

# Racing Dragsters

**Denny Von Finn**

## Racing Dragsters:

**Tales from a Top Fuel Dragster** Shirley Muldowney, 2013-11-01 Shirley Muldowney not only broke the gender barrier in the National Hot Rod Association in the 1970s but she also completely rewrote the record books in Top Fuel Eliminator drag racing's quickest and fastest category. She was the first woman to receive a Top Fuel license from the NHRA. Between 1977 and 1982 Muldowney won three NHRA Top Fuel championships, the first female ever to win a title in any professional motorsport. She won the prestigious NHRA US Nationals in 1982 and was recently inducted into the International Motorsports Hall of Fame. By the time she retired at the end of the 2003 season, Muldowney had become one of the most recognized and celebrated race car drivers in history. *Tales from a Top Fuel Dragster* is an unabashed collection of stories, anecdotes, and opinions in Muldowney's own unvarnished style of storytelling, laced with her straightforward, take-no-prisoners approach. She has spent her entire lifetime telling it like it is, standing up to the establishment and refusing to do anything other than in her own way. Politically correct? Hardly. Readers are encouraged to strap themselves in when she shares her many tales. It's the whole truth and nothing but the truth, according to the legendary Shirley Muldowney. *Top Fuel Dragsters: Drag Racing's Rear-Engine Revolution* Steve Reyes, 2016 In general terms, drag racing is the fastest form of motor racing within drag racing. Top Fuel is the fastest of the classes. Top Fuel has always been the leading class in terms of technology, cost, excitement, and speed. Over the years, technology has changed greatly. What started out as a flathead engine, four wheels, frame rails, and a steering wheel has morphed into technological wonders producing horsepower figures in the thousands and running supercharged nitromethane cars over the quarter mile in the 4-second range. Industry legend and veteran journalist Steve Reyes was there through all the technological changes; he has the photos, anecdotes, quotes, and tales of the era. He discusses it all, including the experimentation that led to incredibly exciting racing and wild mishaps. Join him in the pages of this book where he shares all the stories of this incredible racing era. *Top Fuel Dragsters* Denny Von Finn, 2007-08-01 Top Fuel drivers and their cars race one on one in a straight line. Drag racing is one of the most popular forms of auto racing, and Top Fuel dragsters are the fastest dragsters around. Young readers will explore the technology that enables a Top Fuel dragster to travel faster than 330 miles per hour. **High Performance** Robert C. Post, 2001 Providing a firsthand history of the sport, this book takes a detailed look at all aspects of drag racing: the sport, the business, and the tracks. The innovations that permitted racers to disprove the laws of physics. 147 halftones. *Racing Dragsters* Angelo G. Resciniti, 1986 **Drag Racing's Exhibition Attractions** Lou Hart, Cory Lee, 2008-05-15 This book showcases photographically the wide variety of cars and drivers that fit into the exhibition theme: the jets, wheelstanders, rockets, and other exhibition vehicles which have thrilled millions of spectators. Their entire basis was who had the fastest vehicle. But in 1959, complaints from other competitors and Detroit automakers got all aircraft-powered dragsters banned, so they became the sideshow attached to the legitimate circus that is drag racing. The Green Monster became the first exhibition car.

exceeding 200 mph everywhere it ran Wanting even more Walt Arfons debuted the first jet powered dragster which became the desire of every fan and promoter throughout the country At virtually the same instant Tom Ivo had Kent Fuller build a four engine dragster and although it was too heavy to be competitive the tire smoke show became arguably the most famous exhibition car in history See Bill Maverick Golden and the Little Red Wagon Wild Bill Shrewsberry s and the Hurst Hemi Under Glass LA Dart and Knott s Berry Wagon Chuck Poole and his Chuckwagon Doug Rose and The Green Mamba plus many more

**Drag Racing in the 1960s** Doug Boyce,2021-03-15 The 1960s were a fascinating decade on the race scene Relive the memories today through this wonderful new book Drag racing has a long and storied history Many have said that the first drag race happened shortly after the second car was made While that may or may not be true racing prior to World War II was mostly centered around dry lake activities and top speed runs After the war drag racing became organized with the formation of the NHRA and during the 1950s many tracks were built across America to accommodate the racers Technology in the 1950s centered on the manufacturers updating old flathead designs into newer overhead valve designs and the horsepower race really started to heat up In many forms of racing the 1960s brought technological evolution The decade began with big engines in even bigger stock chassis and ended with purpose built race only chassis fiberglass bodies fuel injection nitro methane and blowers Quarter mile times that were in the 13 second range in the beginning of the decade were in the 7 second range by the end New classes were formed dedicated cars were built for them and many racers themselves became recognized names in the sports landscape In Drag Racing in the 60s The Evolution in Race Car Technology veteran author Doug Boyce takes you on a ride through the entire decade from a technological point of view rather than a results based one Covered are all the classes including Super Stocks Altered Wheelbase cars which led to Funny Cars Top Fuelers Gassers and more

