Religion Society And Utopia In Nineteenth Century America

Brett H. Smith

Religion Society And Utopia In Nineteenth Century America:

Religion, Society and Utopia in Nineteenth-century America Ira L. Mandelker, 1984 *American Studies* Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology **The Rise and Fall of the Saturday Globe** Ralph Frasca, 1992 In the postbellum nineteenth century journalism reached larger audiences with more information in less time With the rise of industrialization and mechanization the means of conveying news to the public improved dramatically In 1873 Frederic Hudson one of the nation s first journalism historians predicted that these technological advances would spawn genuinely national newspapers Such publications would be circulated to all parts of the country by means of pneumatic tubes he wrote which could convey newspapers from one coast to the other within three hours The prophesy of compressed air blowing bunches of newspapers across the length and breadth of the country was so far awry that it is amusing to consider today However Hudson s forecast of a national newspaper which seemed just as far fetched in that era of a distinctly provincial press came to fruition in only the following decade As the population soared due in large measure to immigration as urban areas blossomed and as the public became increasingly literate more people turned to newspapers for information about their community and nation It was against this backdrop that the Saturday Globe was born in 1881 From its auspicious infancy in Utica New York the Saturday Globe grew into a major newspaper with nationwide circulation Through its pioneering use of regional editions it became the first truly national newspaper in United States history It served as a unifying force for disparate communities which were constantly being redefined by the expansion of industry and the increase in population The Saturday Globe s readership which peaked at nearly 300 000 was attracted by its stunning artwork its national scope and its charming miscellany of stories In many ways the Saturday Globe was a theoretical forerunner of USA Today Although it eschewed the political partisanship so common among newspapers of the era the Saturday Globe emanated a morally conservative tenor which was sometimes difficult to reconcile with the newspaper s tendency toward sensationalism Relying on many diverse sources Ralph Frasca constructs a comprehensive social history of the Saturday Globe placing it in a larger context by showing how cultural technological economic demographic and journalistic forces in the late nineteenth and early twentieth centuries both created a milieu for the Saturday Globe s inception and success and lead to its demise forty three years later The story of the Saturday Globe offers insight into the processes by which mighty newspapers rise fall and erode into the deepest recesses of time The survival of America s newspapers is just as much a concern now as when the Saturday Globe a mere husk of its former self folded While the Saturday Globe fought a losing battle against imitators and magazines today s newspapers wage a similar war against the

encroachment of the broadcast media The history of the Saturday Globe offers a compelling case study of a major newspaper's rise and fall **That Complex Whole** Lee Cronk, 2019-05-20 Our understanding of the evolution of human behavior has grown enormously over the past few decades and an increasing number of behavioral and social scientists are making use of evolutionary theory in their work to shed light on issues ranging from marriage and parenting to the study of mental illness The success of this research program is three **Moses Levy of Florida** C. S. Monaco, 2015-10 *Gender and Pentecostal Revivalism* Leah Payne, 2015-02-11 This innovative volume provides an interdisciplinary theoretically innovative answer to an enduring question for Pentecostal charismatic Christianities how do women lead churches This study fills this lacuna by examining the leadership and legacy of two architects of the Pentecostal movement Maria Woodworth Etter and Aimee Semple McPherson Labor's Millennium Brett H. Smith, 2010-01-01 Historians have traditionally interpreted the American land grant higher education movement as the result of political and economic forces Little attention has been given however to any explicit or implicit theological motivations for the movement This book tells the story of how the Christian belief of many founders of the University of Illinois motivated their educational theory and practice Constructing a social gospel of labor's millennium their shorthand for God's kingdom being enhanced through agricultural and mechanical education they initially proposed that the university would impart a millenarian blessing for the larger society by providing abundant food economic prosperity vocational dignity and a charitable spirit of sacred unity and public service Rich in primary source research Smith's account builds a compelling case for at least one such institution's adaptation of an inherited evangelical educational tradition transitioning into a new era of higher learning that has left its mark on university life today **An Assassin in Utopia** Susan Wels, 2023-02-07 This true crime odyssey explores a forgotten astonishing chapter of American history leading the reader from a free love community in upstate New York to the shocking assassination of President James Garfield It was heaven on earth and some whispered the devil's garden Thousands came by trains and carriages to see this new Eden carved from hundreds of acres of wild woodland They marveled at orchards bursting with fruit thick herds of Ayrshire cattle and Cotswold sheep and whizzing mills They gaped at the people who lived in this place especially the women with their queer cropped hair and shamelessly short skirts The men and women of this strange outpost worked and slept together without sin they claimed From 1848 to 1881 a small utopian colony in upstate New York the Oneida Community was known for its shocking sexual practices from open marriage and free love to the sexual training of young boys by older women And in 1881 a one time member of the Oneida Community Charles Julius Guiteau assassinated President James Garfield in a brutal crime that shook America to its core An Assassin in Utopia is the first book that weaves together these explosive stories in a tale of utopian experiments political machinations and murder This deeply researched narrative by bestselling author Susan Wels tells the true interlocking stories of the Oneida Community and its radical founder John Humphrey Noyes his idol the eccentric newspaper publisher Horace Greeley founder of the New Yorker and the New York

