaniel J. Pallone, 2000 Nine studies by US Canadian and Australian academics are conducted on the following subjects blacks and whites as victims and offenders in aggressive crimes in the US race and the death penalty violent behavior in African American youth a comparison of the behaviors and social environments of offending and non offending African American adolescents identity breakdown and criminality among African Americans moral reasoning among black and white domestic violence offenders fear of crime among Canadian aboriginals rehabilitation programs for Australian aboriginal offenders and violence against gays and lesbians Each study is loaded with statistics and tables preceded by an abstract and followed by a list of references Annotation copyrighted by Book News Inc Portland OR

The Truth Uncovered: Violent Crime and Its Realities Pasquale De Marco, 2025-04-11 In a world grappling with the scourge of violent crime

understanding the factors that shape this societal menace is paramount This comprehensive book delves into the intricate relationship between demographics and violent crime unveiling the realities that often lie hidden beneath the surface Challenging the pervasive shroud of secrecy that has enveloped these issues for decades this book confronts the politically correct narratives that have hindered frank and open discussions It provides a rational foundation for crime prevention and intervention policies guiding readers towards strategies that protect against victimization and inhibit the perpetuation of violence Unveiling the Realities of Violent Crime takes a multifaceted approach exploring the intersections of race ethnicity sexual orientation gender age and socioeconomic status with violent crime It delves into the statistical landscape unmasking the patterns and trends that shape the nature of violence The book delves into the controversial topic of race and crime debunking myths and confronting the realities of racial profiling It examines the influence of socioeconomic factors revealing the deep rooted disparities that contribute to certain communities vulnerability to violence Additionally it explores the restorative justice approach emphasizing the importance of healing and transformation Moving beyond race the book investigates the link between ethnicity and violent crime unraveling the cultural and societal factors that shape patterns of violence within various ethnic groups It recognizes the challenges of immigration and cultural assimilation and advocates for community engagement and understanding Furthermore it sheds light on the unique vulnerabilities faced by the LGBTQ community highlighting the need for inclusive spaces legal protections and advocacy With meticulous precision the book analyzes the dynamics of violence as they relate to gender It exposes the widespread issue of gendered violence delving into domestic violence sexual assault and harassment It underscores the importance of empowering women and promoting gender equality as fundamental steps towards creating a more just and equitable society This comprehensive examination extends to the diverse impacts of violent crime across different age groups It explores the troubling phenomenon of youth violence addressing the root causes and consequences that contribute to this societal challenge The book emphasizes the

significance of school safety and the need for supportive environments that nurture healthy development It also examines the vulnerability of the elderly to abuse advocating for recognition and response to this hidden epidemic The intersection of urban and rural environments with violent crime is also meticulously explored The book unravels the complexities of urban landscapes highlighting the factors that contribute to higher crime rates in certain areas It contrasts these with the unique challenges faced by rural communities emphasizing the importance of community policing and rural development as strategies for enhancing safety Notably the book delves into the intricate relationship between media technology and violent crime It analyzes the potential impact of media portrayals of violence examining the connection between exposure to violent content and aggressive behavior It also explores the role of social media in facilitating cyberbullying and online threats highlighting the need for responsible media representation and ethical considerations If you like this book write a review on google books

Racialization, Crime, and Criminal Justice in Canada Wendy Chan,Dorothy Chunn,2014-04-29 Race still matters in Canada and in the context of crime and criminal justice it matters a lot In this book the authors focus on the ways in which racial minority groups are criminalized as well as the ways in which the Canadian criminal justice system is racialized Employing an intersectional analysis Chan and Chunn explore how the connection between race and crime is further affected by class gender and other social relations The text covers not only conventional topics such as policing sentencing and the media but also neglected areas such as the criminalization of immigration poverty and mental illness

Women Who Perpetrate Relationship Violence Frederick Buttell,Michelle Mohr Carney,2014-06-03 Find out what drives women to violence in their intimate relationships and how to prevent it Women Who Perpetrate Relationship Violence examines the causes and consequences of violence initiated by women against their partners This unique book fills the void of available literature on domestically violent women taking a frank look at the issues surrounding female batterers who are the primary aggressors in their intimate relationships Contributors write candidly about the similarities and differences between violent women and violent men how to develop effective interventions existing theories on the development of abusive behavior in women and society s response to violent women The counseling and psychological community has responded to the problem of domestic abuse and violence against women But very little has been done to address the issues of domestic abuse and violence committed by women Women Who Perpetrate Relationship Violence presents innovative original research that focuses specifically on women as offenders rather than simply adapting programs created for male batterers to women The book includes epidemiological studies secondary analyses personality profiles and a study of women entering a 16 week court mandated batterer intervention program BIP Women Who Perpetrate Relationship Violence examines predictors of intimate violence including antisocial criminal records alcohol abuse and personality disorders associations between interpersonal dependency and violence elevated histrionic narcissistic and compulsive personality traits personality disorders lethal domestic assaults recidivism differences in demographic and psychological variables between

