**21 Rituals to Change Your Life** Theresa Cheung, 2017-03-14 Aristotle said you are what you repeatedly do Most of us have no idea that what we repeatedly do creates our lives we think our future is shaped by big events the decisions we make the thoughts we have but this book will show you that it is your daily actions that are the key Over the last few decades neuroscientists and psychologists have discovered that there is more power in I do than I think However if an action is repeated enough times it becomes habit but habits lack thought consideration and presence To effect long lasting meaningful change our actions need to be filled with a sense of personal meaning and power they need to be ritualized Creating personal ritual in our lives allows us to bring the presence of the sacred into the everyday The rituals in this book have been designed as symbolic acts providing a framework for anyone to use to create positive change in their lives The 7 morning rituals are designed to help you wake with determination the 7 afternoon rituals focus on living on purpose and the 7 evening rituals are about retiring with satisfaction
