Grace and Other Stories Bongani Sibanda, 2016-11-02 This collection of short stories explores the survival of the fittest in the hardship and poverty of a remote village in Matabeleland Bongani Sibanda draws his characters and their situations with a sardonic eye and caustic humour Sibanda satirises churches which enrich their leaders with the tithes of the poor and draws our attention to self proclaimed pastors who use the gospel of nationalism and patriotism to persuade their congregants to desist from supporting opposition politics The church is also a source of the villagers weekly entertainment with its cleansing ceremonies and the interrogation of witches belief has a place but so too does theatre Patriarchy family hierarchies and the traditional position of women and children all fall under Sibandas wry but compassionate scrutiny We feel an intimacy with the villagers as we learn about how they cope with no self pity little ambition but a fierce determination to survive