**American Thunder: The Furious History of American Drag Racing** Pasquale De Marco,2025-04-15 In the heart pounding world of drag racing where speed and adrenaline reign supreme American Thunder The Furious History of American Drag Racing takes you on an exhilarating journey through the evolution of this captivating sport From its humble beginnings on dirt tracks to the modern era of purpose built dragsters this book delves into the history technology personalities and controversies that have shaped drag racing into the spectacle it is today With vivid storytelling and in depth analysis American Thunder captures the essence of drag racing s allure You ll meet the pioneers who laid the foundation from the early hot rod enthusiasts to the legendary drivers who pushed the limits of speed You ll explore the engineering marvels that power these dragsters from the sleek and aerodynamic designs to the cutting edge engines that generate incredible horsepower But drag racing is more than just a sport it is a culture American Thunder takes you inside the unique subculture of drag racing exploring the community of racers fans and enthusiasts who share a passion for speed and adrenaline You ll learn about the rivalries the camaraderie and the lifestyle that make drag racing so much more than just a race This book also delves into the controversies that have surrounded drag racing from safety concerns to environmental

impact and the legal battles that have shaped its history You ll gain a deeper understanding of the challenges and triumphs that drag racing has faced over the years and the resilience of the sport and its passionate community Whether you re a lifelong fan or new to the sport American Thunder offers a comprehensive and engaging look into the world of American drag racing With its captivating stories stunning photography and in depth analysis this book is a must read for anyone who wants to experience the thrill of drag racing and understand its enduring legacy If you like this book write a review on google books

**Hottest Dragsters and Funny Cars** Jim Gigliotti,2007-08-01 Learn about drag racing funny cars and experience what it feels like to spend the day at a drag race Provided by publisher [Superfast Drag Racing](#) J Chris Roselius,2020-01-01 Start your engines and get in gear Exciting photos and facts will have readers turning the pages to discover the history of drag racing what a typical race day looks like and more about the sport **Northern California Drag Racing** Steve

Reyes,2022-05-02 Organized drag racing began in Northern California in 1949 thanks to World War II veterans with a need for speed Towns like Redding Lodi Fresno Bakersfield and Fremont would host their own drag events featuring homebuilt jalopies Anyone with a driver s license and a paid entry fee could participate and as the cars got more sophisticated and faster more and more spectators came to watch the local speed demons By the 1960s a metamorphosis began with the introduction of the slingshot style dragsters For the next 12 years the slingshot dragster was the king of the quarter mile and it made stars of Gary Ormsby Frank Bradley Dennis Baca and James Warren Meanwhile in 1965 a funny new race car challenged The King as it gained popularity in Northern California Leading this funny car charge was a Pennsylvania transplant named Russell James Liberman However the golden years of Northern California drag racing came to an end in the mid 1970s Today only 5 out of 17 drag strips are still open Photographer Steve Reyes journeyed into the world of Northern California drag racing in 1963 as a 15 year old kid Upon seeing an advertisement from the Oakland Tribune that read Come see the nitro powered 200mph slingshot dragsters Reyes and his father made the 23 mile trek to the Fremont drag strip With the noise of high powered engines filling the air Reyes was hooked and made it his duty to capture this one of a kind world on film **Drag Racing's Rebels** Doug Boyce,2023-11-06 Learn the entire fascinating story of the American

Hot Rod Association AHRA in this wonderfully illustrated color history When the National Hot Rod Association NHRA was formed in 1951 by Wally Parks the reasoning for the formation was to create order from chaos by instituting safety rules and performance standards that helped legitimize the sport of drag racing Some organization was certainly necessary A postwar boom in automotive enthusiasm was reaching new heights and Hot Rod magazine and the NHRA were right in the thick of it The NHRA hosted its first drag racing event in 1953 and in 1955 the organization staged its first national event which was simply called The Nationals The AHRA formed in 1956 as an alternative to the NHRA where the drivers voted on the rules rather than sanctioning bodies and tracks and their influence on the sport was felt almost immediately When the NHRA denied the use of nitromethane in 1957 the AHRA approved it When the NHRA banned aircraft powered dragsters in 1961

the AHRA welcomed them When the NHRA said no to the emerging Funny Car in 1965 the AHRA said yes When fans and racers screamed for a heads up Super Stock category in 1968 the AHRA delivered The AHRA was called a rebel association Some say that it was more of an association that got things done to the delight of fans and racers The AHRA was on equal ground with the NHRA by the 1970s drawing enormous crowds and racer entries In this fascinating history veteran author Doug Boyce tells the story of the AHRA the rise the competition the events and the eventual downfall of the organization After AHRA President Jim Tice passed away in 1982 internal fighting for control of the association resulted in its doom Get the whole story here and add this wonderful volume to your drag racing library

