Remembering The University Of Utah:

Remembering, the University of Utah Elizabeth Haglund, 1981 **Remembering** D. Stephen Lindsay, Colleen M. Kelley, Andrew P. Yonelinas, Henry L. Roediger, III, 2014-11-13 In the 22 chapters in this volume many of the world's foremost memory scientists report on their cutting edge research on the nature of human memory with several chapters reporting new empirical studies that are being published for the first time All the contributions are inspired by the work of Larry Jacoby on human memory with his emphasis on episodic memory that is the processes and mechanisms that enable us to remember our own past experiences In addition the volume reflects Jacoby's appreciation that memory enters into a wide range of psychological phenomena including perceiving attending and performing The stellar list of contributors and the breadth of coverage makes this volume essential reading for researchers and graduate students in cognitive psychology and cognitive neuroscience as well as being a tribute and celebration of the inspirational groundbreaking and ongoing work of Larry Jacoby

Remembering the Forgotten War Michael Van Wagenen, 2012 This book answers the deeper question of how remembrance of the U S Mexican War has shaped the complex relationship between these former enemies now turned friends The distant violence becomes a new lens through which to view today's rivalries and resentments Page 7 Scenes from the High Desert Virginia Kerns, 2010-10-01 If a religion cannot attract and instruct young people it will struggle to survive which is why recreational programs were second only to theological questions in the development of twentieth century Mormonism In this book Richard Ian Kimball explores how Mormon leaders used recreational programs to ameliorate the problems of urbanization and industrialization and to inculcate morals and values in LDS youth As well as promoting sports as a means of physical and spiritual excellence Progressive Era Mormons established a variety of institutions such as the Deseret Gymnasium and camps for girls and boys all designed to compete with more worldly attractions and to socialize adolescents into the faith Kimball employs a wealth of source material including periodicals diaries journals personal papers and institutional records to illuminate this hitherto underexplored aspect of the LDS church In addition to uncovering the historical roots of many Mormon institutions still visible today Sports in Zion is a detailed look at the broader functions of recreation in society **Issues in Immunology Research: 2011 Edition**, 2012-01-09 Issues in Immunology Research 2011 Edition is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about Immunology Research The editors have built Issues in Immunology Research 2011 Edition on the vast information databases of ScholarlyNews You can expect the information about Immunology Research in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Issues in Immunology Research 2011 Edition has been produced by the world's leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can

We Are What We Remember Laura Mattoon D'Amore, Jeffrey Meriwether, 2013-01-16 Commemorative practices are revised and rebuilt based on the spirit of the time in which they are re created Historians sometimes imagine that commemoration captures history but actually commemoration creates new narratives about history that allow people to interact with the past in a way that they find meaningful As our social values change race gender religion sexuality class our commemorations do too We Are What We Remember The American Past Through Commemoration analyzes current trends in the study of historical memory that are particularly relevant to our own present our biases our politics our contextual moment and strive to name forgotten overlooked and denied pasts in traditional histories Race gender and sexuality for example raise questions about our most treasured myths where were the slaves at Jamestowne How do women or lesbians protect and preserve their own histories when no one else wants to write them Our current social climate allows us to question authority and especially the authoritative definitions of nation patriotism and heroism and belonging How do we uncommemorate things that were mis commemorated in the past How do we repair the damage done by past commemorations The chapters in this book contributed by eighteen emerging and established scholars examine these modern questions that entirely reimagine the landscape of commemoration as it has been practiced and studied before

A Newsman Remembered Robert Smith Jordan, 2011-04-12 A Newsman Remembered is not just the story of the life of Ralph Burdette Jordan RBJ or Jock who was a remarkable newspaperman motion picture publicist war correspondent It is also a glimpse into an era of American social and political history that is now unfortunately largely forgotten if not discarded The compelling personalities with whom he engaged Aimee Semple McPherson William Randolph Hearst Louis B Mayer General Douglas MacArthur are but fading memories which this book briefly restores The first half of the 20th century began as an era of optimism that encompassed a belief that working hard along with seizing the main chance would produce social professional and financial success Ralph Jordan certainly exuded that optimism in everything that he encountered in his short life Along with his contemporaries moving into the great largely ill defined middle class was his overarching goal Within this goal family life was an important ingredient for him marriage in his day was still a partnership with clearly defined marital roles and expectations Ralph and Marys marriage reflected that domestic configuration Religious faith if not always observed to the letter also formed an important part of their family life It could not be otherwise for them and those other largely third generation descendants of Mormon pioneers and their non Mormon contemporaries with whom they associated These so

called Mormon second and third generation diasporans were willing even eager to leave behind them the remoteness of what was then described as Zion to seek more promising futures elsewhere retaining as best they could their unique heritage Thus Ralph Jordans story is indeed a life and times story worth telling *The Oral History Reader* Robert Perks, Alistair Thomson, 2015-11-19 The Oral History Reader now in its third edition is a comprehensive international anthology combining major classic articles with cutting edge pieces on the theory method and use of oral history Twenty seven new chapters introduce the most significant developments in oral history in the last decade to bring this invaluable text up to date with new pieces on emotions and the senses on crisis oral history current thinking around traumatic memory the impact of digital mobile technologies and how oral history is being used in public contexts with more international examples to draw in work from North and South America Britain and Europe Australasia Asia and Africa Arranged in five thematic sections each with an introduction by the editors to contextualise the selection and review relevant literature articles in this collection draw upon diverse oral history experiences to examine issues including Key debates in the development of oral history over the past seventy years First hand reflections on interview practice and issues posed by the interview relationship The nature of memory and its significance in oral history The practical and ethical issues surrounding the interpretation presentation and public use of oral testimonies how oral history projects contribute to the study of the past and involve the wider community The challenges and contributions of oral history projects committed to advocacy and empowerment With a revised and updated bibliography and useful contacts list as well as a dedicated online resources page this third edition of The Oral History Reader is the perfect tool for those encountering oral history for the first time as well as for seasoned practitioners

