

A man with short dark hair and a beard is shown in profile, looking out of a window. His hands are clasped together in a prayerful or contemplative gesture. The scene is dimly lit, with the primary light source being numerous lit candles that surround him. The light from the candles and the window creates a warm, golden glow. The background outside the window is dark, suggesting it might be nighttime.

Dr. Ebele Okonkwo Onuigbo,2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential

consequences and evaluating the implications for both oneself and others in the surrounding community. Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us. In the modern world we observe a striking dichotomy between Jesus' purpose driven ethos and the prevalent self centered pursuits that often consume individuals. Amidst the clamor for material possessions, societal status and personal comfort many seem to lose sight of life's deeper significance. While the pursuit of such desires is not inherently erroneous, an excessive fixation on them can obscure individuals from fulfilling their higher calling.
