Seek the Silences with Thomas Merton Charles Ringma, 2003 In this volume of short reflective pieces Thomas Merton acts as a conversation partner for the author Charles Ringma who draws on Merton's monastic experience in order to help reflect on the motivational centre out of which we all live work and serve **Seek the Silences with Thomas Merton** Charles Ringma, 2014-10-15 In this volume of short reflective pieces Thomas Merton acts as a conversation partner for the author who draws on Merton's monastic experience in order to help us reflect on the motivational center out of which we all live work and serve Seek the Silences is not a call to a spirituality that pulls us towards God but removes us from the pain need and challenges of the world Rather it highlights that it is necessary to be still before God in order to hear and then do to disengage in order to be empowered to be embraced in order to serve **Thomas Merton, Spiritual Master** Thomas Merton, 1992 Includes excerpts from Seven storey mountain Conjectures of a guilty bystander and many other works including a chronology of Merton's life **Hopeful Realism in Urban Ministry** Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy It's Silence, Soundly John McGreal, 2016-04-21 It's Silence Soundly It's Nothing Seriously and It's Absence Presently continue The It Series published by Matador since The Book of It 2010 They constitute another stage in an artistic journey exploring the visual and audial dialectic of mark word and image that began over 25 years ago In their aesthetic form the books are a decentred trilogy united together in a new concept of The Bibliograph All three present this new aesthetic object which transcends the narrow limits of the academic bibliography The alphabetical works also share a tripartite structure and identical length The Bibliograph itself is characterised by its strategic place within each book as a whole as well as by the complex variations in meaning of the dominant motifs nothingness absence and silence which recur throughout the alphabetical entries that constitute the elements of each text It's Nothing

Seriously for example addresses the amusing paradox that so much continues to be written today about nothing The aleatory character of the entries in the texts encourage the modern reader to reflect on each theme and to read them in a new way The reader is invited as well to examine their various inter textual relations across given conventional boundaries in the arts and sciences at several levels of physical psychical social reproduction

**Seeking in Solitude** Bernadette McNary-Zak, 2014-06-02 Seeking in Solitude examines select forms of contemporary Roman Catholic eremitic life and practice in the United States Given the sustained presence of and increased interest in the eremitic life and practice this book responds to the question of the place of the hermit in American Catholicism in a way that neither mystifies nor mythologizes it but rather attempts to understand it

**Illusions of Freedom** Jeffrey M. Shaw, 2014-06-02 Illusions of Freedom examines the opinions and ideas of two twentieth century writers Thomas Merton a Catholic monk living in the United States and Jacques Ellul a French Protestant Contemporaries they never met or corresponded with each other but their critique of the influence that technology was beginning to have on the human condition is strikingly similar Both Merton and Ellul drew upon the ideas of others in formulating their worldview to include Karl Barth Søren Kierkegaard Aldous Huxley and Karl Marx Jeffrey Shaw examines the influence that these other philosophers had on Merton and Ellul as they

formulated their own ideas on technology's impact on freedom. Tracing the similarities and in some cases the differences between their critiques of technology and the idea that progress is always to be seen as something inherently good, one finds that they bring a unique perspective to the debate and offer readers an alternative avenue for reflecting on the meaning of technology and its impact on our lives in the twenty-first century.

**Thomas Merton's American Prophecy** Robert Inchausti, 1998-01-22 Thomas Merton was one of the most significant American spiritual writers of the twentieth century. His autobiography *The Seven Storey Mountain* published shortly after the Second World War inspired an entire generation to reconsider the materialist preoccupations of consumer society. Twenty years later his essays on nonviolence, contemplation and Zen provided the most telling orthodox religious response to the New Left's radical critique of post-industrial society. In *Thomas Merton's American Prophecy* Robert Inchausti provides a succinct summary and original interpretation of Merton's contribution to American thought. More than just a critical biography, this book lifts Merton out of the isolation of his monastic sub-culture and brings him back into dialogue with contemporary secular thinkers. In the process it reopens one of the roads not taken at that fateful cultural crossroads called The Sixties. Inchausti presents Merton not as the spokesman for any particular group, cause or idea, but rather as the quintessential American outsider who defined himself in opposition to the world, then discovered a way back into dialogue with that world and compassion for it. As a result, Merton was the harbinger of a still yet to be realized eschatological counterculture, the unacknowledged precursor, alternative and heir to Norman O. Brown's defense of mystery in the life of the mind.