Tribune and the gloomy indecisive President James Garfield who was assassinated after his first six months in office Juxtaposed to their stories is the odd tale of Garfield's assassin the demented Charles Julius Guiteau who was connected to all of them in extraordinary surprising ways Against a vivid backdrop of ambition hucksterism epidemics and spectacle the book's interwoven stories fuse together in the climactic murder of President Garfield in 1881 at the same time as the Oneida Community collapsed Colorful and compelling *An Assassin in Utopia* is a page turning odyssey through America's nineteenth century cultural and political landscape **Handbook of New Institutional Economics** Claude Ménard, Mary M.

Shirley, 2025-03-17 This Open Access Handbook of New Institutional Economics NIE is a comprehensive reference work providing a unique and timely overview of recent developments and broad orientations in institutional analysis This second edition has been thoroughly updated and extended including 23 new chapters on political and legal institutions organizations and contracts regulation culture methodology and institutional change Chapters have been written by highly respected scientists in the field among them Ronald Coase Douglass North Elinor Ostrom Oliver Williamson and Roger Myerson all Nobel recipients as well as by numerous other foremost NIE specialists at the frontier of NIE research This Handbook gives students and young researchers an introduction to the topic and offers all scholars a reference book for their research It will also be of interest to economists political scientists legal scholars management specialists sociologists and others wishing to learn more about these important subjects and gain insight into progress made by institutionalists from other disciplines

Open access made possible through a generous donation in honor of the Ronald Coase Institute Women, Dissent and Anti-Slavery in Britain and America, 1790-1865 Elizabeth J. Clapp, Julie Roy Jeffrey, 2011-04-21 This volume of eight essays examines the role that religious traditions practices and beliefs played in women's involvement in the British and American campaigns to abolish slavery during the late eighteenth and early nineteenth centuries It focuses on women who belonged to the Puritan and dissenting traditions **The Dawn of the New Cycle** W. Michael Ashcraft, 2002 In considering a group that identified with Victorian American culture and its anxieties while adhering to an occult worldview that most of their contemporaries found strange if not dangerous the book explains why these middle class Americans found Theosophy so persuasive and why they left family and friends behind to take up residence at this California settlement **BOOK JACKET**

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature The

World of Antebellum America Alexandra Kindell, 2018-09-20 This set provides insight into the lives of ordinary Americans free and enslaved in farms and cities in the North and the South who lived during the years of 1815 to 1860 Throughout the Antebellum Era resonated the theme of change migration urban growth the economy and the growing divide between North and South all led to great changes to which Americans had to respond By gathering the important aspects of antebellum Americans lives into an encyclopedia The World of Antebellum America provides readers with the opportunity to understand how people across America lived and worked what politics meant to them and how they shaped or were shaped by economics Entries on simple topics such as bread and biscuits explore workers need for calories the role of agriculture and gendered divisions of labor while entries on more complex topics such as aging and death disclose Americans feelings about life itself Collectively the entries pull the reader into the lives of ordinary Americans while section introductions tie together the entries and provide an overarching narrative that primes readers to understand key concepts about antebellum America before delving into Americans lives in detail

Innerworldly Individualism Adam B. Seligman, 2017-07-12 Innerworldly Individualism looks to colonial history in particular seventeenth century New England to understand the sources of modern nation building Seligman analyzes how cultural assumptions of collective identity and social authority emerged out of the religious beliefs of the first generation of settlers in New England He goes on to examine how these assumptions crystallized three generations later into patterns of normative order forming the foundation of an American consciousness Seligman uses sociological research grounded in early American history as his laboratory and does so in a highly original way Seligman uses Max Weber s paradigm of sociological inquiry to explore how a combination of ideational and structural factors helped to develop modern conceptions of authority and collective identity among New England communities Seligman addresses a number of significant issues including social change the mutual interaction and development of process and structure and the role of charisma in the forging of a social order His book profoundly increases our understanding of the ideological and social processes prevalent in early American history as well as their contemporary influence on civil identity Innerworldly Individualism uniquely intertwines sociological study with cultural history It uses American history to develop and elucidate problems of broad theoretical significance Seligman s argument is bolstered by a close examination of concrete detail His book will be of interest to anthropologists sociologists political theorists and historians of American culture

