A Maze of Grace Trish Ryan, 2010-06-22 In her first book, Trish Ryan chronicled the ways in which finding faith led her to the happily ever after ending that had eluded her for so long. Only it wasn't an ending. It was a beginning. In *A MAZE OF GRACE*, Ryan picks up where she left off, sharing the early years of her marriage and the challenges that both shaped and startled her: temptations regarding fidelity, the anxiety of shifting body image, the awkward nature of following Jesus in a decidedly secular family, and city and struggles with depression trying to conceive that made her wonder if God had lost her. With appealing candor, Ryan sweeps the reader into her life and ponders questions and issues that we all face, dropping nuggets of wisdom along the way that are sure to inspire, encourage, and help readers from all walks of life.

Navigating the Friendship Maze Michele Howe, 2022-10-04 *Navigating the Friendship Maze* from beloved author Michele Howe will help women of all ages make thoughtful, prayerful choices about the friendships they develop and nurture through life. In the Bible, the book of Proverbs makes frequent reference to the invaluable influence of godly individuals upon one's life. In short, we become like those we spend the most time with. Michele's book will help women make wise decisions and cultivate the best friendships that they can. *Navigating the Friendship Maze* contains stories of real women who have chosen wisely, as well as some who have not, and includes discussions of the principles outlined. Each chapter explores various facets of friendship, such as the three types of friends every woman needs and practical ways to be a good friend. Each chapter also includes a Scripture reading, a brief prayer, and practical suggestions for women to follow.

The Adversity Maze Cheryl Bignell, 2024-12-01 If there was an overall equation for every adversity, what would it be? If there was an answer to every adversity, where would it originate from? Does our constant overturning of a problem enable us to work it out? Truthfully, not always. Some problems and adversities seem like enigmas. How do we find our way out of the Adversity Maze? What about that constant daily problem that grinds at our energy? Day in and day out, we wake up with it like Groundhog Day. It steals our time, our energy, and our joy. There is no problem that is unique to one individual. Meaning, somebody has gone through something you are going through right now, and come out the other side. That gives us hope that we can be on the other side of it, too. What did they do that you need to do? Let's unpack that in our book. This book is meant to be an encouragement for you. I want to join you on your journey towards living with the Lord in a way which embraces this time of difficulty with an overcoming mindset. Our problems can cloud our minds so much that we struggle to see the Lord in the midst of them. Or, to even turn to the Lord. Don't

t let that happen Don t give up your hope and faith in God **Tracking the Maze** Clark H. Pinnock,1998-06-18