Nowhere to Remember Laura Arata, David W. Harvey, 2021-06-22 There wasn't that many people but they were good people Madeline Gilles First time I ever tasted cherries or even seen a cherry tree was in White Bluffs Or ever ate an apricot or seen an apricot It was covered with orchards and alfalfa fields Leatris Boehmer Reid Euro American Priest River Valley settlers turned acres of sagebrush into fruit orchards Although farm life required hard work and modern conveniences were often spare many former residents remember idyllic close knit communities where neighbors helped neighbors Then in 1943 families received forced evacuation notices Fruit farmers had to leave their crops on their trees And that was very hard on them no future no money they moved wherever they could get a place to live Catherine Finley recalled Some were given just thirty days and Manhattan Project restrictions meant they could not return Drawn from Hanford History Project personal narratives Nowhere to Remember highlights life in Hanford White Bluffs and Richland three small agricultural communities in eastern Washington's mid Columbia region It covers their late 1800s to early 1900s origins settlement and development the arrival of irrigation dependence on railroads Great Depression struggles and finally their unique experiences in the early years of World War II David W Harvey examines the impact of wagon trade steamships and railroads grounding local history within the context of American West history Robert Franklin details the tight bonds between early residents as they labored

to transform scrubland into an agricultural Eden Laura Arata considers the early twentieth century experiences of women who lived and worked in the region Robert Bauman utilizes oral histories to tell forced removal stories Finally Bauman and Franklin convey displaced occupants reactions to their lost spaces and places of meaning and explore ways they sought to honor their heritage

Remembering Iosepa Matthew Kester, 2013-06-20 Remembering Iosepa connects the story of Iosepa a 19th century community of Native Hawaiian migrants to the Salt Lake Valley with the vibrant and growing community of Pacific Islanders in the Great Basin today

Embattled Memories Suhi Choi, 2014-05-07 The Korean War has been called the forgotten war not as studied as World War II or Vietnam Choi examines the collective memory of the Korean War through five discrete memory sites in the United States and South Korea including the PBS documentary Battle for Korea the Korean War Memorial in Salt Lake City and the statue of General Douglas MacArthur in Incheon South Korea She contends that these sites are not static rather they are active places where counter memories of the war clash with the official state sanctioned remembrance Through lively and compelling analysis of these memory sites which include two differing accounts of the No Gun Ri massacre contemporaneous journalism and oral histories by survivors Choi shows diverse narratives of the Korean War competing for dominance in acts of remembering Embattled Memories is an important interdisciplinary work in two fields memory studies and public history from an understudied perspective that of witnesses to the Korean War

Queerly Remembered Thomas R. Dunn, 2016-10-03 An interdisciplinary examination of the strategies GLBTQ communities have used to advocate for political social and cultural change Queerly Remembered investigates the ways in which gay lesbian bisexual transgender and queer GLBTQ individuals and communities have increasingly turned to public tellings of their ostensibly shared pasts in order to advocate for political social and cultural change in the present Much like nations institutions and other minority groups before them GLBTQ people have found communicating their past s particularly as expressed through the concept of memory a rich resource for leveraging historical and contemporary opinions toward their cause Drawing from the interdisciplinary fields of rhetorical studies memory studies gay and lesbian studies and queer theory Thomas R Dunn considers both the ephemeral tactics and monumental strategies that GLBTQ communities have used to effect their queer persuasion More broadly this volume addresses the challenges and opportunities posed by embracing historical representations of GLBTQ individuals and

communities as a political strategy Particularly for a diverse community whose past is marked by the traumas of the HIV AIDS pandemic the forgetting and destruction of GLBTQ history and the sometimes divisive representational politics of fluid intersectional identities portraying a shared past is an exercise fraught with conflict despite its potential rewards Nonetheless by investigating rich rhetorical case studies through time and across diverse artifacts including monuments memorials statues media publications gravestones and textbooks *Queerly Remembered* reveals that our current queer turn toward memory is a complex enduring and avowedly rich rhetorical undertaking *Transforming Memories in Contemporary Women's Rewriting* L. Plate, 2010-12-08 Including topics as diverse as feminism and its relationship to the marketplace plagiarism and copyright silence and forgetting and myth in a digital age this book explores the role of rewriting within feminist literature from the 1970s onwards in relation to the theme of cultural memory *Handbook of Landscape Archaeology* Bruno David, Julian Thomas, 2016-06-03 Over 80 archaeologists from four continents create a benchmark volume of the ideas and practices of landscape archaeology covering the theoretical and the practical the research and conservation and encasing the term in a global framework