women who complete treatment programs and those who drop out and much more Women Who Perpetrate Relationship Violence is an invaluable professional resource for psychologists social workers and counselors **Bias** Dr. Clifton Wilcox,2011-08-10 There was also a great deal of conflict within the town of Salem Massachusetts Salem was a community in turmoil in 1692 Bad weather reduced harvests An epidemic of small pox had swept through the town Indians renewed attacks on the frontier settlements The townspeople feared that another conflict like the recent King Phillip s War was about to engulf them Also there was great political uncertainty since the King of England had revoked the colony s charter in 1684 The colonists had been without a sanctioned government since they had forced though without bloodshed ejected the King s chosen replacement in 1689 On an ill fated day in 1692 a harmless childhood game set in motion a chain of events that would forever make Salem Massachusetts infamous in American history **Drug Courts in Operation** James Joseph Hennessy,2019-07-18 Examine an innovative strategy for fighting the war on drugs Drug Courts in Operation Current Research provides an in depth look at an increasingly utilized approach to rehabilitating substance abusers Drug courts offer their participants a chance to better themselves by providing support and structure to those that do not have it in their life offering substance abusers a chance to participate in rehabilitation in lieu of incarceration This insightful book examines the history of drug courts as a principal treatment alternative to incarceration outlines the risk factors of children living with drug addicted parents and introduces a program to help strengthen families The book delivers vital information on introducing programs to help prevent narcotic use by children with drug addicted parents the need for cultural and gender specific treatment plans especially in the treatment of women and African American males treatment dosage effects the importance of length of participation to outcomes focus groups designed to help drug court participants with their employment needs predictors of engagement in court mandated treatment programs how legal coercion of high risk patients via the threat of incarceration motivates participants to succeed **Religion, the Community, and the Rehabilitation of Criminal Offenders** Thomas P O'Connor,2013-01-11 Explore the relationship between faith based programs religion and offender rehabilitation This book reports on current research from several disciplines to help the reader understand the nature and impact of the relationship between faith based programs religion and offender rehabilitation Religion the Community and the Rehabilitation of Criminal Offenders is a unique resource there has been very little research published on this important topic President Bush s faith based initiative recognized that religion plays a role in the justice system and corrections that is overlooked but essential it increases the role of community and caring in the system in a unique and important way This pathbreaking book points the way toward a system of faith based programs that are not only effective but also economical as these programs are often staffed by volunteers Religion the Community and the Rehabilitation of Criminal Offenders addresses important questions regarding the importance and effectiveness of faith based rehabilitation programs including What is the relationship between prison religion and offender rehabilitation What motivates inmates to become

involved with religious programs and activities What is the prison chaplain's role in rehabilitation Are certain religious denominations more effective than others in preventing crime delinquency and recidivism How does religious activity help inmates adjust to the prison environment What do inmates have to say about the religious programs they encounter within the system How did Islam develop within American correctional institutions and what changes has the movement gone through in recent years Why do female African American inmates tend to resist conversion to Islam while their male counterparts embrace the Muslim faith in increasing numbers How can sacred texts and social theory be utilized as teaching tools and intervention strategies in the transformation processes of men incarcerated for violent crimes A fascinating study from the Sing Sing prison and more

Treating Substance Abusers in Correctional Contexts Nathaniel J. Pallone, 2003 The papers in this collection present an overview of new and emerging models for treatment of drug involved offenders They explore types of treatment that operate under the surveillance of courts and the criminal justice system from in prison programs to residential substance abuse treatment RSAT and substance abuse treatment SAT programs in the community Topics covered include outcome assessments event history analysis relapse prevention rehabilitation diversion and therapeutic justice

Routledge Handbook on Victims' Issues in Criminal Justice Cliff Roberson, 2017-04-21 The Routledge Handbook on Victims Issues in Criminal Justice is a comprehensive and authoritative handbook on current issues with a distinctive emphasis on the delivery of suitable and effective services The editor provides an introduction and conclusion to the handbook synthesizing original contributions from current leaders in the field surveying victims rights in the United States victim participation in the criminal justice system victims welfare and needs and most notably the services that have been developed in response A section on special populations in the United States brings focus to current and emerging issues faced within the country while a section covering international and transnational victimization explores globalization and the implications of other legal traditions and systems This handbook addresses the crucial and complex topic of victims issues examining both societal and governmental reactions to victims concerns and acquainting readers with the issues that discord may cause and how they affect the provision of services This book will serve as an essential reference for academics and practitioners working with crime victims as well as for students taking courses in victimology criminology sociology and related subjects

