Seeds On Good Soil Three Examples Of Successful Church Growth:

Does God Need the Church? Gerhard Lohfink, 2014-12-16 Are not all religions equally close to and equally far from God Why then the Church Gerhard Lohfink poses these questions with scholarly reliability and on the basis of his own experience of community in *Does God Need the Church* In 1982 Father Lohfink wrote *Wie hat Jesus Gemeinde gewollt* translated into English as *Jesus and Community* to show on the basis of the New Testament that faith is founded in a community that distinguishes itself in clear contours from the rest of society In that book he also described a sequence of events that moved directly from commonality to a community that was readily accessible to every group of people and was made legitimate by Jesus himself Only later did Father Lohfink learn within a new horizon of experience that such a description is not the way to community The story of the gathering of the people of God from Abraham until today never took place according to such a model Today Father Lohfink states that he would not write *Wie hat Jesus Gemeinde gewollt* the same way The situation of belief and believers has undergone a shift the question of the Church has become much more urgent Church life is declining and the religions are returning often in new guises In light of these shifts and the change in his own view of community Father Lohfink inquires in *Does God Need the Church* of Israel's theology Jesus praxis the experiences of the early Christian communities and of what is appearing in the Church today These inquiries lead to an amazing history involving God and the world a history that God presses forward with the aid of a single people and that always turns out differently from what they think and plan

Seeds of Success Indira Patro, 2002-02-04 Success is neither an inheritance nor an accident It is God's plan Total Success Ministries Letter To Pastors Dear Pastors and Leaders Please allow me to introduce Total Success Ministries dedicated to helping people understand that God is our provider God has laid it upon my heart to help people know His will through their finances Even though we need to work is not our source of supply God is our source of supply It is a difficult balance working to obtain things but looking to God as the provider of all things and we all need to be reminded of the need for this balance time and again We all tend to lose sight of this fact and think of our job as our provider and our focus gets clouded And then more and more of our time is spent on material pursuits with little time left for the spiritual aspects of life This results in more stress and far less of the peace that we all can have when our focus is on God and not on our own abilities No doubt there are many in your congregation who are struggling with this lack of balance right now and would benefit from learning of success from God's perspective A Total Success seminar will help people live from God's point of view and grow in their faith in God Please visit our web site at [www total success org](http://www.total-success.org) where we have posted all

the information you need to judge us As you can see the focus of the seminar is so much on the spiritual aspects and not on how to manage your money Please examine these materials and prayerfully consider how those you minister to may benefit from learning more through a Total Success Seminar held in your church In HIS service Indira Patro Total Success Ministries