**Drag Racing** K. C. Kelley, 2009 Provides comprehensive information on the history the famous faces the design and the performance of the amazing machines behind Drag Racing Provided by publisher

**Collecting Drag Racing Model Kits** Tom Boyd, 2020-08-15 Relive the golden age of drag racing through this exhaustive volume covering the best drag racing model kits of the era Model expert Tim Boyd author of *Collecting Muscle Car Model Kits* turned his attention to the fantastic drag racing model kits available from the late 1950s through today Some racing model kits were actually 3 in 1 kits where the builder assembled the drag race version of the car in lieu of the street or custom version Boyd starts by covering the options collectability variety availability and value of these wonderful kits and then concentrates on the highly detailed drag racing only kits that became available starting in the mid 1960s through today He also shows the differences between original kits older reproduction kits and new reproduction kits that many enthusiasts find at swap meets and online sources today Many of these great kits were from the 1960s an era when building model kits was a widely popular serious hobby similar to video games today Not only was it fun to build the kits but it was also a great way to learn about all the different race classes and categories because there wasn't regular TV or online coverage during that era The artwork on those kits was fantastic and many collectors today seek original kits largely because of it The classes of racing covered are Gassers Rail Dragsters Stocks and Super Stocks Funny Cars Pro Stocks Exhibition Racers and more Drag racing cars designed by model companies that never actually existed are also covered Nostalgia drags are some of the most popular events around the country today People can't get enough of these old race cars that were built in an era when variety innovation and home building ruled the day This book is great for modelers in general model kit collectors and drag racing fans young and old alike

**High Performance** Robert C. Post, 1994 What emerges is a compelling look at the men and women who have devoted their lives to this extraordinary pursuit and a sensitive exploration of their motivations

*Chevy Drag Racing 1955-1980: A Celebration of Bowtie's Success at the Drag Strip* Doug Boyce, 2020-03-15 Relive the glorious first 25 years of Chevy drag racing in this comprehensive and nostalgic history With the introduction of Chevy's OHV V 8 in 1955 the brand's domination on the drag strip immediately snowballed Drag racers loved the compact V 8 It was lightweight revved high and responded like no other engine previously produced to modification Chevy saw a record year in sales in 1955 thanks to a combination of a restyled body and the new mill It was the

age of ingenuity and those who could get their hands on the new engine were swapping it into engine bays that once housed other weaker mills Ford's flathead one that had dominated for so long was rendered obsolete almost overnight Chevy had a winner and dominated the sales charts for years to come Aftermarket manufacturers got on board and offered up all the go fast goodies needed to make Chevy a winner no matter what category they ran From Dragsters to Stock Chevy's success was immediate And it was a long term success thanks to a combination of years of great styling and a vast array of driveline combinations Accomplished racing author Dour Boyce takes a celebratory look at those years of success with a focus on the first 25 years 1955 through 1980 Chevrolets gave rise to such stars as Bill Grumpy Jenkins Jungle Jim Liberman Sneaky Pete Robinson Dyno Don Nicholson Sox Martin Dick Harrell Dave Strickler and many more World champs and fan favorites all drove Chevys The success showed in the record books No brand has won more races and events or has set more national records than Chevrolet And unlike the other manufacturers Ford and Chrysler it was done with little to no factory support Whether you are a hardcore Chevy fan or just love catching up on the history of drag racing during the golden age this nostalgic look at Chevy racing history is sure to entertain for hours on end *Drag Racing* Clausen-Grace,2008-08-01 Describes Drag Racing And Why It Is Only Legal In A Closed Track Provides Information About The History Of The Sport Characteristics Of The Vehicles Important Events And Famous Drivers *Snake Vs. Mongoose: How a Rivalry Changed Drag Racing Forever* Tom Madigan, **Superfast Drag Racing** J Chris Roselius,2020-01-01 Start your engines and get in gear Exciting photos and facts will have readers turning the pages to discover the history of drag racing what a typical race day looks like and more about the sport Drag Racing Lori Polydoros,2013 Describes dragsters and drag racing including safety features and rules governing drag races Provided by publisher

### **Racing Dragsters Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Racing Dragsters has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Racing Dragsters has opened up a world of possibilities. Downloading Racing Dragsters provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Racing Dragsters has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Racing Dragsters. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Racing Dragsters. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Racing Dragsters, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Racing Dragsters has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Racing Dragsters Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Racing Dragsters is one of the best book in our library for free trial. We provide copy of Racing Dragsters in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Racing Dragsters. Where to download Racing Dragsters online for free? Are you looking for Racing Dragsters PDF? This is definitely going to save you time and cash in something you should think about.