Black Intimacies Shirley Ann Hill, 2005 In *Black Intimacies: A Gender Perspective on Families and Relationships* Shirley A Hill applies a gender lens to the multiple systems of oppression that have shaped the lives of African American women and men She challenges the image of a monolithic black population a legacy of the civil rights movement that she argues is impossible to sustain in the postmodern era Through a critique of intersectionality theory Hill examines the ways in which gender has affected experiences of intimacy family relationships child rearing and motherhood for contemporary African Americans Drawing on ethnographic material interviews and scholarly research Hill's work rethinks the cultural and historical definitions of black identity and reconceptualizes the various forms of oppression faced by black

women This book will be useful to students and instructors of African American Studies Gender Studies Sociology Anthropology Marriage and Family and Social Work

Treating Substance Abusers in Correctional Contexts Letitia C Pallone, 2012-10-12 Get the latest information on new and emerging modalities for treating drug involved offenders Treating Substance Abusers in Correctional Contexts New Understandings New Modalities analyzes the shift in policy and attitude away from two decades of the harsh punishment that characterized the war on drugs toward a more treatment oriented medicalization of the problem Edited by Dr Nathaniel J Pallone editor of the Journal of Offender Rehabilitation Haworth the book presents an overview of new and emerging models for treatment of drug involved offenders in a variety of settings An international panel of authors examines the rather treat than fight approach to the war on drugs proposed by the voters of California the Governor and criminal court judges of New York and Gen Barry McCaffrey former Director of the White House Office of National Drug Control Policy Treating Substance Abusers in Correctional Contexts looks at treatment modalities available to offenders inside and outside correctional institutions with community organizations and mental health and social service agencies enlisted in a continuum of care as the courts and criminal justice system provide oversight and often funding The book explores types of treatment that operate under the surveillance of courts and the criminal justice system ranging from in house programs for offenders under confinement in prisons and jails to residential substance abuse treatment RSAT and substance abuse treatment SAT programs in the community Through qualitative exploratory and descriptive studies outcome assessments event history analysis and intensive interviews the book examines recovery relapse prevention rehabilitation diversion therapeutic justice and the impact of prison based substance abuse treatment programs Treating Substance Abusers in Correctional Contexts also examines the impact of deterrence versus rehabilitation on recidivism in the Drug Treatment Alternative to Incarceration Program DTAP in a major metropolitan area criminal violence and drug use in residential treatment facilities Residential Substance Abuse Treatment RSAT programs for young offenders the long term effectiveness of an adult drug court program illicit drug and injecting equipment markets inside English prisons and a clinical case report on children exposed in utero to crack cocaine Treating Substance Abusers in Correctional Contexts New Understandings New Modalities is must reading for graduate and undergraduate courses in criminal justice corrections offender rehabilitation and substance abuse The book is equally valuable as a primary textbook for continuing education coursework for counselors psychologists social workers corrections officers correctional administrators and policymakers

Family Empowerment as an Intervention Strategy in Juvenile Delinquency Richard Dembo,2001 Between 1994 and 1997 arrested youths processed at the Hillsborough County Juvenile Assessment Center Florida and their families had the option of enrolling in a Family Empowerment Intervention program This volume discusses the concept and goals of the program and reports on its long term effects on juvenile offender recidivism and psychosocial functioning The volume was co published simultaneously as Journal of Offender Rehabilitation v 33 no 1 2001 Annotation copyrighted by Book News Inc Portland OR

Transcendental Meditation in Criminal Rehabilitation and Crime Prevention Charles Nathaniel Alexander,2003 This is a collection of papers on the use of Maharishi Transcendental Meditation and TM Sidhi programs to reduce offender recidivism The papers provide a theoretical overview new original research findings and examples of practical implementation Studies covering periods of 1 15 years indicate that employing the Maharishi Transcendental Meditation and TM Sidhi programs may reduce recidivism by 35 50%

