## **Race With Destiny:**

**Race with Destiny** David Poole, 2002-03 In 1992 NASCAR was on the verge of transforming from a strictly Southern rural phenomenon into arguably the new national pastime But the sport was at a crossroads Richard Petty the King of the sport was in his final season Jeff Gordon the future sensation was in his rookie season and still an unknown But the bigger story was a three way battle for one of the closest championship races in the history of the sport There was Davey Allison the young brash star of one of racing s most fabled families and veteran Awesome Bill Elliott the soft spoken Georgian trying to recapture his mid 80 s glory Then there was outsider Alan Kuwicki the college educated Wisconsin native who managed to compete with modest resources but unlimited passion A year later Allison and Kuwicki would be dead both killed in air disasters unrelated to racing This is the remarkable story of their final season one that would change the course of NASCAR history forever David Poole NASCAR beat writer for the Charlotte Observer takes readers into the pits and the garages for this watershed season It s not only the story of a spirited battle between three markedly different men but an inside look at how NASCAR has exploded into the national consciousness *Race with Destiny* David Poole, 2002
