Seeking the Spirit With Ankita Sharma, 2018-09-13 Seeking the Spirit Within will allow you to view life from a bigger picture and encourage you to follow a spiritual path as the spirit within us awaits to connect with God Short Term Spiritual Guidance Duane R.

Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person s growth Bidwell s work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God s presence Focusing on how God is already active in the directee s life allows the participants to identify God s action and respond in ways that collaborate with that identified movement of the Spirit **Desperately Seeking Spirituality** Meredith Gould, 2016-05-09 In Desperately Seeking Spirituality sacred

spelunker and sociologist Meredith Gould combines practical wisdom with lived experience to explain why and when traditional practices don t work for today s seeker and then how to choose ones that will In short easy to read chapters and with characteristic wit Gould provides counsel for reframing perception to discover the sacred in everyday life This guide is for self identified seekers who have tried some many or even all the classic spiritual practices and then given up on them when they stop working In Desperately Seeking Spirituality Gould invites readers to embrace a broader definition of practice

Seeking Spirit Beyond the Bottle Helen Sherry, 2004-06-29 We live in an addictive society in which compulsiveness has become an art form and most people have dependencies of some sort This book was written to help all dependent people learn ways to follow a spiritual path even if their dependencies might be one of those potentially less severe than alcoholism or drug addiction such as workaholism materialism excessive anxiety or relationship difficulties To quote from the author People these days talk seriously of addictions to television the Internet or to acquiring material possessions These are usually self involved occupations It s as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author s growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safety and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To quote again from Ms Sherry s words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to

those with addictions but also to those who simply wish to avoid dependencies and to change grow and evolve *Seeking the Sacred* Stephanie Dowrick, 2011-06-09 For readers of Thomas Moore James Hillman and Pema Chodron a timely handbook for these troubled times that shows how to bring depth and meaning to our lives through cultivating our connection with something greater than ourselves Can changing our view of ourselves and others affect the world Bestselling author Stephanie Dowrick's major new book is a compelling look at how we can transform the world by seeing the extraordinary everywhere we look both without and within Through her intimate beautiful and encouraging writing Dowrick shows that it is only in altering our perception seeing all of life as sacred that we will challenge the usual stories about who we are and what we are capable of being At a time when religion is increasingly seen as a cause of prejudice and division or as irrelevant to our most pressing concerns the eternal truths of a genuinely inclusive spiritual wisdom have never been more urgently needed or sought In *Seeking the Sacred* Stephanie Dowrick invites us to go beyond cultural divisions and religious dogma and to discover what makes our lives sacred satisfying and meaningful Weaving personal stories including her own with an inspired vision of life's most healing possibilities she reveals how the sacred can transform the way we understand and value life changing forever how we interact with others and care for ourselves *Seeking the Sacred* is a provocative and accessible read for those contemplating God faith spirituality and the nature of belief in twenty first century life This is a book for the spiritually curious as well as those already engaged in the deeper questions Richly hopeful and uplifting *Seeking the Sacred* unravels some of our most complex contemporary dilemmas and speaks to the heart of our deepest yearnings

Seeking Spiritual Direction Nick Helm, Liz Hoare, 2019. Spiritual direction is an ancient way of drawing attention to the primacy of God's perspective on life. Practised well, it is the art of keeping out of the way and like the good teacher or midwife, enabling the directee to encounter God directly. Aimed at anyone interested in receiving spiritual direction, this illuminating guide examines the origins of the practice in the Bible and early church and explores how it can support the radical prophetic way of life that Jesus calls us to. The Spirit World: A Guide to Communicating Beyond the Veil Vikki Strack, In the tapestry of human experience, the threads of life and death intertwine, creating a fascinating and often perplexing landscape. For centuries, humanity has grappled with the mysteries of the afterlife, seeking answers and solace in the face of mortality. The spirit world, a realm beyond our physical senses, has captivated imaginations and inspired countless stories, rituals, and beliefs. This book serves as a guide to navigating the enigmatic world of spirits, offering a respectful and informed approach to communication with the other side. It is not a definitive answer to the complexities of the afterlife, but rather an invitation to explore the fascinating world of mediumship, Ouija boards, and other spiritual practices. Through a blend of historical insights, practical techniques, and personal anecdotes, this book aims to shed light on the nuances of the spirit realm and equip readers with the tools and knowledge to embark on their own journey of exploration. This is not just a book about communicating with spirits; it is a journey of self-discovery, spiritual growth, and a deeper understanding of the interconnectedness of all beings. Whether you are a seasoned seeker or a curious beginner, *The Spirit World: A Guide to Communicating Beyond the Veil* provides a valuable resource for those seeking to bridge the gap between the physical and spiritual realms.

Mere Catholicism John F. Fink, 2013-07-23. C. S. Lewis's masterpiece of Christian apologetics. Mere Christianity was about Christianity in general, carefully refraining from teaching the doctrine of any particular denomination. Mere Catholicism explains specifically what Catholics believe and practice. Meant for both Catholics who want a better understanding of their faith and non-Catholics who are curious about what the Catholic Church teaches, and why, the book presents the basic doctrines that Catholics believe and the basic devotions that they practice. It is not a catechism, but is written in a popular style.