Transcendental Meditation® in Criminal Rehabilitation and Crime Prevention Kenneth G Walton,David Orme-Johnson,Rachel S Goodman,2014-01-02 In contrast to the generally dismal results of various approaches to rehabilitation these consciousness based strategies have proven effective in preventing crime and rehabilitating offenders This book will introduce you to a powerful unique approach to offender rehabilitation and crime prevention In contrast to the generally dismal results of most rehabilitation approaches studies covering periods of 1 15 years indicate that this new approachemploying the Maharishi Transcendental Meditation and TM Sidhi programsreduces recidivism from 35 50% Transcendental Meditation in Criminal Rehabilitation and Crime Prevention provides the reader with a theoretical overview new original research findings and examples of practical implementation With this book you will explore what motivates people to commit crimes with emphasis on stress and restricted self development Then you ll examine the results and policy implications of applying these consciousness based techniques to offender rehabilitation and

crime reduction Most chapters include tables or figures that make the information easy to understand Transcendental Meditation in Criminal Rehabilitation and Crime Prevention does not merely review the theory behind this innovative approach to rehabilitation and prevention but also emphasizes the practical value of the programs it describes and reports how techniques and strategies based on Transcendental Meditation have been put to use in a variety of settings This book will familiarize the reader with a rehabilitation approach so universal in its applicability that any adult or juvenile offender can begin it at the point of sentencing during incarceration or at the point of parole the in depth background on adult growth and higher states of consciousness necessary to understand this consciousness based developmental approach the results of empirical studies conducted in prisons around the country with up to 15 years of follow up a preview of how cost effective the rehabilitation program might be implications for public policy and the judicial system including an innovative alternative sentencing program how this approach deals not only with individuals but also with the community as a whole when practiced by a small percentage of the population the TM and TM Sidhi programs may reduce crime in the larger community how these society level prevention programs may prove to be effective in reducing not only school violence in the community but if applied on sufficient scale war deaths and terrorism in the greater society Gay and Lesbian Rights David E.

Newton, 2009-10-27 This thoroughly updated edition provides readers with the background and resources needed to understand one of the greatest civil rights issues of our time When it was first published in 1994 Gay and Lesbian Rights A Reference Handbook was acclaimed in School Library Journal for taking a sober and balanced approach in addressing this emotionally charged and complex topic The new edition shows just how far the nation has come in securing legal protections regardless of sexual orientation and how far we still have to go Gay and Lesbian Rights A Reference Handbook Second Edition provides a history of the gay liberation and gay rights movements in the United States and other parts of the world Maintaining the careful approach of the first edition it addresses a range of current issues from housing and employment discrimination to military service to same sex marriage and adoption laws Wholly rewritten with almost 80 percent new material it is the ideal introduction to one of the most important civil rights issues in the world today **Cruel but Not**

Unusual Ramona Alaggia, Cathy Vine, 2013-05-21 Violence in families and intimate relationships affects a significant proportion of the population from very young children to the elderly with far reaching and often devastating consequences Cruel but Not Unusual draws on the expertise of scholars and practitioners to present readers with the latest research and thinking about the history conditions and impact of violence in these contexts For this new edition chapters have been updated to reflect changes in data and legislation New chapters include an examination of trauma from a neurobiological perspective a critical analysis of the gender symmetry debate a debate that questions the gendered nature of intimate violence and an essay on the history and evolution of the women's movement dedicated to addressing violence against women which advances theoretical developments that remind readers of the breadth of inclusivity that should be at the heart

of working in this field *Criminal Conduct and Substance Abuse Treatment for Adolescents: Pathways to Self-Discovery and Change* Harvey B. Milkman, Kenneth W. Wanberg, 2012-07-23 This Provider's Guide introduces a comprehensive and developmentally appropriate treatment program Pathways for Self Discovery and Change PSDC which provides the specific tools necessary for improving evaluation and treatment of at risk youth a particularly vulnerable patient population in the justice system Using an adolescent focused format this protocol identifies psychological biological and social factors that contribute to the onset of adolescent deviance and establishes guidelines for delivery of a 32 session treatment curriculum designed to rehabilitate both male and female adolescents with co occurring substance abuse and criminal conduct Now in its Second Edition this guide provides treatment practitioners program evaluators and youth services administrators with the most up to date comprehensive and accessible information for the treatment and rehabilitation of juvenile justice clients It is built on theoretical and research advances in the treatment and rehabilitation of juvenile justice clients as well as feedback over the past seven years from PSDC counselees treatment providers and program administrators **Race, Class, Gender, and Justice in the United States** Charles E. Reasons, Darlene J. Conley, Julius Debro, 2002 Substantial introductions to the six sections of 18 readings comprise the textbook Together they introduce the three issues as interrelated instead of separate as most texts and readers treat them Annotation c Book News Inc Portland OR booknews com