Shades of Green Ian Frederick Finseth, 2009-01-01 Shades of Green offers a creative reimagining of early and antebellum American literary culture by exploring the complex web of relationships linking racial thought to natural science and natural imagery The book charts a dynamic shift in both polemical and imaginative literature during the century before the Civil War as scientific artistic and spiritual vocabularies regarding nature became increasingly important for authors seeking to mobilize public opinion against slavery or to redefine racial identity Finseth argues that these vocabularies both liberated and constrained antislavery philosophy and more broadly that our understanding of race in early American literature must take

the natural world into account In doing this Finseth fuses a cultural history of the period with fresh readings of such major figures as Ralph Waldo Emerson Harriet Beecher Stowe and Frederick Douglass Drawing on a range of theoretical and disciplinary perspectives including aesthetics anthropology phenomenology and ecocriticism *Shades of Green* demonstrates the agility with which human thought about the natural and the racial leapt across formal epistemological professional and artistic boundaries In this innovative account the politics of race and slavery are shown to have been deeply intertwined with putatively apolitical cultural understandings of the natural world The book will be of value to scholars in a variety of disciplines including American studies African American literary history and environmental philosophy **Voices of**

Antebellum America John A. Wagner,2025-01-09 Uncover the history of Antebellum America through the voices of those who lived it This book analyzes more than 70 primary documents from the antebellum period of American history shedding light on various aspects of life in the USA from 1815 to 1861 From these document excerpts organized into 40 topical sections readers will come away with a first hand account of what life was like in a period characterized by growing political social and economic tensions through exploring documents relating to society economy religion foreign relations war literature and more Documents are supported by commentary biographical profiles a chronology and glossary of terms Connecting the glory of the American Revolution Early National era with the tragedy of the Civil War the antebellum period often receives less attention in history books than either of these major events Yet to understand antebellum America is to gain a fuller picture of American history and the significant events that followed it especially many political and social developments of the early twenty first century This is a key resource for students wanting to delve into the history of this period aided by an expert guide **Social Science and the Cults** John A. Saliba,2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults *Sex Radicals and the Quest for Women's Equality* Joanne Ellen Passet,2003 Passet shows that the majority of correspondents who participated in the sex radical movement resided in the Midwest and the Great Plains states where ideas of individual freedom and sovereignty resonated particularly strongly *The Encyclopedia of Politics and Religion* Robert Wuthnow,2013-12-04 Containing over 200 articles from prominent scholars The Encyclopedia of Politics and Religion examines ways in which politics and religion have combined to affect social attitudes spark collective action and influence policy over the last two hundred years With a focus that covers broad themes like millenarian movements and pluralism and a scope that takes in religious and political systems throughout the world the Encyclopedia is essential for its contemporary as well as historical coverage Special Features Encompasses religions

individuals geographical regions institutions and events Describes the history of relations between religion and politics
Longer articles contain brief bibliographies Attractively designed and produced The Encyclopedia of Politics and Religion will
be invaluable for any library public and academic which serves those interested in politics sociology religious studies
international affairs and history Contents include Abortion Algeria Anabaptists China Christian Democracy Ethnic Cleansing
Gandhi Israel Italy Jesuits Jihad Just War Missionaries Moral Majority Muslim Brethren Temperance Movements Unification
Church War Zionism **Antebellum American Pendant Paintings** Wendy N. E. Ikemoto, 2017-07-06 Antebellum
American Pendant Paintings New Ways of Looking marks the first sustained study of pendant paintings discrete images
designed as a pair It opens with a broad overview that anchors the form in the medieval diptych religious history and
aesthetic theory and explores its cultural and historical resonance in the 19th century United States Three case studies
examine how antebellum American artists used the pendant format in ways revelatory of their historical moment and the
aesthetic and cultural developments in which they partook The case studies on John Quidor's Rip Van Winkle and His
Companions at the Inn Door of Nicholas Vedder 1839 and The Return of Rip Van Winkle 1849 and Thomas Cole's Departure
and Return 1837 shed new light on canonical antebellum American artists and their practices The chapter on Titian Ramsay
Peale's Kilauea by Day and Kilauea by Night 1842 presents new material that pushes the geographical boundaries of
American art studies toward the Pacific Rim The book contributes to American art history the study of a characteristic but as
yet overlooked format and models for the discipline a new and productive framework of analysis focused on the fundamental
yet complex way images work back and forth with one another

Religion Society And Utopia In Nineteenth Century America Introduction

In today's digital age, the availability of Religion Society And Utopia In Nineteenth Century America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion Society And Utopia In Nineteenth Century America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion Society And Utopia In Nineteenth Century America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion Society And Utopia In Nineteenth Century America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion Society And Utopia In Nineteenth Century America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion Society And Utopia In Nineteenth Century America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion Society And Utopia In Nineteenth Century America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion Society And Utopia In Nineteenth Century America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion Society And Utopia In Nineteenth Century America books and manuals for download and embark on your journey of knowledge?

FAQs About Religion Society And Utopia In Nineteenth Century America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion Society And Utopia In Nineteenth Century America is one of the best book in our library for free trial. We provide copy of Religion Society And Utopia In Nineteenth Century America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion Society And Utopia In Nineteenth Century America. Where to download Religion Society And Utopia In Nineteenth Century America online for free? Are you looking for Religion Society And Utopia In Nineteenth Century America PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Religion

Society And Utopia In Nineteenth Century America. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Religion Society And Utopia In Nineteenth Century America are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.
