Santanoni From Japanese Temple To Life At An Adirondack Great Camp:

Santanoni Robert Engel, Howard Kirschenbaum, Paul Malo, 2000-04 Santanoni Robert Engel, Howard Kirschenbaum, Paul Malo, 2000 When sixteen year old Hope and her aunt move from Brooklyn to Wisconsin to work as waitress and cook in the Welcome Stairways diner they become involved with the diner owner s political campaign to oust the town s corrupt mayor **In the Adirondacks** Matt Dallos, 2023-03-28 An immersive journey into the past present and future of a region many consider the Northeast s wilderness backyard Out of all the rural areas of the United States including those in the West which are bigger and propped up by more pervasive myths about adventure and nation and wilderness and freedom the Adirondacks has accumulated a well known identity beyond its boundaries Untouched unspoiled it is defined by what we haven t done to it Combining author Matt Dallos s personal observations with his thorough research of primary and secondary documents In the Adirondacks rambles through the region to understand its significance within American culture and what lessons it might offer us for how we think about the environment In vivid prose Dallos digs through the region s past and present to excavate a series of compelling stories and places a moose named Harold a hot dog mogul s rustic mansion an ecological restoration on an alpine summit a hermit who demanded a helicopter ride and a millionaire who dressed up as a Native American to rob a stagecoach Along the way Dallos listens to locals and tourists visits wilderness areas and souvenir shops and digs through archives in museums and libraries In the Adirondacks blends lively history and immersive travel writing to explore the Adirondacks that captivated Dallos s childhood imagination while presenting a compelling and entertaining story about America s largest park outside of Alaska The result is an inquisitive journey through the region s bogs and lakes and boreal forests and the lives of residents and tourists Dallos turned toward the region to understand why he couldn t shake it from his mind What he learned is that he s not the only one In the Adirondacks explores the history and future of the most complicated contested park in North America raising important questions about the role of environmental preservation and the great outdoors in American history and culture **The Black Woods** Amy Godine, 2023-11-15 Winner of the Charles A Weyerhaeuser Forest History Society Book Award The Black Woods chronicles the history of Black pioneers in New York s northern wilderness From the late 1840s to the 1860s they migrated to the Adirondacks to build the farms that helped them meet a 250 property requirement imposed on Black New York voters in 1821 Abolitionist Gerrit Smith gifted 120 000 acres to 3 000 landless Black New Yorkers with the support of Frederick Douglass John Brown and other abolitionists His prescient plan enacted affirmative action and distributive justice But when most of his grantees did not move north Smith s interest cooled He would not visit Timbuctoo Freeman s Home or Blacksville The settlers were on their own In The Black Woods Godine revives this history with stirring stories of frontier life and racial justice She puts the vote seeking Black pioneers at the heart of the Adirondack narrative At long last their shaping role has been reclaimed **A Wild Idea** Brad Edmondson, 2021-05-15 A Wild Idea shares the complete story of the difficult birth of

the Adirondack Park Agency APA The Adirondack region of New York's rural North Country forms the nation's largest State Park with a territory as large as Vermont Planning experts view the APA as a triumph of sustainability that balances human activity with the preservation of wild ecosystems The truth isn't as pretty The story of the APA told here for the first time is a complex troubled tale of political dueling and communities pushed to the brink of violence The North Country's environmental movement started among a small group of hunters and hikers rose on a huge wave of public concern about pollution that crested in the early 1970s and overcame multiple obstacles to save the Adirondacks Edmondson shows how the movement's leaders persuaded a powerful Governor to recruit planners naturalists and advisors and assign a task that had never been attempted before The team and the politicians who supported them worked around the clock to draft two visionary land use plans and turn them into law But they also made mistakes and their strict regulations were met with determined opposition from local landowners who insisted that private property is private A Wild Idea is based on in depth interviews with five dozen insiders who are central to the story Their observations contain many surprising and shocking revelations This is a rich exciting narrative about state power and how it was imposed on rural residents It shows how the Adirondacks were saved and also why that campaign sparked a passionate rebellion *Adirondack Life*, 2001 *Contested Terrain* Philip G. Terrie, 2008-06-27 *Contested Terrain* explores the competing understandings of how best to manage this spectacular natural resource Terrie introduces the key players and events that have shaped the region and its use from early settlers and loggers to preservationists year round residents and developers This new edition includes a comprehensive account of the Pataki years an era of stunning conservation triumphs combined with unprecedented pressures on the region's ecological integrity

Cultural Landscapes Richard W. Longstreth, 2008 Preservation has traditionally focused on saving prominent buildings of historical or architectural significance Preserving cultural landscapes the combined fabric of the natural and man made environments is a relatively new and often misunderstood idea among preservationists but it is of increasing importance The essays collected in this volume case studies that include the Little Tokyo neighborhood in Los Angeles the Cross Bronx Expressway and a rural island in Puget Sound underscore how this approach can be fruitfully applied Together they make clear that a cultural landscape perspective can be an essential underpinning for all historic preservation projects Contributors Susan Calafate Boyle National Park Service Susan Buggy U of Montreal Michael Caratzas Landmarks Preservation Commission NYC Courtney P Fint West Virginia Historic Preservation Office Heidi Hohmann Iowa State U Hillary Jenks USC Randall Mason U Penn Robert Z Melnick U of Oregon Nora Mitchell National Park Service Julie Riesenweber U of Kentucky Nancy Rottle U of Washington Bonnie Stepenoff Southeast Missouri State U Richard Longstreth is professor of American civilization and director of the graduate program in historic preservation at George Washington University

Adirondack Camps Craig A. Gilborn, 2000 A comprehensive social and architectural history of camps in the Adirondacks from primitive bark shanties and cabins of trappers loggers and guides to the great

camps where the rich played at roughing it in the company of servants and personal guides New York State Conservationist ,2001 **The Conservationist** ,2000 *Ah, Wilderness!* Pierre de la Ruffinière Du Prey,Dorothy Farr,Agnes Etherington Art Centre,2004 **Subject Guide to Books in Print** ,2001 *White Pine Camp* Howard Kirschenbaum,2018-07 Adirondack Great Camps Brian Alan Beadles,2001 *Kamp Kill Kare* Roy Wires,2005-08 This book is written about the Wires family who lived year round for ten years at Kamp Kill Kare one of the few remaining Adirondack Great Camps It relates how they dealt with living back in the deep woods and how they adapted to the changing seasonal environment The stories of deer and other wildlife will heighten your appreciation for the Adirondack Mountains A first hand perspective brings a never before seen overview of Kamp Kill Kare and the surrounding wilderness A variety of the author s original photographs assist in documenting this accounting This is a rare Adirondack history book and is more than an enjoyable read This is a book you will turn to time and again William J O Hern Adirondack Books *Great Camps of the Adirondacks* Harvey H. Kaiser,1982 The author does a thorough job in explaining the beginnings of rustic architecture and why it has a permanent place in the culture The mix of social background and the history of the early Adirondack camps provides a designers guidebook **White Pine Camp** Howard Kirschenbaum,2018 A History of Camp Santanoni, the Adirondack Retreat of Robert C. Pruyn Robert W. Engel,1996 *Adventures in the Wilderness, Or, Camp-life in the Adirondacks* William Henry Harrison Murray,Harry Fenn,1869 *Adventures in the Wilderness Or Camp Life in the Adirondacks* by Harry Fenn first published in 1869 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it
