## **Secular Miracle Religion Politics And Economic Policy In Iran:**

*The Secular Miracle* 'Alī Rāhnamā, Farhād Nu'mānī, 1990      **The Secular Miracle** 'Alī Rāhnamā, 1990      **Iran's Political Economy since the Revolution** Suzanne Maloney, 2015-08-20 This book provides a comprehensive overview of Iran's political economy since the 1979 revolution and examines the country's energy sector      Superstition as Ideology in Iranian Politics Ali Rahnema, 2011-06-06 A superstitious reading of the world based on religion may be harmless at a private level yet employed as a political tool it can have more sinister implications As this fascinating book by Ali Rahnema a distinguished Iranian intellectual relates superstition and mystical beliefs have endured and influenced ideology and political strategy in Iran from the founding of the Safavid dynasty in the sixteenth century to the present day As Rahnema demonstrates through a close reading of the Persian sources and with examples from contemporary Iranian politics it is this supposed connectedness to the hidden world that has allowed leaders such as Muhammad Reza Shah Pahlavi and Mahmud Ahmadinejad to present themselves and their entourage as representatives of the divine and their rivals as the embodiment of evil      **Iran's Struggle for Economic Independence** Evaleila Pesaran, 2011-04-25 It is often assumed that Iran must necessarily submit to the forces of globalization and liberalize its economy but the country's ruling elites have continued throughout the post revolutionary era to resist these pressures for neo liberal economic reform seeking to survive in the battlefield of today's globalizing economy whilst remaining loyal to their own rules of engagement This book analyzes the dynamics of economic reform in the Islamic Republic of Iran as they have played out in this post revolutionary struggle for economic independence from 1979 up to the present day It shows how although some groups within the Iranian elite are in favor of opening up the economy to the inflow of foreign capital believing that lasting independence requires economic growth powered in part by investment from abroad others argue that such economic liberalization might endanger Iran's national interests and put the survival of the post revolutionary regime at risk By examining the political causes of the ongoing tug of war that has taken place between these two sides of reform and counter reform this book provides a new approach to understanding the complex process of economic policy making in the Islamic Republic of Iran which will be relevant to future examinations of the political economy of the Middle East      *Islam and Dissent in Postrevolutionary Iran* Behrooz Ghamari-Tabrizi, 2008-04-08 The Iranian revolution of 1979 overhauled not only the foundations of Iranian society religion and politics but also our understanding of the role of religion in modern government Here Behrooz Ghamari Tabrizi takes us on an enlightening journey showing that the revolution unintentionally opened up the public sphere to competing interpretations of Islam Far from being the exclusive preserve of high ranking seminarians as before in contemporary Iran lay theologians intellectuals lawyers and social activists are active and influential interlocutors in debates on the meaning of Islam A key figure is philosopher Abdolkarim Soroush a leading force behind Iran's pro democracy movement and vocal critic of the state Through a close reading of Soroush's writings and by tracing the links between Muslim intellectual critique and

the realpolitik of postrevolutionary power struggles Ghamari Tabrizi offers nothing less than a pathbreaking reassessment of the Iranian revolution With powerful insights Islam and Dissent is essential for an understanding of the Muslim world today as of the new relationships between religion politics and democracy visible across the globe Islam and politics a very important topic especially re Iran Soroush is a key figure in Iran and in Middle East generally This title is recommended by star academics in the field of Islam and politics

**Nomads in Postrevolutionary Iran** Lois Beck,2014-09-19 Examining the rapid transition in Iran from a modernizing westernizing secularizing monarchy 1941 79 to a hard line conservative clergy run Islamic republic 1979 this book focuses on the ways this process has impacted the Qashqa i a rural nomadic tribally organized Turkish speaking ethnic minority of a million and a half people who are dispersed across the southern Zagros Mountains Analysing the relationship between the tribal polity and each of the two regimes the book goes on to explain the resilience of the people s tribal organizations kinship networks and politicized ethnolinguistic identities to demonstrate how these structures and ideologies offered the Qashqa i a way to confront the pressures emanating from the two central governments Existing scholarly works on politics in Iran rarely consider Iranian society outside the capital of Tehran and beyond the reach of the details of national politics Local level studies on Iran accounts of the ways people actually lived are now rare especially after the revolution Based on long term anthropological research Nomads in Postrevolutionary Iran provides a unique insight into how national level issues relate to the local level and will be of interest to scholars and researchers in Anthropology Iranian Studies and Middle Eastern Studies