**The Sacred Way** Tony Jones, 2010-12-21 Broaden your spiritual horizons. How has spirituality changed in the last 500, 1,000 or even 2,000 years? Find encouragement and challenge through time-tested disciplines such as Silence and solitude, The Jesus prayer, Meditation, Pilgrimage. Explore these proven approaches to deepening your faith. As you do your way of living your spiritual life will never be the same.

**Thomas Merton** Paul R. Dekar, 2012-04-26 Thomas Merton was arguably the twentieth century's most widely published and widely read spiritual writer. This book explores Merton's prophetic writings and experience as they offer guidance for those seeking to experience God, to simplify their lives, to live more humanly and to shape Christian community in the face of alienation, consumerism, noise and technology. The book includes parts of three previously unpublished conference contributions by Merton on technology, Exploring Merton's thoughts on monastic renewal, prayer, radical simplicity, ecology, technology, war, peace and interfaith dialogue. Dekar reminds us why Merton was so influential and why he continues to be so.

**I Came Here Seeking a Person** Glenn, William D., 2022 This book is a contemporary account of a spiritual journey by a sober, gay ex-Jesuit clinician and community leader writing at the complicated intersection of faith, psychology, sexuality, culture and exponential social change. The book's themes are both of the moment and universal; they are

difficult and yet hopeful      **Seeking the Beloved** Wayne Simsic, 2012-04-01 Prayer is not just time set aside for God or the use of certain techniques it is primarily an intimate relationship with God the Beloved If we hunger for a prayer that is deeper than words and that we can bring to every part of our lives no matter what we are doing then we can turn to St John of the Cross as our guide Retreat master and author Wayne Simsic insists that while it is easy to write off this saint as an otherworldly ascetic and mystic he was actually a down to earth and wise administrator poet and artist whose writings have great relevance for us today In this book Simsic helps readers discover the gift of contemplative prayer as unfolded by this Carmelite saint whose longing for a deep intimacy and union with God can become our longing as well      Thomas Merton's Poetics of Self-Dissolution Sonia Petisco, 2017-07-26 This book includes a collection of essays on the poetry of Thomas Merton 1915-1968 one of the most relevant spiritual masters of the twentieth century These scholarly inquiries are all glimpses which accurately represent his poetics of dissolution the dissolution of the old corrupt world in favour of an apocalyptic vision of a new world Este libro incluye una colección de ensayos sobre la poesía de Thomas Merton 1915-1968 uno de los maestros espirituales más relevantes del siglo XX Todas estas investigaciones académicas dejan entrever lo que representa exactamente su poética de desintegración la descomposición del viejo mundo corrupto a favor de una visión apocalíptica de un nuevo mundo categorizaciones abstractas de lo sobrenatural que dan paso a una experiencia íntima y más dinámica de lo sagrado en el hogar y en el mundo      **Quest for Silence** Harry A. Wilmer, 2000 Whatever happened to silence Actually nothing and Harry Wilmer takes great pains to show how we have submerged it under a toxic barrage of noise Using both clinical examples of the power of silence from his case histories and cultural values of silence he uncovers a astonishing theme in the Japanese idea of MA as silence Wilmer points out how silence gives meaning to words dreams thought action and music From his long experience as a Jungian analyst he weaves his ideas into an eminently practical treatise on the phenomenology of silence With many references to literature as well as his personal life experiences and crises he offers a readable and important new story of the universal and spiritual significance of silence in a world of jackhammer noise

*Words and Silence* Thérèse Lentfoehr, 1979 Perceptions born of her friendship with Merton over the course of nearly three decades are shared in Sister Therese Lentfoehr's analysis of the entire corpus of the late Trappist monk's poetry
