Truth Vs Satan's Doctrine Innocent Nangoma, 2020-04-16 Once upon a time a man named Godfrey White took it on himself to read the whole bible to determine its validity Unfortunately he could not understand it This upset Godfrey White because he saw the positive impact it had done on other lives and wanted to know more about this One God so that it could impact his life too Mr White was extremely irritated by the bible because when he read it he felt like it was judging him so he felt unworthy of it Mr White would spend hours on hours during the day trying to figure out what God s love was all about but felt it was too overwhelming to take in He would sometimes read it before bed but found the stories as fictional and boring He did his best to study it and maybe understand who God was but failed to do so Therefore Godfrey White placed the book in his closet where all the other books he had finished reading were He continued on with his life but everyday he would hear a voice calling to him Do you wish to know the truth He was not sure where the voice was coming from so he ignored it But

the more he ignored it the louder the voice got Godfrey White soon began to lose his mind because the voice would not go away so one day when he was alone in his room he spoke back to the voice Who is it that is speaking Am I going crazy What is the truth It was at that moment when the voice spoke back to him saying I heard you were searching for me so I called back to you but you ignored me Go to your closet and find that book you have failed to understand and I will guide you to the truth Today the gospel shall be revealed to you and you shall not only receive truth but a relationship with me