**Power, Islam, and Political Elite in Iran** Eva Rakel,2008-11-30 The Iranian Islamic revolution brought about a political system based on a combination of state institutions that derive their legitimacy from Islamic law and republican institutions legitimized by the people As there are no legal political parties in the Islamic Republic of Iran political factions represent the varying ideological and material interests of members of the political elite and their supporters This book analyzes the rivalries between the political factions and their related state institutions and the impact of the dynamics of factionalism on domestic economic and socio cultural and foreign policy formulation It shows that tensions inherent to the structure of state institutions and factional rivalries slow down the process of democratization and economic reforms in the Islamic Republic of Iran

Nakanishi,2014-06-29 This study examines the collective progression of Islamic politics between points of dissent and positions of power It brings about a more a serious understanding of Islamic politics by critically tracing the pathways by which Islamic politics has been transformed in the Middle East and Asia      *Marxist Historiographies* Q. Edward Wang,Georg G. Iggers,2015-07-16 Marxist Historiographies is the first book to examine the ebb and flow of Marxist historiography from a global and cross cultural perspective Since the eighteenth century few schools of historical thought have exerted a more lasting impact than Marxism and this impact extends far beyond the Western world within which it is most commonly analysed Edited by two highly respected authors in the field this book deals with the effect of Marxism on historical writings not only in parts of Europe where it originated but also in countries and regions in Africa Asia North and South America and the Middle East Rather than presenting the chapters geographically it is structured with respect to how Marxist influence was shown in the works of historians in a particular area This title takes a dual approach to the subject some chapters are national in scope addressing the Marxist impact on historical practices within a country whereas others deal with the varied expressions of Marxist historiography throughout a wider region Taking a truly global perspective on this topic Marxist Historiographies demonstrates clearly the breadth and depth of Marxism s influence in historical writing throughout the world and is essential reading for all students of historiography      **The Baha'is of Iran** ,      The Baha'is of Iran Dominic Parviz Brookshaw,Seena B. Fazel,2012-10-02 The Baha i community of Iran is the country s largest non Muslim religious minority This collection of essays presents a comprehensive study of the social and historical development of the Baha i community and its role in shaping modern Iran Central to this study is the pioneering character of the Baha i community in the late 19th and early 20th century with chapters examining the role of women in the Baha i community the impact of Baha i run schools on Iranian society Baha i contributions to public health initiatives and the influence of Baha i thought and the actions of individual Baha is on the Constitutional Revolution of 1906 1911 Conversion to the Baha i Faith is another important theme as contributors investigate the phenomenon of large scale conversion to the Baha i Faith from the Jewish and Zoroastrian communities Finally although persecution of the Baha is has drawn the attention of the Western media until now few scholars working in the field of Iranian studies have chosen to write on the history or details of this persecution Here five prominent figures in the field redress this balance and look at different aspects of this persecution including its historical background the attitude of secular Iranians persecution before and after the Islamic Revolution of 1979 and human rights perspectives This book will be of interest to students and scholars of Iranian studies Middle Eastern studies and comparative religion and with many chapters authored by leading academics in Iranian studies The Baha is of Iran addresses both a gap in academic literature on the Baha i Faith and in the study of modern Iran in general      *Israel and the Cold War* Howard A. Patten,2013-02-12 In the wake of its creation in 1948 the state of Israel was confronted with the challenge of establishing foreign relations with key

players in the region in the face of opposition from most of the Arab states Howard Patten explores the genesis and development of Israel's foreign relations with Iran Turkey and Ethiopia known as the Policy of the Periphery Highlighting the pragmatism and Realpolitik at the heart of this policy Israel and the Cold War analyses the national interests and mutual concerns which shaped relations and strategy at the United Nations during the critical moments of the establishment of the State of Israel and the following forty years before the ramifications of the Iranian Revolution became apparent During this period Israel made efforts to create pragmatic alliances behind closed doors at the UN even as ambivalence and hostility reigned in the public sphere Patten thus examines the implications that the Cold War system of ideological combat had on these attempts to maintain implicit yet cordial understandings as world events such as the Suez Crisis of 1956 successive crises over Cyprus and the Ethiopian and Iranian Revolutions tested the Policy of the Periphery Israel and the Cold War traces the development of Israel's relations with these three states from their initial beginnings to consolidation then rejection and subsequent efforts to realign Patten highlights the extensive diplomatic and military reverberations that occurred throughout the region and the way in which these were played out at the UN Based primarily on UN documents this book is a vital primary resource for those researching the period in question and the formulation of foreign policy in the Middle East
