Seductions Exposed The Spiritual Dynamics Of Relationships:

Seductions Exposed Gary L. Greenwald, 2003-05-01 If you've ever ended a relationship you knew wasn't God's will for your life but you can't seem to stop thinking about that person. If your behavior is being influenced in a negative way by people you come into contact with. If you're cursing yourself through forbidden statues, jewelry, and practices. It's time for you to break free from the ties on your soul. Dr. Gary Greenwald will explain how the transference of spirits and soul ties can create dominion over your life. Learn how to defeat the deceiving spirits that control many of the things you come into contact with every day. You can be delivered into a life ruled only by the Holy Spirit. *Gender, Social Change and Spiritual Power*

Jane E. Soothill, 2007-03-31 Charismatic Christianity is the most recent and fastest growing expression of Pentecostal religion in Sub-Saharan Africa. In Ghana's capital Accra, the charismatic churches dominate the religious scene. This book focuses on the gender discourses of Ghana's new churches and considers charismatic perspectives on womanhood, manhood, marriage, and family life. Offering a fresh perspective on the organisational structures of the charismatic churches, this study looks at the leadership roles of female pastors and pastors' wives and draws attention to the links between female leaders and spiritual power. By highlighting the importance of spiritual power in interpreting gendered social change, the book sheds new light on the socio-cultural role of Ghana's new churches. **Defeating Dark Angels**

Charles H. Kraft, 2016-10-04 A Practical Complete Guide to Defeating Demons. Demonic oppression is a very real spiritual phenomenon yet it remains a terrifying and misunderstood subject for many Christians. What does the Bible say? Can demons exert power over Christians? Can a Christian be possessed? How do you know if a problem is psychological or spiritual? In this revised edition of *Defeating Dark Angels*, Dr. Charles H. Kraft, a retired evangelical seminary professor and experienced deliverance minister, reveals everything you need to know. With clarity and biblical insight, he explains why and how dark forces come against God's people, our authority as Christians over demons, how to resist the influence of demons, how to break their hold on the lives of others, the need for continued healing and care after deliverance through counseling. Weaving practical application with firsthand accounts of demonic activity in the lives of real people, this is your complete guide to defeating dark angels and ministering God's freedom to others. *I Almost Loved You*

Victoria F. Thomas, 2017-09-28 The plan was foolproof. It is not a typo. She brought the dress. He surprised her with the ring. The wedding date was set. Counseling was over. They were going to Paris to take the honeymoon to the moon. Is marriage roses, rings, cars, and things? Marriage requires a strong foundation to withstand the storms and process the problems through. Relationships take a lot of effort. You must arm yourself. Be willing to add application and cultivate your partner to be successful. Cook up some good ingredients with your partner: love, time, patience, respect, sharing, giving, peace, forgiveness, honesty, commitment, support, laughter, security, and prayer. The question is: what are you going to do? Paul said in the book of Romans: Marriage has its own troubles. If you're married, it came with issues. Some people are very difficult to deal with as an individual. Do not be fooled. If love remains and the person is willing, love can still conquer within.

The Saturday Evening Post , 1990 Crushed Ice Dr. Latangela L. Crossfield, 2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields snakes alligator infested canals and palm trees Imagine growing up in a city where most people struggle financially where the nearest grocery store is five miles away where there is no hospital where there is only one traffic light and where most people know one another Can you imagine growing up in a family that has

many secrets that could either destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield s family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela s life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge and grace to separate agape love for her mother and her abusers from their indiscretions Latangela s life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0 **Angels** George J. theories to this conceptualization It premises that sex creates soul ties that can result in either cooperative or combative relationships that impinge on creativity that ultimately affect wealth creation It pools together applications from religious spiritual mythical and historical sources and examine these in the light of sexual dynamics The wisdom outlined might be useful for those willing to explore their sexuality to deepen their interpersonal relationships **Enchanted Love** Marianne Williamson, 2001-02-08 Williamson envisions a way of being in love with another person and at peace and at one with God and with ourselves **Edgar Cayce on Soul Mates** Kevin J. Todeschi, 1999 Is there really such a thing as soul mates According to Edgar Cayce yes But his definition of soul mates twin souls and perfect partners may differ from what you re expecting For decades Cayce provided thousands of individuals with insights into the nature of their personal relationships the dynamics of soul attraction and the universal laws at work that draw individuals together What is unique about Todeschi s book is that it explores the development of relationships over time played out within the framework of reincarnation In addition to discussing soul mate relationships their connection to the cyclic pattern of reincarnation and the nature of loneliness this book looks at the fundamentals of soul attraction and provides contemporary examples of the same principles discussed by Cayce
