Secular Humanism

Paul Kurtz

Secular Humanism:

What is Secular Humanism? Paul Kurtz, 2007 Philosopher Paul Kurtz describes the many ways in which secular humanism's scientific philosophical and ethical outlook has exerted a profound influence on civilization from the ancient world to the present *In Defense of Secular Humanism* Paul Kurtz, 2010-09-09 A spirited defense of secular humanism against fundamentalist critics **Life After Faith** Philip Kitcher, 2014-10-28 Although there is no shortage of recent books arguing against religion few offer a positive alternative how anyone might live a fulfilling life without the support of religious beliefs This enlightening book fills the gap Philip Kitcher constructs an original and persuasive secular perspective one that answers human needs recognizes the objectivity of values and provides for the universal desire for meaningfulness Kitcher thoughtfully and sensitively considers how secularism can respond to the worries and challenges that all people confront including the issue of mortality He investigates how secular lives compare with those of people who adopt religious doctrines as literal truth as well as those who embrace less literalistic versions of religion Whereas religious belief has been important in past times Kitcher concludes that evolution away from religion is now essential He envisions the successors to religious life when the senses of identity and community traditionally fostered by religion will instead draw on a broader range of cultural items those provided by poets filmmakers musicians artists scientists and others With clarity and deep insight Kitcher reveals the power of secular humanism to encourage fulfilling human lives built on ethical truth **The Devil and Secular Humanism** Howard Radest, 1990-11-30 There is currently much confusion about the nature of humanism and a good deal of interest in its point of view As the object of attack and suspicion by fundamentalists conservatives and traditional religionists Howard B Radest believes that humanism deserves a clear and responsible treatment He accomplishes this in this book by clarifying the nature of humanism in historical and current thought The Enlightenment Radest states gave birth to a number of humanist values that are still being worked out in today's societies He reconstructs how humanist values have been considered dangerous by those who fear a change in the status quo Humanism Radest maintains is the true descendant of the age of reason and freedom In this unique volume humanism is viewed as being misunderstood by both traditionalists and the humanists themselves Radest does not wish to disparage traditional beliefs but he emphasizes that humanism is a legitimate philosophical ideological and religious alternative a party to the current struggle for a postmodern life philosophy **The Devil and Secular Humanism** examines humanism in a more comprehensive way than most current literature and it includes an assessment of the prospects for humanism in the years ahead It will be of great use to a literate but nontechnical audience who are engaged in philosophy religion law and politics **Secular Humanism: threat and challenge** Robert Webber, 1982 **Illustrated What Are the Results of the Establishment of Secular Humanism?** Michael J. Findley, Mary C. Findley, Culture wars religious liberalism secular government private charity **Secular Humanism: The Official Religion of the United States of America** Morris Bowers, 2007-07-16 The real Axis of Evil is

The Religion of Humanism American Civil Liberties Union ACLU National Education Association NEA It's time to get back to some old fashioned values like commitment and sacrifice and responsibility and purity and love and the straight life Not only will our children benefit from our self discipline and perseverance but we adults will live in a less neurotic world too In the case *Torcaso v Watkins* in 1961 the U S Supreme Court stated Among religions in this country which do not teach what would generally be considered a belief in the existence of God are Buddhism Taoism Ethical Culture Secular Humanism and others

What Is Secular Humanism? Michael J. Findley, Mary C. Findley, Plato's Republic Religious Unification Ancient History History of Humanism

Humanism Nicolas Walter, 2010-10-05 What is a humanist After an introduction to the earliest ideas of and terms for humanism in the ancient world noted humanist Nicolas Walter explores the history of humanism and its evolving definitions from the time of the original appearance and first meanings of humanist in the Italian Renaissance concluding with a manifesto of modern humanism Drawing on personal experience and information from more than 400 sources this is the first full length treatment of the subject

Foundations of Christian Thought Mark P. Cosgrove, Written by a veteran Christian educator this readable book describes the relationship between the Christian faith and the world of learning by looking at the five modern worldviews competing with Christian theism

Discovering Secular Humanism Jimmy Clay, 2013-02-08 Secular humanism do you know what it is Secular humanism is an ethical philosophy of reason caring and hope It is a social philosophy of the here and now It is a political philosophy for people and the society they live in Secular humanism is a philosophical position that is becoming more important in modern life I believe secular humanism is the future of our world Read this book and see if you agree If you think you are a secular humanist or if you are just curious this humanistic philosophy book has the answers that can lead to a more meaningful life Learn what secular humanism is What are the different types of humanisms and humanists What are the differences between atheism and agnosticism and why they are compatible What assumptions do secular humanism makes What makes secular humanism a highly ethical system Is ethics relative Why Who comes first the individual or the society What is knowledge Do we have free will Is secular humanism a religion And more Don't just criticize discover what secular humanism is Get out of your thinking rut and try something new

