Creators and Friends Robert Shapiro, 1998-02-01 Humans creators in training have a purpose and destiny so heartwarmingly profoundly glorious that it is almost unbelievable from our present dimensional perspective Humans are great lightbeings from beyond this creation gaining experience in dense physicality by slowing down the creative process in order to feel the results and consequences of their decisions and actions This truth about the great human genetic experiment of the Explorer Race and the mechanics of creation is being revealed for the first time by Zoosh and his friends as humanity begins to awaken to its true nature Zoosh and a great assortment of beings who have never spoken to the physical plane before from particles to All That Is speak vibrantly through superchannel Robert Shapiro Each personality has its own knowing perception and expertise as it shares its history its present focus and the awesome truth about humanity's mission The books read like adventure stories as we

follow the clues from this creation we live in out to the Council of Creators and beyond As we explore the greater reality beyond our planet our galaxy our dimension our creation we meet prototypes designers shapemakers creators creators of creators and friends of our Creator who explain their roles in this creation and their experiences before and beyond this creation As our awareness expands about the way creation works our awareness of who we are expands and we realize that a part of ourselves is in that vast creation and that we are much greater and more magnificent than even science fiction had led us to believe Join us in the adventure of discovery It s mind stretching **Hidden Wisdom** Richard Smoley,Jay Kinney,2012-12-13 Contemporary seekers on the hunt for an overview of the Western mystery traditions often face a small selection of dense out of date tomes Alternatively Hidden Wisdom is a fresh coherent and accessible work that expounds many of the teachings of Western esotericism examining its key figures and movements **The Soul Remembers** Carlos Warter,1992-06-01 A Parable on Spiritual TransformationWhat is the purpose of human life Who am I What is the reality of this world I find myself in Why do I find myself in the midst of certain troublesome circumstances Who among us has not pondered some of these questions at times On the outermost level this book is a teaching metaphor similar to those used in all sacred traditions But behind the parable is cosmic perspective on essence individuality and relationships There is a view of human purpose soul design and divine direction that leads to a new look at the origin of suffering healing and the evolutionary dimensional shift Through the voices of archetypes of consciousness the book subliminally explores paths to power love beauty strength and mysticism It moves through different dimensions of reality while simultaneously focusing on the mental emotional and physical aspects of life as instruments of expression that can be tuned to a higher purpose The Soul Remembers is the expression of a spiritual journey that has assisted thousands in their own processes of self remembrance encouraging them to live more deeply and become personally responsible for cocreating heaven on earth Shining the Light I Robert Shapiro,Tom Dongo,1994-01-01 The most significant events in Earth s history are happening in secret Despite official denial and tactics of derision inquiring minds are demanding the truth This truth is stranger than all the fictions about ETs alien bases and the secret government This courageous book shines the light to expose truths that will change forever how we view our lives on this planet It asks the reader to join in the investigations ask the questions and think the unthinkable Explore the truth about the controllers of Earth and their alien allies Discover the updated news about what is happening on the third dimension and what it really means from the higher dimensions perspective The revelations are shocking and enlightening A crashed UFO leads to information on The secret government s time travel spacecraft Renegade ETs mining on the Moon The U S peace avatar president Ancient Pleiadian warships The prime directive now Underground alien bases and populations And many more startling facts The battle in the heavens has begun Become aware of the truth and don t get lost in the drama Be the light that you are and you will be forever free *ETs and the Explorer Race* Robert Shapiro,1996-01-01 In ETs and the Explorer Race Robert Shapiro channels Joopah a Zeta Reticulan now in the ninth

dimension who continues the story of the great experiment the Explorer Race from the perspective of his race The Zeta would have been humanity's future selves had not humanity re-created the past and changed the future Fascinating information on The true nature of the Zetas Abduction and contacts Who the different Grays are The three Zeta human hybrid races How the hybrids will interact with Earth Our extraterrestrial chromosomes

Origins and the Next 50 Years Robert Shapiro, 1997-01-01 The accounts given by extraterrestrials in this volume are about events that occurred in our solar system many millions of years ago In that ancient time the solar system consisted of four planets and four radiar systems that orbited the central sun The four planets of the solar system are known today as Venus Earth Mars and a now totally shattered world that was called Maldec The term radiar applies to the astronomical bodies we presently call Jupiter Saturn Uranus and Neptune The original satellites of these radiars are generally called moons by Earth astronomers but the extraterrestrials prefer to call them planetoids This book reflects the personal views of a number of different types of extraterrestrials regarding the state of the local solar system and the state of the Earth

Sedona Beyond The Vortex Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sedona Beyond The Vortex has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sedona Beyond The Vortex has opened up a world of possibilities. Downloading Sedona Beyond The Vortex provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sedona Beyond The Vortex has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sedona Beyond The Vortex. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sedona Beyond The Vortex. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sedona Beyond The Vortex, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sedona Beyond The Vortex has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