God Created Humanism Theo Hobson, 2017-02-16 In this compelling account of the origins and evolution of our secular worldview Theo Hobson shows how Christian values continue to underpin our public morality how faith remains indispensable to Western humanism and how atheistic humanism represents a dead end At the same time he offers a timely warning against the dangers of a religious secular culture war given the radically politicized and destructive forms of religion endemic in the world today Here is a fresh and provocative argument about religion and politics but one that doesn't fit into the normal boxes It suggests that although the public creed of the West is best described as secular humanism we can only really understand and affirm secular humanism if we see how firmly it is based on Christian norms and values If we don't the West is divided mired in a stagnant stand off between fundamentalist atheism and an

equally hard line Christian theism This book offers a more nuanced and historically more persuasive way forward showing just how much our secular morality owes to Christianity and how it can only find coherence through a new and positive view of its origins Contents Introduction 1 The ideology in the room 2 Sowing the seeds 3 Mutations of Protestantism 4 Struggling to be born 5 The secular century 6 In our time 7 So what How is Christianity credible **Bioethics and Secular**

Humanism H. Tristram Engelhardt, 2011-04-01 Bioethics is vitally important in our day because it represents the critical expression of interest in the proper use of medical science to provide health care Secular humanism is important because it is a central factor in constructing a common morality that does not make special appeal to such things as religious assumptions The argument of this book therefore will be of profound interest to all who are concerned for the well being of humanity in today's world Imagine the author says Roman Catholics and committed atheists disputing over proper abortion policies Imagine individuals who wish to organize a for profit surrogate mother service confronting individuals who view such endeavors as exploitation of women To what moral premise do they appeal Are power and influence the deciding factors or is it possible to establish certain principles to which all may appeal In answer Professor Engelhardt examines the various meanings of secularity and humanism clearly showing how complex they are Alongside this he demonstrates the diversity of bioethics and the problems of laying a foundation for it Based on these considerations he identifies which ways forward are the most promising The urgency of the task is clear New biomedical possibilities are surfacing at the very time that demands to contain health care costs pose difficult ethical problems **Secular Humanism** Paul F. Kisak, 2017-08 Humanity Without Politics Religion Dogma or Ritual Secular humanism embraces the common humanity of the human race In general Secular Humanism promotes human reason ethics social justice and philosophical naturalism while specifically rejecting religious dogma supernaturalism pseudoscience and superstition as the bases of morality and decision making Secular humanism posits that human beings are capable of being ethical and moral without religion or a god It does not however assume that humans are either inherently evil or innately good nor does it present humans as being superior to nature Rather the humanist life stance emphasizes the unique responsibility facing humanity and the ethical consequences of human decisions Fundamental to the concept of secular humanism is the strongly held viewpoint that ideology be it religious or political must be thoroughly examined by each individual and not simply accepted or rejected on faith Along with this an essential part of secular humanism is a continually adapting search for truth primarily through science and philosophy Many secular humanists derive their moral codes from a philosophy of utilitarianism ethical naturalism or evolutionary ethics and some advocate a science of morality This book is designed to be a state of the art superb academic reference work and provide an overview of the topic and give the reader a structured knowledge to familiarize yourself with the topic at the most affordable price possible The accuracy and knowledge is of an international viewpoint as the edited articles represent the inputs of many knowledgeable individuals and some of the most current knowledge on the topic based on the date of publication

The Popular Encyclopedia of Apologetics Ed Hindson, Ergun Caner, 2008-05-01 The perfect combination of scholarship and accessible presentation for Christians who desire to know how to better understand and defend their faith Bestselling authors Ed Hindson and Ergun Caner have brought together a who's who of apologetic experts including Lee Strobel Norm Geisler Josh McDowell and John Ankerberg to produce a resource that's both easy to understand and comprehensive in scope Every entry provides a biblical perspective and mentions the key essentials that believers need to know about a wide variety of apologetic concerns including issues concerning God Christ and the Bible scientific and historical controversies ethical matters genetic engineering homosexuality ecology feminism a Christian response to world religions and cults a Christian response to the major worldviews and philosophies of our day Included with each entry are practical applications for approaching or defending the issue at hand along with recommendations for additional reading on the subject Clergy in the Classroom David A. Noebel, J. F. Baldwin, Kevin Bywater, 1995 **What is Secular Humanism?** James Hitchcock, 1982 There are very few terms about which there is more confusion and controversy than secular humanism Hitchcock examines what secular humanism is and how it affects individuals **Culture Wars** Roger Chapman, 2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar What Is Secular Humanism? Michael J Findley, Mary C Findley, 2025-03-21 Excerpted from Antidisestablishmentarianism Almost every American colony had some form of establishment of religion This was because their religion consisted of proven and necessary facts of existence Religion was reliable logical and rational to them The modern established religion of Secular Humanism teaches that it is the only scientifically based belief system in existence It claims that all other religions are not scientifically based but the opposite is true The Bible upon which true religion is based is a book of Science and Secular Humanism is a religion of mythology **Humanism in a Non-Humanist World** Monica R. Miller, 2017-09-14 This book brings together a diverse and wide ranging group of thinkers to forge unsuspecting conversations across the humanist and non humanist divide How should humanism relate to a non humanist world What distinguishes humanism from the non humanist Readers will encounter a wide range of perspectives on the terms bringing together this volume where Humanism Non Humanist and World are not taken for granted but instead tackled from a wide variety of perspectives spaces discourses and approaches This volume offers both a pragmatic and scholarly account of these terms and worldviews allowing for multiple points of analytical and practical points of entry into the unfolding dialogue between humanism and the non humanist world In this way this volume is attentive to both theoretically and historically grounded inquiry and applied practical application
